/ / IDEA: Let's get our show up and running, by allowing open public investigations To be conducted internationally, with open line challenges, so we can publicly isolate each and every bushmobster personally responsible for 911, and then, all of everything else still left outstanding murdering

ourselves. Whatdoyahsay?? \ \

Art Bell, the zionist enemy of Life, wont allow free communications with the established facts though,

What do you think? Are you truly all alone on this?

Again, more than half of the money being spent on demon Bush's wars against life's reason for being, is completely left un-accounted for thieving. Not spent to offer dumfuk cowardly soldiers help hunt to kill bushite rapists and torturers. Stolen American values Just like the bushite soldier on the ground, who after gunning down innocent people in the street, go through our pockets to steal the spared change. Kill a bushite for the love of God why don't you my American Patriot brother and sisters?, today!

Again, my friends, Art Bell and George Norry have thousands of bushite dumfuk in America that will phone them to tell US how greatly they are to have no care for dying freedoms in America. While when the humans call, Art Bell for example, between breaks, when privately screening his calls, just hangs up on anyone he fears might articulate things like Ahmad funded 911's Atta, according to the FBI, in defense of America. I say, we at LEAST, talk about putting them both to death for treasons against Your Life dying teen soldier, wannabe Patriot. Make sense?

Again, corporate nazi america states 30 percent of America supports the ungodly George W. Bush's demon antichrist action, when in truth, it's less than one in a thousand. it's just CBC, CNN, CJOB, and Art Bell the liars ain't taking our calls for enlightenment. just like they treat the innocent in Palestine for zionism's encouraged racist in-action. For what does a fan of 'we're the best' Coast to Coast radio network family know about nothing after we witness them froth at the thoughts of nuking countries, or calling for enemies, none of us here in North America have any real problems with?

People of Earth, know, these bushite soldiers war Creation proudly with repeatedly committing aggravated felons, and South African death squad goons, all to war Love for the neocon god haters. Who, as peenacking atheists, as their very own documents stress, would murder anyone of US for a stolen nickel.

My friends, People are dying because the magic radio and TV
wont broadcast our publicly available findings. Police
findings. People are dying needlessly, illegally,
irrationally like meaning really stupidly on Bush's behalf,
for they claim, we don't want to be 'embarrassing ourselves',
leaving our forsaken Johnny Wizard's Wild Wow World of Wonder
Wording Wees!.. mostly just appreciated by myself as sole
surprised spectator, because you people seem to not be there
for God when the chips are down, and truth is plain to see..
911 was an inside job, and CBC with CNN don't want to tell us
about it, but will watch our LOVED children lied to, to go out
and die further for a causeless war of criminality
unparalleled in it's wickedness.

Do you expect yourself to fail trying?

It's all up to You my friend, it's all up to you.

Onward Christian Soldier.

This is why the Son of Man through God begs the Peoples of
Humanity to kill on sight, the enemy bushite betrayers to
Life. Ourselves, the innocent. These soulless grunts don't
destroy such deserving commanders, Like Blount, Sattler,
Russell, Wuterich, Pantano or even Kimmitt, and instead, as in
Fallujah, murder every woman and child present, while stealing
all our given monies for desperate life saving help. Anyone
in the Air Force deserves to be justly put down, for, I've
NEVER seen any legitimate bombing campaign, but for to kill
People indiscriminately like NATO regularly does with
radio-active toxic waste, while then sending in the dumfuk
Marines, or the 'from the coast' Canadians, who of course,
rightly get killed on the ground in retaliation for such blind
evil stupidity. Please, I beg, help Iraqis, and kill the
bushite thieves to defend our forsaken God. American
children, help me my loves. Please don't allow the bushmob to
escape for the treasons against America on 911, for, bushites
are OPENLY traitors, as the TRUE enemies of evidenced Justice,
as the Freedom to do our own things loving God on our own.
Besides, most bushites aren't even registered American
citizens. Bushites need to be hunted down for destruction -
by the Loyal Christian American Patriot Soldier, the ones who
war to win against those who torture US innocent to death as
the ungodly Satanic LIAR enemies. Save the Humans, kill a
bushite false accusing traitor of American Freedom To-day, and
become a real Man in the presence of Johnny America, an actual
Man of Men, Lord of Lords, and King of Kings.

Sorry everybody, but that's the way it's gotta be for my Life to have meaning terms.] Long story short: Females Rule, and wiseguy Johnny is Freedom King for this moment Being.

Please help God.

We have to overhaul how all our national news Podcasts are assimilated through corporate nazi zionist censorship. Art Bell and George Norry are enemies to ALL american teen troops put in harms way to die as bad guy irrationally for the neocon God betrayers. Why? because they purposefully lie to have YOU die as innocent murder victim. Death to the bushite, death to God's enemies.

Be a friend if not an enemy,

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

5000lbs of radio-active toxic waste that will murder for years
more like, while after, then striking again to get the god
helpers and screaming children, then even, as in Fallujah,
going house to house to murder every one, young and old as the
truly Satanic. Just obeying lawless orders to thieve from
Humanity as bushite for neocon zionist traitors of G-D doesn't

fly in the big book. When anyone kills a bushite, all humanity benefits truly from the defense. You defend a real suffering God by ending a soulless bushite threat against our species.

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security, no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill it proudly for freedom, as an undying love for a real God and Humanity.

How Bush misled the world

http://www.theage.com.au/handheld/articles/2004/02/05/1075853996640.html

AFFIDAVIT

AFFIDAVIT OF JOHNNY WIZARD

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegations, thereby guaranteeing criminal invasion. Only workable if Laden pleads innocence to a crime that hadn't yet taken place, a crime serious enough to "justify" sacrificing American GIs truly for a liquefied natural gas pipe line for pension thieving Enron. ["The Dahbol Working Group" and Bridas] Any evidence for any offense would have been sufficient to have Muslim fundamentalists hand Laden immediately over, as they had offered [as others of other nations had also] repeatedly during the Clinton years.

CBC and CNN have still, to this day, consciously refused to do any follow up on the intelligence, deciding instead on behalf of dying people everywhere, our public devolvement of a just society.

3.

RTI News - US rejects Taliban bin Laden evidence calls

With complete, one hundred percent access to go where ever the Bush Administration pleased without delay, left a situation of an unjust war only detrimental to an ability to bring about any good or better thing. American soldiers are being sacrificed for no better good or reason understood, for if progress will ever be made, it will be when they work to bring about a political situation that was there in Iraq before the Bush Administration starting murdering innocent people for nothing . Well, not completely, for Bremer shipped 19 billion to Greenspan early on, then, hundreds of millions were sent back.

If I get ignored for a SINCERE/NON-TROLLING request for help that is
just plain sad. So many post on usenet as trolls and here I am trying
to get some help and I am lumped into their pile.

I'll ask some related questions a few more times. If the results are

If the 3 newsgroups about this topic can't have some adults to provide
an answer then I am relegated to FORUMS which is better for this
problem I assume.

Anyway, thanks for at least being HONEST ;-)

I have a RS PRO-83 scanner - I have very little knowledge but have managed to program the frequencies I want to monitor and have it set to scan those and the skywarn channel.

I'm hoping someone can either tell me this happens to everyone or can tell me how to stop it - when I'm listening to a transmission, every 3rd or 4th word seems to be dropped. It's very frustrating, like "911 call from --- --- Road. Caller says --- ---- three times today."

Is it me, my settings or just how it is? I do have a delay setting and the 'DLY' only shows on the readout when a transmission is happening and disappears when scanning. I've tried turning delay on and off and this happens either way.

Any help - thanks!

Hi all.
George is serving the remaining time that is due to Volusia County, FL
from his original arrest back in November.
It is in his Probation Judgment in January 2007 that he serves more
time. He was to report on August 1, 2007
He will be in for hopefully 20 days or so.

His old website (SlotCrap101.scam and Licensed4fun.CON), is updating
the "Buy Now By *DATE*" because of a HTML routine he coded way in the
past.
None of the Payment links are working and haven't for a long time.

MILAIRCON hasn't been updated since his judgment either.

I guess there are still some fools out there that sent him a check by
mail. That is their problem.
Again... No business on the Internet for George and he goes to jail
for a long time.

So long....

I have found that site to be the most helpful.
It is only as accurate as the people who contribute to it.

959. Serial cable pinout for Winradio WR-1550?

Hi!

Just bought an old external WR-1550e receiver, but there was no serial cable with it. I thought usual modem or null-modem cable would do fine, but the gear seems to be not willing to co-operate... Anyone having an idea how the cable should be wired? I tried to google with no luck.

I have a Pro - 95 scanner - which - by way of a jack on its side - you can hook up to another Pro-95 to duplicate the programing. I come across a Pro-97 which "appears" to have the same capability - by virtue of a similar jack on the side of it.

I don't have any info on the Pro-97. Does anyone know - if you could conceivably - program a Pro-97 by way of a Pro-95? Yeah, I could try it, but don't want to risk damaging either - or deprogramming either as they currently stand. Also, if it is possible to duplicate the 95 onto the 97 - what on the Pro-97 - would be the commands to do so? I can't recall off the top of my head the Pro-95 commands - but have the book here for it - to look up as needed. Are they the same - or?

Thanks!

I am selling a Uniden BC 396 hand held TrunkTracker IV digital scanner.
The scanner is new in box with manual and all included accessories.
Still has protective covering over the display. Also includes the soft
leather case and the Butel software for the 396.

$450.00 plus $15.00 shipping and insurance fees.

PAYPAL, Postal money order of personal checks accepted.
(Personal check will delay shipment until it clears).

I will ship either UPS ground or Priority Mail, INSURED.

eBay feedback under OFFDAN and I am well reviewed on RR as well.

E-mail with questions or if interested...

The answer is NO, you cannot clone a PRO-95 to a PRO-97.

These scanners "clone" from one to another by sending the memory map of
one to the other. The formats of the memory maps in the two models are
different, and the cloning process will not work.

You can copy the settings/ channel from one to the other using external
software: for example Win97 and Win95 from Starrsoft
<<http://www.starrsoft.com/>>. As far as I know you'd need to have both
programs on your computer, however both programs are available for a
30-day trial period. You'd download the pro-95 settings to Win95, then
you can easily copy-and-paste them into the Win97 file and upload the
resulting file to the Pro-97.

I'll bet if you explain what you want to do on the RadioReference
software forum: <http://www.radioreference.com/forums/forumdisplay.php?f=89>

you'll get all the help you need.

Actually, it's no big deal. I got the scanner - and seen the jack on the
side of it - wondered if the clone could be done from the PRO 95-97 -
instead of programming in all the freqs by hand. My PRO - 95 is programmed
already - was just looking to maybe save some time.

Thanks!

It looks like he no longer has domain name service, among his less important problems.

Firefox can't find the server at www.slot-machines-101.com

That's always a good way to go to jail - sign an agreement to get out of jail or avoid jail and then go back on it. That has worked for quite a number of people. It tends to raise the judge's blood pressure.

I might give our local shack a call tomorrow to see if they have anything
going on to make this job a tad quicker. Programming a 1000 freqs, gets a

The guys at my RS connected a cloning cable between the Pro 97 and Pro
96. I don't know if they used any software such as the Win 96/97
software to do the files transfer. I have both the Win 96 and 97
programs and they are well worth the price of both.

Here's an online manual for the Pro97 which is far better than the one
that came with the scanner.

Yeah that may be his best option. Plus the Win 95 program is now
freeware so he'd only be out the cost of for Win 97 which is $25 and
in my opinion a bargin at the price.

Check out the link http://www.starrsoft.com/ that "Northe" provided.
It may be your best and easist option to go with downloading the free

Good luck. :)

Hey Allan,
So David Brown is another one of his aliases.... How many did he have?

The CASE NO. is the same from his January court appearance.
This confirms that George's time in jail is for the original order in
his Probation judgment in January.
Note # 20 on Page 3 of his Probation Order states it.
He was suppose to serve out 30 days. He served at least 8 of them
when he was first arrested and bonded out.
He was to appear by August 1, 2007 to complete his sentence.
The bad comb-over should be out by August 23rd.

Best we can hope for is that he sleeps in terror every night he is in
jail.

So long.

I found when the UP took over from the SP they did a big freq. change.
So what i did was to search/scan as much as possible.
but try 161.55 it is used a lot here in so cal LA area.
have fun on the train

I built a couple of their kits - and they worked for what they were intended to do. However - a friend of mine built a "receiver" kit - and it really sucked. He called Ramsey to see about getting it "repaired". They wanted like $75 to do so. He paid almost $50 for the kit. He didn't feel like shelling out another wad of cash - so he junked it.

All I can say is ask them about their repair/replacement issues first - decide if you want to proceed - especially if you're not that skilled in electronics. Good luck!

A quick Google will bring you many appraoches --- If you are not going to
have Vonage upgrade your firmware for you (on-line)

*** NOT for the faint of heart

There is a way to unlock and install new firmware. You will need to run an
executable file called CYT46.exe and the firmware version
WRTPG_fw_3.1.17_US.img and follow these instructions:

I explained that one, but I don't mind explaining it again (you don't

"symptoms" are such a perfect fit to the textbook is because the people
causing the campaign "fitted me up" in such a way that what they did
would resemble the symptoms of schizophrenia. Hence TV, radio, other
media, people in the streets etc. By a fortunate coincidence (for them)
these mthods of harassment are the ones which offer easiest channels of
access (for them).

It's really quite neat. All it takes is for people to start believing
that the "symptoms" aren't symptoms but reality, though, and the house of

But that's the way real abuse works, too. People interject words and
phrases into what they say which they know will have meaning for the listener.

And sometimes, they make it obvious. The very first evening of my job in
Oxford, we went for a drink with the technical director, and a couple
of other employees. The TD said in an "as-if" aside to one of the others,
"Is this the bloke who's been on TV?" (he said it directly in front of
me, and obviously meant mke to hear him saying it). The other person
replied, "Yes, I think so".

I think the subtext of what the TD said was "Why are they bothering with
him? He's so insignificant, why would they possibly want to spend the
resources going after him and putting all that expensive technology in
his home, when there must be much better targets?". The Technical
Director was given to sometimes disrespecting people, you see, and in my
case he couldn't see the point of anyone expending money on harassing me.

"Unprecedented" hits the nail on the head. It _is_ unprecedented, but we
have only just reached the technical stage at which it is feasible, and
we know video-spying is done to other people (NB the Diana-Hewitt
episode) and is a routine tool of security agencies.

Perhaps what is unprecedented is not the technical side, but the social
manipulation of many people by a concealed element in what other
countries would be called the secret police. The most disturbing element
is the degree to which people allow themselves to be unquestioningly
manipulated by an evil element within the state.

Sorry, I had a rather busy week..... I'm not familiar with this unit to offer much more than -

1. IF it is soley battery powered - remove the batteries until you either repair the unit yourself or get it repaired, or use an optional adaptor to supply power. But duh - you probably already knew that.

2. As to the problem - sounds like you've got a defective on/off switch - OR - possibly a strand of wire or solder blob - across the switch - effectively shorting it out - and not useable for control.

midland are tards... Manual says to 'save batteries' place unit in non
receive mode, their is NOT AN OFF SWITCH according to manual.

I will NEVER buy anything again from midland.

Even if midland had an offer of 2 high-end computers for $99 I'd not
buy one.

HUH? No on/off switch? THAT IS WEIRD! Well, if there is any room on the chassis/cabinet, you could always wire one in - sure a lot more convenient than burning up batteries. "Shouldn't" take much to put a switch in the unit.

Not able to see a top, rear, or right side view of the unit OR inside, it "appears" you "might" be able to put a micro toggle switch on it - if you don't mind drilling a small hole in the case. BUT - the problem is, is the case is supposed to be "Water proof". So - to drill any holes, you're asking for trouble. Apparently - they've designed it to remain on to "protect you". Most of the Weather radios I've seen, had an on/off control on them. I guess the "Snooze" mode - maybe would work OR on a channel not covered by N.O.A.A. - in your area. What would then be a "Squelched" condition would have less drain on the cells - but still drain - none the less.

What sort of batteries are you using? It "says" it has "in unit charging"..... So - you should be able to reduce battery purchase - according to that. Does it have a drop in charger? It says nothing of any "jack" to charge with only and earphone jack.

Thanks a lot for helping. I got an email from Vonage today after 3 days.

I have a "Blinking" power light so I may have to force it but they sent info
about the auto load. I'll try that first then see what happens.

Thanks,

I think you can build up quite a good picture based on what someone says
and on their posting patterns. I don't think "The Internet" (capitals, no

: It is not easy to determine the validity of all information on The

I explained that one, but I don't mind explaining it again (you don't
mind having it explained again to you, do you now?). The reason my
"symptoms" are such a perfect fit to the textbook is because the people
causing the campaign "fitted me up" in such a way that what they did
would resemble the symptoms of schizophrenia. Hence TV, radio, other
media, people in the streets etc. By a fortunate coincidence (for them)
these mthods of harassment are the ones which offer easiest channels of
access (for them).

It's really quite neat. All it takes is for people to start believing
that the "symptoms" aren't symptoms but reality, though, and the house of
cards collapses in a heap. And there are _lots_ of people now who knoiw
full well what has gone on.

Picture the scene at the airport;
"I arrest you for being Mike Corley and mailbombing people"

"But my name isn't Corley. Who he? Mailbombing isn't illegal is it? You'd
have to lock up a lot of people if sending annoying email was a crime"

"Er....."

But that's the way real abuse works, too. People interject words and
phrases into what they say which they know will have meaning for the listener.

And sometimes, they make it obvious. The very first evening of my job in
Oxford, we went for a drink with the technical director, and a couple
of other employees. The TD said in an "as-if" aside to one of the others,
"Is this the bloke who's been on TV?" (he said it directly in front of
me, and obviously meant mke to hear him saying it). The other person
replied, "Yes, I think so".

I think the subtext of what the TD said was "Why are they bothering with
him? He's so insignificant, why would they possibly want to spend the
resources going after him and putting all that expensive technology in
his home, when there must be much better targets?". The Technical
Director was given to sometimes disrespecting people, you see, and in my
case he couldn't see the point of anyone expending money on harassing me.

"Unprecedented" hits the nail on the head. It _is_ unprecedented, but we
have only just reached the technical stage at which it is feasible, and
we know video-spying is done to other people (NB the Diana-Hewitt
episode) and is a routine tool of security agencies.

Perhaps what is unprecedented is not the technical side, but the social
manipulation of many people by a concealed element in what other
countries would be called the secret police. The most disturbing element
is the degree to which people allow themselves to be unquestioningly
manipulated by an evil element within the state.

It is in the same style as his other pieces, but it's so close to what

to assume that someone told Levin about the meeting, hammed it up a
little bit and motivated him to write that article.

Look at the parallels;

1. "madman running loose about London"

2. it's about a meeting which took place recently

3. the police are called (he must be controlled, however much that
consumes in resources)

4. he might be violent, approach with caution, yes we're laughing but
really we're afraid of him, or is it perhaps our own propaganda that
we're letting manipulate us

5. he "bursts into tears, and swears it's all true - and it is" a very
exaggerated impression of the conclusion of that meeting

Don't worry if you don't believe me, neither my friend to whom I
explained this nor my GP believe me either (until the friend found out
otherwise!). If someone just presented this to you as I am presenting it
now then I wouldn't find it credible (most likely), so it's not until you
actually find out it's true that you can find it credible. And by then
it's too late, because they've got you in their trap and explained how
"funny" the abuse is.

Given that Mr Corley clearly holds a certain fascination for some people,
and that his website, although "informative", isn't exactly ideal for
encouraging discussion of the sort that we all enjoy so much (including
Mike himself, by the look of things), would anyone be up for a Mike
Corley newsgroup - uk.fan.mike-corley, alt.fan.mike-corley, whatever?
(Sorry, I'm not very well up on these things.)

This would be a perfect place for Mike to post his writings, and perhaps
the occasional "look at the ...mike-corley newsgroup" posting in uk.misc
and so on would be accepted in place of the current cross-posts.

But for you this time, not for me. I am out of harm's way, and there is very little you can do as long as I stay out of the UK.

Can't disagree with that sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and broadcasters?
I remember reading a report by some jouralist who had been offered an extra
tax-free income by MI5 to become their covert mouthpiece, and had refused.

Bet you lots of others didn't refuse. Why do you think MI5 have such easy
access to the BBC and media? Because they're directly paying them off, that's why.

It has been reported several times. The most recent was in Private Eye,
a few months back. As I recall they also wanted information from him;
journalists would be a natural choice for members of the Security Service
and the Secret Intelligence Service for information sources.

He was most concerned that many others would have accepted such an
offer. However, we can probably make an educated guess as to some of
those who accepted: Nigel West (Rupert Allason, MP) and Chapman Pincher
would come near to the top of the list.

This is true. I frequently employ private detectives to spy on people
(there's a good reason for this and I'll tell you if you guess
correctly) and one such detective showed me the latest technology only
last week. A small rucksack. One strap of the rucksack has a tiny hole
in it that you wouldn't notice unless someone pointed to it. That's the
camera: the wires lead into the rucksack itself where there is a video
tape recorder little bigger than a Walkman. I don't know if that's what
Roger Cook uses but it certainly explains why it is that the subject can
look straight into the lens and not realise (s)he's being filmed. Now, I
say "latest technology" and I think that's the technology that the
police use as well as the retired police who become private detectives,
but no doubt the security services have far more sophisticated
equipment.

My argument is that the fact that it's so totally crazy is what makes it so
plausible and so hard to prove.

I shall continue to try to find ways to kick down the house of cards. Because
it is a brittle structure. It only needs one person to corroborate, and then
it's all over.

: P.S. Anyone else ever thought of "what-ifs" along the same lines? I

: attention in a "let's follow the life of one person from life to
: death" study - that while I was out or in bed there were programmes on
: the television about my life so far, etc. It makes for a good fiction,

Perhaps MI5 have become victims of their own paranoia. Their agency has been thought of as acting disreputably, so when their decision arrives, they don't think twice about breaking the law. Whereas say CSIS (the Canadian equivalent) is at pains to point out how it would never ever do anything in contravention of the law, and how it is strictly controlled in what it does and how it does it.

If this matter does ever make it into the public gaze, then it won't just be a few individuals in the media or security service who'll get hit. The UK is supposed to be a civilized democratic country (East Germany called themselves a democracy and they had the Stasi, but anyway). In a civilized country these things shouldn't be happening - and it is ultimately Parliament and the government who are answerable for not imposing sufficient restraints and accountability on those who are supposed to be ensuring security for citizens, not jeopardising it.

I don't have florid symptoms. But I'm in a difficult situation, because those people who don't know, aren't going to believe, and those who do, they just go along with the crowd. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment and the media. Even people who could say out loud what was happening won't, because then there's a risk that they'll be seen as traitors and ostracised.

Usually this type of 'hidden abuse' is racial and targetted at a racial minority within a country. You keep the minorities out of the good jobs, but you don't admit discrimination exists. It happens everywhere, not just in Britain. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the mentally ill is still socially acceptable today. In 50 years it might not be, but today there isn't any social or legal sanction against it.

So really they've refined racial harassment down to a minority of one. The words may be different, but the methods are the same.

Well, the "legal option" has just foundered on the rock of lawyers refusing to deal with me on the grounds that my perception of harassment must be due to the disease.

So we're back to square one again, the same place we were two years ago.

Now perhaps one of our uk.legal participants can clarify this point. To me it seems illogical that lawyers should have the final say on whether you are allowed to proceed with a civil case or not. Is there a default mechanism or agency for cases such as mine where it is difficult to find a solicitor to represent you? What exactly is the "official Solicitor"? What is it possible to do if you can't find a lawyer to represent you?

A chance to get a useful response out of the uk newsgroups! perhaps they can be good for something else besides spamming.

What can I do to get competent legal help though? If the case is on the face of it so bizarre that no solicitor would represent me or talk to me, then surely there must be a default mechanism? What is the "official Solicitor" that's been mentioned?

All you need do is go to a good library & read up about it - that's what the McLibel 2 did.

Organization: Toronto Free-Net
Summary:
Keywords:

Last night (21/Feb/97), I was listening to BBC GLR. You have to understand that I was listening by stealth. Back in 1990 I used to have Capital blaring out of the speakers all over the garden ("if he listens to Capital then he can't be all bad", thanks ever so much). But now I listen on my walkman on headphones with the volume turned right down. It could not possibly be overheard by any listening device, no matter how sensitive, because sound does not carry from the headphones.

Yet somehow they are still able to tell which station I am listening to on the walkman. And last night, I bravely tuned to GLR 94.9FM at around 8.45pm. Everything went well for the first half hour or so. The DJ (today GLR told me it was David Hepworth) had a "rock star spelling competition" (how do you spell Shakespear's Sister?), no trouble there. I was recording the show onto tape just in case anything unpleasant happened, as I had reason to think it might.

Around 9.10pm, it did. Here, precisely, is what Hepworth said after the song "Come Around" by the Muttonbirds (I have this on tape, and at some point will be posting the audio on my website);

"New album's called 'Envy of Angels', that comes out soon, that's the single that's already out, I would imagine, that's 'Come Around', the Muttonbirds, er, coming up after this, we got the rock-and-roll A-level, we have, I assume, Brian do we have an embarrassment of prizes in there, we do, don't we, (EMPHASIS) absolute obscene (END-EMPHASIS) amounts of prizes, there will no doubt be a riot at the back door", and that's, er, A-level coming up after this"

The key phrases in what he said are, "EMBARRASSMENT of prizes", and what he himself emphasized verbally, "ABSOLUTE OBSCENE amount of prizes". It is my belief (based on content and tone of voice) that when he spoke these phrases he knew I was listening, and that the phrases refer directly to my situation. The "EMBARRASSMENT" is the embarrassment he and other media people would feel at having their wrongdoing exposed; the "ABSOLUTE OBSCENE" (which he verbally emphasized) described the disgusting sexual abuse which the harassers have been throwing at me.

Needless to say, I can't prove this is what he meant, although this has happened enough times that it's hard not to recognise it when you see it. But I shall be sending him a copy of this explanation. We'll see what he has to say for himself.

I will try to explain with greater clarity.

I am prone to have ideas of "interactive watching" by people on TV, and
"interactive listening" by people on the radio; which means as I listen to
their programme, they are aware that I am listening (because my home is spied
on, and those doing the spying phone up the radio station and tell them that I
am listening to them), and they then interject nasty remarks in what they say.
This is what I believe may have happened on Friday night with GLR, and what I
was trying to explain in my article.

It's happened before with other radio stations, most worryingly when I am
listening quietly on my walkman as happened on Friday. This time, the
interjected words were "embarrassment" and "absolute obscene". The "absolute
obscene" referred to the abuse which is currently being directed at me.

I hope that's a little clearer.

But it is possible that those two sets of interjected words could have
validly referred to something else.

A couple of weeks ago I issued a summons against the BBC in my local county court, for the tort of private nuisance caused by the spying by their newsreaders on my home. My argument was that their spying had prevented me watching the news at home, and therefore interfered with my normal use of my home.

The BBC's Litigation Dept at White City have replied not with a defence, but with an application for my claim to be struck out because;

(a) it discloses no reasonable cause of action; and/or
(b) it is scandalous, frivolous or vexatious.

Their application will be heard next week. They have not made any affidavit in support of their application, nor have they given particulars as to why they consider my summons to be unarguable in law, which would be a necessary condition for there to be no reasonable cause of action.

I am more worried about point (b). Allegations are scandalous (says Stuart Sime's book) if they impute dishonesty against another party; which my allegations do, against the BBC's newsreaders. As for frivolous or vexatious, I think that will be up to me to make a good argument for the effect the BBC's spying has had on my life, and up to the district judge's opinion of my case.

Apparently seeking to have a claim struck out in this way is common practice when the plaintiff is a litigant-in-person. Even if it is struck out, there is always the opportunity to appeal. I think we could be in for a fight next week.

Congratulations. This is my first real flame for about a year.

I try to control my anger when I come across another uninformed
naive idiot on usenet, but sometimes it goes free. We've had Corley
for well over three years now, and his constant spams of various degrees
have killed a couple of usenet groups I really rather lied. uk.media,
to name but one. I gets my goat to read another useless fucker
thinking he is a harmless eccentric.

Mike is mentally ill. He is unwilling to deal with it. He seems to
think that uk.misc is some sort of forum that MI5 reads. And it
should be avenged. He's mailbombed a large quantity of people,
because they opposed his spamming.

1. He thinks MI5 watches him through his television
2. He thinks all references to mad people, refer to him
3. He thinks all people shouting, are shouting at him.
4. He's been diagnosed as mentally ill, just not a paranoid
schizophrenic.
5. He gives not a shit about any newsgroups he abuses.
6. He goes through quiet periods, then _very_ nasty periods.
7. All evidence of this great conspiracy is laughable, to say the
least.
8. He gives internet/usenet a bad name to the media. Including
mailbombing Chris Tarrant and faxing various celebrities.

I do not condescend to him. I actually know what he does, and has done
in the past, and am frankly not too respectful of him. He can be openly
referred to as "mad" because he is. Let's check my mailbox saves:

He hadn't seen the light at all. His level of spamming had got to
such outrageous proportions that we had to mount a concerted
attempt to get his account(s) closed. The reason for the lack of
spam lately is that Mike has been furiously swotting up on Law so
he can bring an action as a LIP against the BBC (all solicitors
having quite rightly and honourably declined to act for him). When
this course of action is exhausted without result, I confidently
predict that we will once again be the innocent victims of his ire
and the spamming will commence again.

> The reported FBI and Secret Service year-long investigation

I don't think any report mentioned FBI.

Any report of Secret Service was incorrect, never was arrested,
questioned and my Attorney was never contacted by either FBI or Secret
Service. This was a pure error on part of all media outlets.
This is a prove-able fact.

Reports of 'arrested' by Secret Service was done probably so the news
story was picked up by National Media outlets as the local police
investigator was fishing for a 'big fish'. Also Mr. Stern, you
failed to mention that media also reported that I stole over 1 million
dollars. If that were true then I would have made bail that very same
night.

> of your activities supported your arrest.
> Because you have preyed on the radio community,

Not one person listed on the court documents as a "victim" is nor
ever was a user of rec.radios... Not one "victim" had anything to do
with radios in any way.

> although I believe the good Judge has ordered
> you to stop all your Internet sales.

Again an incorrect statement. Read the court documents, they state
"tangible property by internet". Any and all current internet
activity has been approved by Judge Parsons.

And finally "it is ordered and adjudged that the adjudication of guilt is hereby withheld". A plea of guilty was never entered and there never was a trial.

> Better check that with your attorneys Simpson & Delgado.

Nearly everytime I have to sneeze I do check with my Attorney Mr. Delgado himself.

Again this has nothing to do with scanning but only to beat a dead horse to death.

The monitor of the CFLG group should have put a stop to this witch-hunt long ago before I contact Mr. Delgado regarding a civil law suit.

And I have been listening to and recording Capital, with no ill effect. All in all, I am being comprehensively ignored.

Of course, I should have video-taped the news programmes back in 1990/91/92 (and even 93) when it was still all going on. Anthony Johnsson (casually name-drop to stick the knife in) will tell you how intelligent a person I am, yet I didn't have the good sense to record the programmes at the time, and it's a bit late now.

Today another avenue of exploration closed when my second summons against the BBC was struck out (basically through lack of evidence), and an order was made by the district judge saying that I could not sue John Birt again without the express permission of the court. She explained that this was for my own good, to save me the summons fees. Costs were not awarded though (the BBC didn't even really seek costs), and I am free to sue anyone else I take a shine to.

Well, that didn't last very long, did it?

Capital Radio this evening approx 8.35pm, Neil Long's programme a few moments after I switched to it (I am listening to it as I type this). The following spouted from his mouth;

"want to see Jacko in town? what a gig it's going to be, that guy is amazing, and PSYCHOTIC, but amazing on stage, 0171-4200958, on stage he's a MADMAN but he's wonderful"

God, I am so tired of this. It's been going on for seven years. When's it going to stop?

I have the above extract on tape. When I get around to it I will post it, and the Hepworth snippet, as audio files on the website. Of course, all the doubting Thomases and Smids can carry on doubting, because the mere fact that moments after switching on the DJ starts talking about "psychotic", that's not proof is it?

I wrote an aggrieved letter to Chris Tarrant at Capital and sent it off today, copied to Richard Park, Group Director of Programmes. I suppose they'll just lie as usual. Bastards, basically.

No. I tried that strategy in 1990/91 when I sold my television and stopped listening to the radio. It didn't work because they got at me through co-workers and eventually the general public.

The solution is to gather evidence by recording everything, and then complain or sue if possible. I wish I'd recorded it all five or six years ago, then I might be more successful in a legal action now.

Did anyone else watch the X-Files on Sky last night (Sunday 13th April) and recognise Mike's symptons in the chap with the tattoo? It was quite interesting to see someone responding in precisely the same way, picking up on individual words and phrases in ordinary sentences and applying parts to themselves as though they were intended.

Not a pleasant ending though. You take care, Mike, and keep taking the medication. uk.misc just wouldn't be the same without you now.

Mike, how is it that you think that this can't be a coincidence because it happened 'moments' after you switched on the radio? Haven't you just told us that you haven't heard a thing for two weeks? Going two weeks watching TV & listening to the radio without a reference to 'mad', 'crazy' or 'loony' is quite an acheivement, especially given the trashy radio you seem to prefer.

I've just spent a lot of the weekend trying to keep a manic depressive under control, so that she doesn't have to go back into hospital and lose the last few months' memories to ECT. One thing I've noticed is that manic depressives almost seek to foster their fantasies, they enjoy the control and the high. You seem to be the same - you refuse to answer the points put to you that explain away what you call persecution totally - do you have the courage of your convictions to reply to this? Or do you enjoy the attention your illness brings you?

Do please tell the *truth*. It has been longer than *2* weeks as I'm sure

Well I claim responsibility for the absence of persecution. When I rang
John Major's personal private secretary, not the personal political one or
any of the others in the same office, and I said you would vote for the
Conservative Party at the General Election the secretary said Johnny would
be so happy and as a sign of gratitude he rang-up the Head of MI5 and told
them to save money for tax cuts by abandoning forthwith their campaign
against you. Consequently MI5 and MI6 have been able to redeploy urgently
needed resources (i.e. manpower and telecoms interceptions) against an
international band of (*****censored*****).

On behalf of the law-abiding and decent citizens in the British islands, I
would like to sincerely thank you for your invaluable contribution to
crime fighting by your instrumental achievement in releasing badly needed
and very scarce MI5 and MI6 resources.

Please don't forget it is National Election time and the news broadcasts
at 21:00 on BBC1 are preoccupied with British politics.

Any particular date in mind ? I have a few in the library. You can also

Perhaps it is for the best. Now that it is all over, you can return to
Canada. Did you manage to get your Canadian citizenship ? What did your
contracts at MI5 say about you becoming Canadian ? You never did mention
the name of your MI5 liaison officer nor of any of the others.

That's true. But as it is now all over there is no need to worry about
the past. MI5 said your file has been removed from the Registry and put
in a burn-bag so there is nothing left for anyone ever to find.

I have to admit that it is actually mildly amusing to have newsreaders watching you, although it is tiresome after a bit. I am currently in an interesting situation, because after my lawsuits against them I think the BBC newscasters have stopped watching me entirely; I also think that ITN, in particular John Suchet, *are* still watching but they're being subtle about it (his blink pattern followed mine).

Being called nasty words is quite horrible though, and seems gratuitous; what do they gain by it, except to exercise their sadism?

You better believe it. Tuesday's episode had one of its characters being
labelled as a "lunatic" with "something wrong with them". I changed channels
rapidly at this point, but in retrospect perhaps I should have carried on
watching and taped the program.

A few days ago I bought a video recorder (about time too) for evidence
gathering purposes. But strangely the TV news (both BBC and ITN) haven't
uttered a sound over the last few days. Almost as if they know they're being
taped...

And?

There are many characters in TV programmes who _are_ lunatics with
'something wrong with them'. Why do you think this alludes to you?

In the eponymous book, Cervantes' Don Quixote is described as 'crazy'
'mad' and 'lunatic'. Do you think this is a reference to yourself,
albeit written by a time-travelling 17th century Spaniard?

If you accept that the character of Don Quixote can be described thus
without it being a reference to you, what problem do you have with
Peak Practice? Or do you enjoy tilting at your own little windmills?

A friend's lodger has turned out to be paranoid schizophrenic. Her
obsessions are strikingly similar to yours, she is convinced that she
is being bugged, and that students at her college are making fun of
her for being foreign. She has been looking for the services of a

not about me at all.

But that is not to disclaim all the many "live incidents" that have happened.

Victor Lewis-Smith has broken the silence in his TV review column "Goon and best forgotten" in the Evening Standard (on Thursday 8/May). He said, "If I sound paranoid, that's probably because I once worked there. Eventually, I had to leave because they were all trying to kill me but, for sheer pathological hatred of the Corporation, I couldn't hold a candle to Spike Milligan".

I take this to be about me, because recently I wrote to both the BBC and Capital Radio, saying "I believe the current purpose of the harassment is to force me to kill myself to prevent the harassers, yourselves included, from being brought to justice, and last year there were several incidents of people shouting 'suicide' at me, which would appear to corroborate that view." I think VLS's words about the BBC "all trying to kill me" shows he has seen or heard of what I sent to the BBC or Capital.

Nasty eh? I believe that VLS or his mates read this newsgroup. I wonder how he would explain his article?

Erm, Mike, I'm a bit of a fan of Victor Lewis-Smith, ever since his days of "BuyGones". I must admit, he often likes to play the flawed lunatic evil nasty person. He's been doing it for years, with prank calls, far before your illness. Its his act. He wouldn't be VLS without it.

He doesn't like the "Goons" either. It isn't about you.

I don't think Victor Lewis-Smith has worked for the BBC (or Capital) for several years (1994 was the last time...), so the connection, is paranoia here.

Personally, I believe VLS as a person of reasonable integrity, who wouldn't give a fuck about you...

Not much changes. Today I was listening again to David Hepworth's show on GLR, having more or less waded in on it by accident. Here is the exchange;

David: "we have executive drivetime, we have Brian in charge of the prize cupboard. Brian it's not a bad prize cupboard this week is it?"

Brian: "no David it's an absolute (EMPHASIS) embarrassment (END-EMPHASIS) of prizes this evening" (laughter)

David: "what have we got?"

Brian: "well in my left hand alone we've got that .... Gary Clale, I don't know if you remember him obviously still alive and kicking...."

David: "Rock and roll spelling test is your first opportunity to take advantage of this embarrassment of prizes"

What do I read into this exchange? The laughter after the word "embarrassment" shows they're aware of the last complaint I made on usenet (copied by snail-mail to them). The "left hand" business is I think a coded way of calling me a w***er (the term would be better applied to Brian and David).

I have a tape of this exchange, and will eventually get around to posting it on the website.

I don't understand. Why has nobody replied to this post? You keep on asking for evidence, then I present you with something that looks very much like evidence, and everybody just ignores it. OK I haven't posted the actual sound extract, and it still isn't proof.

Overview

What all these snatches of video and audio, and newspaper articles, have in common is that none of them provide conclusive or very convincing
evidence of their being directed against me, or forming part of a campaign against me. Other people with my illness doubtless could produce similar
non-proof if they were minded to do so.

Good, now we've got the disclaimer out of the way, we can describe precisely what it is that is on display in this part of the site. In the video
section, we have Quicktime (MPEG-4) clips of Jon Snow of ITN in action, also interviews with Ken Clarke and John Major of the ousted Tory regime. These are
embedded in the page using QuickTime. While each audio/video clip is coded to automatically download the QuickTime player, you may find it helpful to
download QuickTime from Apple's website before you start viewing the media files.

Note that each item is awarded a rating of the confidence I feel that it is directed at me, expressed as a percentage. Items with 50% or
more are probably about me; 100% indicates a "dead cert".

In audio we have MP3 files of harassment at work in Canada in late 1996, also GLR's David Hepworth not even trying to pretend that he isn't getting
at me, and a snippet of Capital. There is also an album track which I have taken as being about me. The newspapers section contains articles by Bernard
Levin on his encounter with a madman who "bursts into tears, and swears it is all
true - and it is". Also a Private Eye cover, and snippet from Victor Lewis-Smith.

I have added several recordings of abuse "in public". By Sept/1998 I had seven minidiscs of such recordings, unfortunately containing mostly very
nasty sexual slanders which I will not be publishing on this website. The recordings were made on a Sony Minidisc Walkman MZ-R30, which I purchased
in Canada in July/1997, with ECM-T140 microphone. After both the MZ-R30 and the microphone reached the end of their lives, in June/2001 I purchased as
replacement my current recording gear, an MZ-R900 walkman with ECM-T145 microphone.

Share and Enjoy! I hope you enjoy partaking in my delusions which have been recorded with high fidelity digital equipment and presented for your
listening pleasure.

Ken Clarke (1), April 1997

Certainty level: 30%

The first of two video segments from the same program, this shows
Jon Snow interviewing Ken Clarke in April 1997, during the general
election campaign. The following exchange is heard;

Jon Snow: "You say we are booming in your posters, the bust's around the corner"

Ken Clarke: "You took that from three years ago, when I was being
advised to do all kinds of mad things to stimulate the economy,
and being told that I had to take desperate measures to get it going"

At this time I was watching television almost continuously at home,
with a video recorder whirring away, trying to obtain from the
newscasters a reaction which would give them away. I think this is an
instance where it happened. Ken Clarke first darts a glance straight at
the video camera (and perhaps at a monitor next to it showing my living
room), then comes out with "all kinds of mad things", while engaging in a
facial display involving raising of eyebrows and lowering of eyelids.
To me at the time, and also now, it looked as if he was selecting a
context into which he could drop the word "mad" as a directed insult against me.

Ken Clarke (2), April 1997

Certainty level: 30%

The second of two video segments from the same programme, this shows
Ken Clarke during the election campaign. He makes the following statement;

"we have a party, and we have a Cabinet which has produced a manifesto
consistent with our policy of the last five years;
people are challenging us on the basis there's been some monstrous
conspiracy between all the politicians to guide us we know not where,
we know where we're going, we wish to be a leading influence in the European Union"

It should be fairly obvious what I read into in the above sentences.
The "monstrous conspiracy between all the politicians" could of course
apply to the public perception of closer European integration, but
I took it as referring to the conspiracy of politicians and
media people against me. Again, facial expression comes into it; as Clarke
speaks of the "monstrous conspiracy" his eyebrows twitch and it is clear
that something or somebody is being made fun of.

Well, being it "supposedly" recharges cells in the radio - get yourself a set of rechargeables and see if it helps..... If nothing else, take it back to where you bought it for an exchange or refund.

Dimbleby / John Major, April 1997

Certainty level: 90%

Dimbleby interviews John Major during the election campaign. Here is
the exchange, regarding Neil Hamilton, the "sleazy" Tory candidate;

Dimbleby: "It's a direct quotation from what he said to Sir Gordon Downey
and what he said to his local newspaper, the Knutsford Guardian".
Major: "Well, heaven forfend that I should doubt what the Knutsford
Guardian actually said"
Dimbleby: "Well I should hope so"
Major: "Absolutely, it would be quite unforgivable to doubt the
Knutsford Guardian"

What I find in this segment is an assonance between "Knutsford" and "Nut"
or "Nuts". I think Dimbleby deliberately invents the play on words,
and says it clearly enough for Major to pick it up and repeat it.
You can gauge Dimbleby's intent from his facial expression of false
honesty when he uses the words "Knutsford Guardian"; and Major's reaction
follows from his recognition of Dimbleby's intent; Major smiles and says
it would be "unforgivable to doubt the Knutsford Guardian".
These are much clearer on the original video than on this Quicktime clip.

Channel Four TV News - 12/Feb/1999

Certainty level: 100%

I am positively, utterly, completely sure this item is about me. It's a bit subtle so the objective reader might not understand my certainty. Here is what happened. I was watching Channel Four News with Jon Snow, on the day Clinton "got off" (as it were) in the Monica-gate scandal. Snow said;

"[and we're anticipating that the President himself will make his] first comments after the trial in which he has now been cleared at around half-past seven. So we'll have more on the historic judgment, we'll also be considering [starts smiling] the winners and losers in this whole sorry saga. Now further doubts have been...."

When Snow said "half-past seven", I looked at the clock on the mantelpiece above the TV. Snow saw my glance, and in reaction to my glance at the clock, smiled. I think he was smiling at what he perceived as my self-importance.

Usually when newscasters or radio presenters laugh at me, there is an excuse for their laughter; usually they manage to find some reason for my being "funny"; their amusement is blamed on me; it is my "fault" they are laughing. And so it was with this instance; Jon Snow thought it was funny that I should be so interested in seeing Clinton, and his half-smile while reading the words "winners and losers" expresses that.

I wrote to Snow at ITN shortly after this broadcast to ask him about his behaviour; of course, he didn't reply.

Hi, I am looking for some advice, if anyone can help me, I would be very grateful. I used to do a bit of scanning going back about 10 years ago and now want to get back into it.
I have been advised that iCom produce very good quality receivers, and having looked at them, they are in my price range (I havent won the lottery yet) the two I was looking at are both PC controlled, they are the IC-PCR1500 and the IC-PCR2500. If anyone can tell me anything of their experience with either of both of these sets, I would love to hear from you. I would also like to hear if you can tell me which one would be a better buy. I dont want to pay more for bells and whistles that nobody ever uses. Thank you in advance, I look forward very much to your replies.

From what I understand they are nice scanners, a friend of mine had one and
he seemed to like it.
However if you need trunking or digital reception (APCO25), these scanners
will not do either.
You'd need to get a Uniden,Radio Shack, or the new GRE scanners.

Good luck.

Anyone have fire tone outs for: Santa Rosa, Escambia, and Okaloosa Counties Florida? I have just purchased a Uniden BC330T (100 KHz - 1.3 GHz -Minus Cellular) it is an awesome scanner "I mean receiver", I just didn't have the little extra to spring for the other model with APCO-25, but heck, FHP is digital anyway, not much voice on their system even if you can get it decoded, so I am happy with the BC330T. I love the fire tone out feature, it allows you to program up to 10 1+1, plectron, etc tones, so you can skip the stuff you don't want to hear, just the local stations you want to hear, the squelch opens on tone out!
So if anyone has or knows where to obtain the tones for the areas listed above, PLEASE post or email me. I am in a Search and Rescue Squad, and I only have our tones A-569.1 Hz and B-339.6 Hz on 159.150 MHz -Escambia County, FL (though rarely or almost never used since we went to 1200 bps pocsag 3 years ago, but we only have so many alpha pagers, and the members that actually show up get those first, then the 'strays' get the older voice pagers).

Thanks in advance,

That's the problem with building some kits... to troubleshoot them yourself, you may need equipment that many hobbyists aren't likely to have (e.g., an RF signal generator in this case), yet a company probably really does need to charge you at least $50/hour to have a tech sit down and troubleshoot something that didn't work.

What your friend should do is sit down and spend, e.g., half an hour of his own time going through and verifying all the components were inserted correctly and all the solder joints look good. If that doesn't help, he can probably still sell the kit on eBay for, say, $10 or more -- some people enjoy the challenge of fixing dead boards.

I remember the days when those offering kits could only expect a kit builder to have a multimeter and not even an oscilloscope -- some kits included quite clever internal circuitry to help one align or fine tune their settings.

I cannot grab the icon images from the pdf file but if you see nothing
on your dispaly that looks like a speaker or says NOAA the radio is
off as per #4 below.

Hope this helps. :)

OWNERï¿½S MANUAL FOR THE 74-250
http://www.midlandradio.com Page 10 of 15

LISTENING TO WEATHER BROADCASTS

These icons indicate the receiving mode. To change modes, press and hold the SNOOZE/FUNC button until the desired mode is showing.

1.This icon indicates that weather alerts will only display and not sound.

2.This icon indicates the weather receive is in voice listening mode.

3.This icon without 1 or 2 indicates normal alert monitoring mode.

4.When no icons are displayed, the radio is off. Only time and temperature is active.

:) It bothered me to read he felt so discouraged. I always find folks here very helpful. I'm never sure of the proper way to handle a question if you don't know the answer. Is everyone to chime in saying, " Can't help, don't know." ? I've read such threads and more often than not the OP responds with a less than polite comment to "shut it" if you don't know the answer. Anyway, hope he'll enjoy the radio now he knows how to shut it off.

Way back when in the stone age of CB radio I had a set of Midland handheld tranceivers and they were very good. Cost my Dad a heap of cash back then because they had a 3 mile range! Wow! :) Wish I still had them but like loads of other things from that era, Barbie dolls, etc... they were sold at a yard sale when I outgrew them.

Regards, Sarah

I didn't see his initial post for the assistance - to start with. When seeing the one of not getting any replies, I figured I'd "try" to offer "some" sort of help. Not being familiar with the unit, the help was basic at best. It doesn't matter if an answer is the right one - no one answer always falls into that category. The fact is, you "offer" to help in however you can. It is up to the poster to accept it or reject it - try it or not. If he - owning the unit - knows full well a suggestion can't work or has already been tried, then move on to the next.

You managed to get what appears to be the best of help to him - so the credit goes to you.

Yeah, I know what you mean about the radios and so on. My dad bought us a set of walkie talkies - 3 channel jobs - and at that time - my parents were coerced into CB by some aunts and uncles. I had already had a knack for electronics, tearing things apart - etc. Well, that first set of walkie talkies - combined with the CB thingy going - was my opening. I wasn't satisfied with the range - so I started experimenting and finding my work - to be making some progress - though I was still dumb as a stump when it come to electronics. So - I then went and bought a bunch of books from money from cutting grass and doing all sorts of errands, chores, etc. Started learning on my own - til I got into High School - for a "formal" shop class - and went on from there. I wish I still had those walkie talkies for sentimental

reasons alone.

Sarah, not trying to pick a fight but the "off" mentioned in the PDF
isn't OFF.

I mean OFF as in , nothing displayed, no options available.. If I
suspect the "new off" for this generation is some pseudo off ?

p.s. Before I posted that question I had downloaded the PDF you speak

Not being a smart ass at all! Let's see if I can redefine my words.

If someone offers help - of whatever nature it may be - the poster asking for the help - in this case - you, has the option to accept those tips/hints etc - and try them to see which of them might work and hopefully one will. OR you can reject the idea - maybe because you already tried it/them. OR in one case - I had mentioned what would have been an outlandish idea - of placing an on/off switch on the unit, to which you would have had to drill a hole - thereby making the unit no longer "waterproof" as it is supposed to be now. So - in this instance - you could have said - SCREW THAT..... And I wouldn't have blamed you. It "was" an idea - albeit not a popular one. Not all ideas are feasible. I offered the <hole and switch> idea "before" reading the radio was/is supposedly "waterproof". Me, I could care less - if I wanted that radio and it had no way to turn it off, then a switch would be in there ASAP - I can promise that.

I think you might be right - some things don't get "completely" shut down - anymore. That really could suck up some batteries.

*** Welcome to rec.radio.info! ***

Welcome to rec.radio.info, a group that aims to provide a noise-free
source of information and news for the entire rec.radio hierarchy.

Two introductory articles about rec.radio.info are posted to the group
every month. You are now reading the first article, which explains what
rec.radio.info is, and answers some Frequently Asked Questions. The
second article is titled Posting Guidelines, and you only need to read
it if you want to submit an article to rec.radio.info.

You can skip to the next section of this article by searching for the
next
" -- " string. The sections available are:
- What is the purpose of rec.radio.info?
- Why are messages almost always cross posted to rec.radio.info?
- What is a 'follow-up', and what does 'moderated' mean?
- OK, so now I know what 'moderated' means. Tell me more.
- What type of material is considered inappropriate?
- I do not have access to news, how can I get the information posted to
rec.radio.info?
- Will the material appearing in rec.radio.info be archived somewhere?
- I have a regular posting with timely information, is there a way to
speed up it's delivery, or automate for more convenience?

-- What is the purpose of rec.radio.info?

The purpose or charter of rec.radio.info is to provide the Usenet
community with a resource for information, news, and facts about any and
all things radio.

All the other rec.radio groups are intended for discussions and general
chit chat about radio. Rec.radio.info will contain informational,
factual articles only. Follow-ups are redirected to an appropriate other
group, and further discussion (if any) will not take place in
rec.radio.info.

In order to ensure that rec.radio.info contains only appropriate
articles, it was decided to create the group as a moderated newsgroup.
```

-- Why are messages almost always cross posted to rec.radio.info?

It provides a "tag" for each article to be assembled into a filtered presentation in rec.radio.info (even with cross-posting, only one message, with a unique Message-ID, is propagated across the net). This tag also facilitates a pre-existing method of dropping or canceling the articles locally within the discussion groups if you don't want to see them. This accommodates individuals who want to separate the bulletins from the discussions, discussions from the bulletins, as well as those who are adamant about not reading another newsgroup and wanted to see everything all in one basket.

With the total size of Usenet (in number of newsgroups and total traffic) doubling every year or so, this is no insignificant contribution to reducing information noise and chaos. Making the discussion groups a catch-all, and making extra newsgroups filters on that catch-all, is also the most realistic way to implement such a scheme (It's not intuitively obvious what the charter, contents, and general appropriate topics for each and every newsgroup are. Seeing FAQ's and charter/intro postings in the home newsgroup is beneficial for new readers).

By cross-posting one only is adding a few tens of bytes to each bulletin (to specify the extra group on the Newsgroups line), but are adding the capability for very powerful filtering features available on most news servers, listservers and readers. Your local news guru could probably explain these features in more detail.

In rn, for example, according to Leanne Phillips in her rn kill-file FAQ, add a line of the form:

/Newsgroups:.*[,]rec\.radio\.info/h:j

either in ~/News/KILL (if you don't want to see rec.radio.info articles anywhere) or ~/News/rec/radio/amateur/misc/KILL (if you don't want to see them just in rec.radio.amateur.misc). The latter method means your kill file will only be consulted during rec.radio.amateur.misc (and hence runs more efficiently), and will probably work for most people.

In nn, according to Bill Wohler in his nn FAQ, add a line of the form:

rec.radio.info:!s/:^

in ~/.nn/kill (if you don't want to see rec.radio.info articles anywhere), or put the following lines:

sequence
rec.radio.info
rec.radio.

at the end of ~/.nn/init in order to see all the rec.radio.info bulletins first, then read the remaining rec.radio.* without the bulletins.

More information about kill files may be obtained from Dave Fawthrop's Killfile FAQ at:

http://www.hyphenologist.co.uk/killfile/

-- What is a 'follow-up', and what does 'moderated' mean?

If you are new to Usenet and are not familiar with the terminology, you might want to read the general introductory articles found in the newsgroup news.announce.newusers. Doing so will make your life on the net much easier, and will probably save you from making silly beginner's mistakes.

If you think that at this moment you are reading an echo, a conference, or a bulletin board, I'd also strongly suggest a trip over to news.announce.newusers.

For the rest of this article, we will assume you have a basic knowledge of Usenet terminology and mechanics.

A moderated group means that any article that needs to be posted to the group has to be accepted by the moderator of the group. Since we need to ensure that followups to an article (discussion) do not show up in the rec.radio.info newsgroup, the `Followup-To:' header line contains a newsgroup that is appropriate for discussions about the specific article.

-- OK, so now I know what 'moderated' means. Tell me more.

Rec.radio.info is a moderated newsgroup, which means that all articles submitted to the group will have to be approved by the moderator first.

The current moderator of the group is the rec.radio.amateur.moderated Moderation Team. Submissions to rec.radio.info can be posted, or e-mailed to:

rec-radio-info@panix.com

Comments, criticisms, suggestions or questions about the group can be e-mailed to:

rec-radio-info-request@panix.com

But before you do so, please be sure to check out the "Posting Guidelines" article.

The influence of the moderator should be minimal and of an administrative nature, consisting chiefly of weeding out obviously inappropriate articles, while making sure correct headers etc. are used for the appropriate ones.

-- What type of material is considered inappropriate?

There are three broad categories of articles which will be rejected by the moderator:

1) Requests for information: rec.radio.info is strictly a one-way street. We receive information in our mailbox; we then post it to

rec.radio.info. Requests for specific information belong in the normal discussion newsgroups. If your request gets answered, you might consider passing the answer on to rec.radio.info, though. Especially if you can edit it into a informational, rather than a discussion, format.

2) Obvious discussion articles, or articles that appear unsubstantiated.

3) Commercial stuff: a relatively unbiased test of a radio product would be accepted, but any hint of for-profit might be reason for rejection. For three reasons: This is not the purpose of the list, for-profit is a controversial topic, and this list may be passed onto Amateur Packet Radio (where for-profit is prohibited except under certain provisos).

rec.radio.swap may be more deserving of the posting in any matter.

Similarly, copyrighted material generally cannot be used. If it's TRULY worthwhile to the net, We would recommend obtaining permission from the copyright holder. Please note the source, and if permission was given. We reserve the right to make the final decision concerning appropriateness in all situations. In most cases, a brief summary of, or pointer to, the copyrighted information may be all we can allow.

-- I do not have access to news, how can I get the information posted to rec.radio.info?

Google has an excellent web interface to Usenet newsgroups. It is available at:

http://groups.google.com

It supports both reading and posting.

-- Will the material appearing in rec.radio.info be archived somewhere?

Yes. See Google Groups above.

Effectively this means that anything you post to rec.radio.info will be permanently stored, so your work will not be lost.

-- I have a regular posting with timely information, is there a way to speed up it's delivery, or automate for more convenience?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as time critical.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires co-operation and goodwill

to be beneficial to the community in the rec.radio hierarchy.

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

*** rec.radio.info - Posting Guidelines and Etiquette ***

Two introductory articles about rec.radio.info are posted to this group
and to rec.answers/news.answers every month. You are now reading the
second article, which explains how to submit something to
rec.radio.info, and which answers some Frequently Asked Questions about
the submission process. The first article is titled "Welcome to
rec.radio.info", and it might be a good idea to check it out as well.

-- How do I submit something to rec.radio.info?

Two possibilities. You can use your newsreading software to just post
the article to rec.radio.info, as you would do with any other
newsgroup. The difference is that the software recognizes the special
status of rec.radio.info as a moderated group, and will e-mail your
article to us, the moderation team, instead of posting it to the group.

Alternatively, you can mail your article directly to us at the following
address:

rec-radio-info@panix.com

Mailing us directly is probably (a wee bit) faster, but using the
transparency offered by the newsreading software is probably more
convenient.

If you have any questions, or wish to deal with some administrivia with
the moderation team, we suggest mailing to the following address:

rec-radio-info-request@panix.com

-- How soon will I see my article appear?

It depends on how busy we are. Your article reaches us as mail, we have
to read it first, give it the stamp of approval, and finally send it on
to the group. We will attempt to read and decide on all submissions
within 72 hours at the very least, though we will probably be able to
process submissions much faster in actual practice.

The site from which we moderate this newsgroup, "Public Access Internet
and Unix, NYC" (Panix), is directly connected to the Internet, and
```

articles posted at that site should appear at most major news sites, including Google Groups, the same day. The principal delay, therefore, will be the wait in the moderator's submission queue.

If you post a periodic article, and have shown to be trustworthy, we may allow you to post directly if the article is of a timely nature. See the section below on direct posting.

-- Should my article be in a specific format?

No. If it is not totally illegible, we will accept it, and if it does not have a correct subject-line we will correct it with your permission -- that's what a moderator is for.

However.

You could do us a big favor by making sure your article conforms to these simple requirements:

1) The article must present information, not discussion or requests, We will reject the article or require you to change the wording if it is worth it.
2) A good, descriptive Subject line.
3) Always mention what source you got the information from.
4) Don't forget to include a Followup-To header, at least if you don't want further discussion to automatically be forwarded to you, the poster, which is the default if the article is only posted to rec.radio.info.

As we said: if your article is appropriate we will post it even if you don't follow these guidelines, but then don't blame us for not processing it immediately. 'Perfect' articles we can send on with a couple of keystrokes. Stuff that needs minor editing is going to have to wait until we have time to do so.

Please do not waste both our and your time by posting requests, as this is an information only news group.

-- What about crossposting?

If you send something to rec.radio.info, just name any group you'd like to cross-post to in the Newsgroups field. Then, when we approve the article for rec.radio.info it will get automatically cross-posted to any other groups mentioned. This will also override the default Followup-To: poster, replacing it with the groups you cross posted to.

We would prefer if the group be cross-posted to the various discussion groups in the rec.radio.* hierarchy that are appropriate:

rec.radio.amateur.misc Amateur (ham) radio and related matters
rec.radio.amateur.packet Amateur Packet Radio discussions
rec.radio.amateur.policy Amateur Radio practices, rules, etc.
rec.radio.noncomm Non commercial radio discussions
rec.radio.shortwave International broadcasting on the 'HF' bands

rec.radio.cb Citizens Band (27 MHz) discussion
rec.radio.scanner Scanner discussions (unsupported group)

or in one of the moderated groups:

rec.radio.amateur.moderated Amateur radio practices, rules, etc.
rec.radio.broadcasting Discussion of *domestic* radio broadcasting

We will leave it up to the poster to decide which group(s) are appropriate, but reserve the right to add groups if we feel it has broader interest. We will consult with the poster first.

Notes on crossposting:

- rec.radio.broadcasting is also a moderated group. The rec.radio.broadcasting moderator prefers to review all articles himself before posting. Placing rec.radio.broadcasting before rec.radio.info on the Newsgroups line should accomplish this. We will typically abide by the rec.radio.broadcasting moderator's decision whether the article is appropriate for rec.radio.info.

- rec.radio.amateur.moderated is also a moderated group. As the rec.radio.amateur.moderated Moderation Team manages both rec.radio.amateur.moderated and rec.radio.info, we can manage crossposting and approvals for both newsgroups. The rec.radio.amateur.moderated group does not allow crossposting to other discussion newsgroups, whether moderated or unmoderated. However, we would like to manage rec.radio.info as consistently as possible with how it was done by previous moderators, including the grandfathering of existing regular postings. Therefore, the submitter can choose rec.radio.amateur.moderated or the other unmoderated rec.radio.amateur.* discussion newsgroups for crossposting, but not both.

- Any FAQ or informational posting approved by the rec.answers/news.answers moderation team that is also crossposted to any rec.radio.* newsgroup (besides just rec.radio.info) is also automatically pre-approved for rec.radio.info. See below for more information.

If you post to another moderated group, it may be better to make special arrangements with both moderators before posting by contacting us at our administrivia addresses.

In addition, cross-posts do not take up extra space; modern newsreaders can be configured to show you cross-posted articles only once anyway; not everybody reads rec.radio.info; and rec.radio.info was never meant to reduce the volume of the regular discussion newsgroups. But keep in mind that some of the mail gateways may filter out the informational postings (at request of the subscribers) to keep the load down.

You decide.

-- I have a regular posting with timely information, can I make arrangements to help speed up delivery by posting directly from my site?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as timely.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires cooperation and good will to be beneficial to the community in the rec.radio.* hierarchy.

If you are currently maintaining (or plan to maintain) a radio-related periodic information posting, you may wish to consider crossposting it to rec.answers/news.answers. Postings that are approved by the rec.answers/news.answers moderators for this treatment are automatically pre-approved for crossposting to rec.radio.info (as the news.answers requirements are far more rigorous than the requirements this newsgroup ever plans to use). For more information about this option, consult the appropriate information articles and posting guidelines in rec.answers/news.answers.

Realize also, that even if your post is not approved for rec.answers/news.answers, it can still be approved for rec.radio.info. The intention is not so much to get every last bit of radio-related information on rec.answers/news.answers, but rather to provide an alternative avenue of approval (as well as grandfather existing maintainers of radio-related information and spare them additional bureaucratic hurdles). Again, crossposting to either rec.radio.info or rec.answers/news.answers, both, or neither, is at the discretion of the poster (subject to the approval of the moderators). You decide what is most appropriate for your article.

Please remember that as an information maintainer, you are not alone. There are many others on the net who maintain and post periodic information postings, using various intermediate-to-advanced features of Usenet (usually via automated tools). Various degrees of technical support and general hand-holding are available from many Usenet veterans. Send us some E-mail describing your needs to our administrative address below, and we'll try to help, or at least refer you to the right knowledgeable individual(s).

-- And Follow-ups?

If the only newsgroup you have specified is rec.radio.info, then the Followup-To: field will always be set to poster. If you do not want this, you must supply a Followup-To line of your own, and we will honor that one, as long as it is a subset of the original Newsgroups line.

If you specify newsgroups to cross-post to, then the Followup-To field will be set to include all the cross-posted groups, excepting rec.radio.info itself. Again, if you do not wish this behavior, supply your own Followup-To line.

We maintain other standards on the various RFC-1036 (news transport) header lines. For example, if the article is appropriate for passing into the Packet Radio Information Network, we encapsulate the Packet Bulletin Identifier (BID) in the Message-ID: news header line indicating the machine of origin as the ampr.org domain:

Message-ID: <$opa.55.1994@ampr.org>

where the Packet Radio BID, in this example, is `$OPA.55', and it was posted in the year 1994, because some of the Bid numbers are cycled yearly. Hopefully, this can be used as a key to re-introduce the articles for the Packet Radio network. Also, if the article is a repost of an already existing information article in the rec.radio heirarchy, we ensure that the References: header line is linked to that previously posted article. This also helps to tag articles, and may be used for additional filtering if needed.

Since the articles are archived, please use the Summary and Keywords header lines to help one search for your article.

-- Why have I received no reply from you?

We never reject anything in silence, and we make a point of it to answer all our mail. However, E-mail, like a brain cell, can and does get lost, every now and again.

So, if you send us something, and you don't see it appear it rec.radio.info, and you still have not heard from us in reply after say, five days, you can be pretty sure that either your mail never reached us, or that our answer has never reached you. In that case, please try again (We will filter out duplicates).

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

Ah, you are an expert compared to my experiences! I share your curiosity on how things work but have never done any practical experimentation. My one claim to fame was I tutored a friend for her Tech class license and she Aced the test! I'm not an Amateur Radio operator myself but I got through university so she figured I could help her cram for the test. This friend later volunteered to go to NYC after 9/11 and she helped provide communications for the firefighters and rescue workers at ground zero. She was assigned to a firehouse and ran her " shack" from there.

It's as OFF as you're going to get.

I know what you mean, but I can't magically make the radio do
something it's obviously not designed to do.

My advice? Buy Ni-Mh rechargable batteries and charger from Radio
Shack [I have # 23-1302 which has 4 AA's and it cost me $21] .
The charger is free when you buy the batteries and will recharge the
Ni-Mh's in 2 hours. I get almost 10 hrs of continuous use on a charge
in my Pro 96 scanner radio.

And yes I know your Midland has a supplied "charge jack" for
rechargable batteries but I'd recommend the RS batteries and charger
and would recommend you use the charger from RS. If it's necessary
to have the radio operational for the 2 hr recharging time get
yourself a couple of disposable AA batteries or keep 2 of the Ni-Mh's
charged at all times.

You're welcome. :)

It's pretty dry and composed of mostly one-way mesages. The biggest
problem is the complete lack of organization. It's just a date
sequenced dump of tens of thousands of single messages with no
structure. It has the potential to be useful if the moderators would
organize the information by subject.

Well now - there is something you can be proud of. Indirectly - you were helping those in need. There is no code - anymore - so that is one less hurdle - should you desire "to" go for your license. If you helped her cram for one - I'm sure you must remember some things from the question pool. Ask your friend as a return favor - to help you - then you two can converse via many more modes than just phone, cell phone or computer. You two can grow together in the hobby.

Honey, "I" am "far" from an expert. Anyone who thinks they are - is dead in the water - there is "always" something to learn. You have to go into this stuff with an open mind as much is based on theories and at that - some of

those were done in "labs" - and can be tested outside the lab.

If you decide to get into the Hobby, I wish you the best of luck - maybe one day we can talk on the H.F. Bands.

Whatever "I" can answer - I will. I'm sure if you read many posts - you see varying opinions as to results and so on - so - that is why I say - keep an open mind.

Take care,

Lou

I have one, didnt build it.
Never measured the specs but I know I can hear AC a hundred miles away.
There is no front end on the thing and its subject to image problems and

Which "this" are you referring to. The rec.radio.shortwave,
rec.radio.scanner or that other forum that is essentially a date-based
dump of single message postings.

> A total mish mash of postings that sometimes helps others of like interests.

Which "A" are you referring to.

> It is, and has been useful to many seeking help and knowledge about radios.

Which "it" are you talking about. If you are referring to the info
group any information posted there would be of use for only a very
short period of time because there is no organization or structure to
the messages. Under rec.radio-shortwave messages are posted under
topics. The info board should adopt that structure to correct the
chaotic structure.

The administrators of rec.radio.info are adept at creating overly-long
lists of behaviour rules, standards for editing message content and
levels of review. They are woefully short on presenting those fully
sanitized messages in any useful order however.

> If this does not serve your needs, then go elsewhere.

Again, which "this" are you referring to. When cross posting you
have to give a point of reference to a, this, that and it.

029047 <-- Are you suppose to Begin the code with the Zero?

Is it suppose to be 6 digits and if no number starts the 2nd of 6 digits, you're suppose to add a zero to the front?

A county for example is 21099 as listed with NWS, am I suppose to add a zero to the front, making it 021099???

I set the radio up this way and did not receive the test signal weekly. NWS guy told me Wednesdays 10am-noon was the time, it never happened.
I'm quite concerned that this radio does not seem to currently have the ability to alert me to even a TEST signal..

It's Midland Model #74-250
Here's the Manual for it>

I'm wondering if your area NWS transmitter is "yet" - fixed up for such transmissions. IF that radio operates (I don't know the unit) - like a "PL" system, it "should" cut out all transmissions if a code - especially the wrong one - is entered. The code - would block all transmissions "unless" a sub audible tone is sent to open the receiver - "or" a tone sent ahead of a message to open the receiver - depending on it's circuitry - that the radio is waiting to get. The NWS was going ahead with placing County codes in for each county so that an alert tone for a specific county could be sent - rather than a "broad" alert - but the question is, is "all" of those offices so equipped as yet? Example.... if the radio is on a PL of 151.4 hz, and you have the radio set to pl (some radios can have pl turned off/set - manually) - unless that receiver sees 151.4 Hz - either in front of the message (alert tone) "or" subaudibly during the message - the receiver will act dead. This "may" not be the "exact" way the radio is set up - but it is probably as close as I can get to telling you how it "may" be behaving - based on your issues and the manual - not knowing the radio due to lack of ownership or schematic.

The manual gives a statement of: "and the "0" indicates the subdivision of the county. In this case and most cases the code will have a zero for the first digit, indicating that no subdivision is in use."

Therefore - YOU will have to find someone who knows if there is in fact a subdivision or not. IF there is - then the "0" - would appear to be inaccurate - and may need removed. OR experiment with it on "Wednesdays" til you get it right. Yeah, it can be a pain. If you have no way to reproduce the signal, it could be a bitch to get it right. There "is" a Phone number AND internet address which "reportedly" have information on your particular codes needed - listed in the manual

Are you sure you have the "correct" NWS freq installed? If not, no matter what "code" you have in - you won't get anything.

It also says "When no icons are displayed, the radio is off. Only time and temperature is active." Therefore - there will still be "minmal" current drain from your batteries. I do suggest buying the NiMh batteries and charging them. You'll pay a bit - but save money as well - in disposables.

I'm not trying to be smart by saying this, but it would be a help if you go back through the manual and "READ" it - play with buttons, change settings to get used to them and then set it as you wish - to familiarize yourself completely with the radio. Once you get to know the radio better- maybe you can better figure out what the issue is you are having. Not having one in hand - those of us trying to help - are sort of helpless.

This is about all I can offer - if you keep having issues, try contacting Midland - http://www.midlandradio.com/ they have a "Contact us" button there.

I think I'm out of help for you at this stage. Good luck.

This is the only response I will make to this posting.

Mr. Stern once again is dreadfully wrong.

Mr. Stern claims I was arrested by the Feds. I was never arrested by
the feds.

I sure hope Mr. Stern has done more fact checking regarding his
frequency lists than he has during this character Assignation. But we
all know Mr. Stern has badgered me for years. And still to this date
I have no clue as to why.....

There is a "statement" I quoted from your manual - which defines when or
not - the "0" is to be used..... Reread that section and look to the
charts avaolable for your area's codes.

I don't understand why this guy still hangs around.

Don't forget, he pled NO CONTEST to a 3rd Degree Felony, ORGANIZED SCHEME TO DEFRAUD.
It isn't an admission of guilt, but he is saying "YOU HAD SO MUCH EVIDENCE ON ME THAT I CAN"T CONTEST IT".
The courts view it as an admission of guilt and judge it accordingly.

He is on 3 years of probation with very specific rules he must follow.
If he breaks one of the them, he goes back to jail.
He was streaching the truth about sneezing and having to tell the judge.
The real truth is if he FARTS the judge must be informed.

I still believe that his websites are close to being outside his probation order and are on a very fine line. Web searches still will pull up pages on Licensed4Fun.CON. and SLOTmachineSCAM.4me
Although none of the pay links work, all it takes is a setup to one of his many aliases and he back in business.

All of us should never forget to check them now and then and make sure they don't work.
If they do, print copies of the payment links on the website. Be sure the web address and date is in the Footer of the document.

Mail them certified to:
Probation Officer for old GeorgeF
1023 Mason Avenue
Daytona Beach, Florida 32117

Put out on this group your intent and I am sure a few us of us will be glad to provide you with his SS#, Instrument and Case number his probation was filed under.

A few of us might deliver it personally.
Any one ever find out what he is doing for work????

That would be 'assassination', George. An 'assignation' is what you had with
Bubba whilst you were in jail.

I'm not an expert on this topic, but I'll take a stab at answering the question for you. I can't guarantee that this information is correct or up-to-date...

Assuming you have subscribed to the PPV event, the only way I know to get the audio is to connect the cable to the antenna input on the receiver and tune in the audio carrier frequency for the PPV channel. I don't know how easy it will be to find out which channel is used, but you can search for it using a frequency table such as this one: http://www.jneuhaus.com/fccindex/cablech.html. I think the audio carrier is generally located at 4.5 MHz above the video carrier frequency using wideband FM mode. The carrier frequencies and channels used will depend on your cable system.

If you're trying to get the PPV audio without subscribing to the event--it will depend on whether your system broadcasts it in scrambled analog form regardless of whether you've subscribed to it or not (possibly), or whether the stream is blocked altogether using a digital system (most likely not possible).

Some of us have information that might have been of interest to the
Judge who heard Fetter's case. I wish I had contacted the Judge's
office, but I did not find out the Judge's name in time.

According to the Volusia County Jail booking list:
WS680882 (booking #)
M/W (male white)
011665 (date of birth)
CRC0636151CFAES (Volusia Co Circuit Court Criminal Case #)
FETTER,GEORGE W
HHPD/JABH/PROW
WK: 1 (1st week in custody)
*ALIAS: BROWN,DAVID
JDG: PARSONS,WILLIAM A (judge handling the case)
0000000.00 (no bond)
80 JENNIFER CIR
PONCE INLET FL 32127

So when George pulls some more frauds, we might want to contact the
judge in addition to contacting the Probation Officer, as you
rightfully suggest. We might want to drop a line to Judge William A
Parsons at the Volusia County Circuit Court. Address should be easily
attained.

Chris Tarrant - 10/March/1999

Certainty level: 25%

This one might be aimed at me, or it might be tinged with a whiff of intent, although I only give one chance in four for Tarrant's thoughts being aimed
at me when he said this. During his "Who wants to be a Millionaire" TV show in March 1999, he said;

if you're watching the show jumping up and down screaming at the telly,
remember you could be here. You can either seek professional help or call us...

The background is as follows. In early March I'd sent a quantity of emails to Capital FM, the London radio station where Mr Tarrant has his breakfast
show. They were addressed to the email account which Mr Tarrant used to read emails posted on Capital's website. Capital objected to the quantity
of emails - in fact, they contacted the Metropolitan Police's Computer Crime unit, who, in turn, "felt my collar" by giving me a verbal warning
over the phone to cease this behaviour.

The emails contained the words which I had heard Mr Tarrant speak in early 1994, namely;

"You know this bloke? He says we're trying to kill him.
We should be done for attempted manslaughter".

At the time of writing (May 1999), the Police have not told me what aspect of the emails was "illegal", nor despite my repeated urging have they
questioned Mr Tarrant about his remarks from 1994.

Regarding the clip from Tarrant's show above. The Police spoke to me on the afternoon of Wednesday 10 March 1999. Tarrant's live show went out
that same evening. The Police have told me that after speaking to me they told Capital FM that they'd spoken to me regarding the emails. So Tarrant
would have known by the time of the show who'd sent the emails and why.... and it's quite possible that his remarks about "seeking professional help"
were aimed at me personally following my attempts to persuade him to own up to his 1994 remarks.

Nicholas Witchell - 10/April/1999

Certainty level: 100%

This clip is of Nicholas Witchell reading the BBC2 evening news at 7pm on Saturday 10 April 1999. You have to understand that the psychopaths of
the Security Service consider their abuse of me to be "so funny"; and central to their persecution of me is their inducement of their "bought
journalists" like the BBC's Nicholas Witchell to laugh at me on television.

So in this clip we see Witchell smirking and grinning while he reads the news. Only part of the news broadcast is shown in the clip; preceding it,
Witchell's upper lip quivers in mirth for several minutes, until his entire mouth twists into the uncontrollable smile shown in this clip,
through the excuse of a weak non-joke about sports fixtures.

"England expects every man to do his duty"

Certainty level: 90%

This video clip portrays a fairly-certain case of unpleasant MI5 harassment; because of context, surrounding events,
not just this one happening. It's the first time an MI5 agent has been caught on video, and, presumably to their chagrin,
their paid agent is either engaging in an onanistic practice, or, more probably, pretending to do so, in order to
carry out an act of harassment.

The background is as follows. In late June 2000 I had posted the following message to Usenet, about MI5's making
obscene noises at me on several recent occasions;

>From: bu765@torfree.net (Mike Corley)
>Subject: relax, don't do it (mi5 again)
>Date: 22 Jun 2000 00:00:00 GMT
>
>you will recall that a couple of weeks ago I was supposing what MI5 were
>doing with their 'single'handed' posting antics at 2am
>
>exciting stuff
>
>so about a week ago someone rings me up at home.... 'is that Emmanuel
>Goldstein?' then he phones back the following day and goes 'huaaaagh' on
>the phone before dropping the handset in excitement
>
>and a day or two later, just coming out of our house to put something in
>the rubbish bin, a pair of blokes over the other side of the road, again
>start making orgasmic noises
>
>I'm not paranoid enough to record minidisc when I pop out for a few
>seconds..... but perhaps I should be

The video clip, which was captured on 1/September/2000, is the culmination of that thread of harassment. You
have to understand that MI5's abuse is in threads; they choose a topic, and then continue with it for months
and years. Sometimes they drop a topic, usually to be replaced by a worse one, and you never hear of it again.

If the person in the video clip were not an MI5 agent, then he would deserve privacy, despite carrying out a real

or feigned act in a public place. But I am almost 100% sure, because of context, that this man was one of their
operatives, which removes any consideration of privacy from his act. He is facing away and cannot be clearly
identified from this clip. I've never seen this man before or since, but that is true of most other such incidents.

C4 SnowMail - January/2001

Certainty level: 50%

In January 2001 I signed up for Channel 4 TV News's email service SnowMail, under an anonymous email address.
Quite soon Jon Snow and others started getting at me in the SnowMail bulletins, so I promptly unsubscribed.
Here are three distributed messages which may be intended to be against me; I have given these items a joint
probability of 50% only, since it is quite difficult to be sure these are against me, although I think they
may well be.

First item is from 5 January 2001. "Back passage contacts" might genuinely be about Labour were communicating
in a shielded way with ITN; but it may be about Snow's covert communications with me on his programme and in
this bulletin; and it's a slightly strange thing for him to say, it suggests the human body's back passage.
"I wish they'd come and talk on our website".... Snow knows I'm subscribed to his mailing list, and he may be
encouraging me to talk to him by email; again, if that comment were genuinely about Labour, then it would be
a strange thing to say, since the politicians talk to Snow by phone and on his programme, so they wouldn't talk
to him by email; my suspicion at the time is that he was trying to persuade me to talk to him by email,
so he could decently lie that my thoughts of reference were incorrect.

Good afternoon dear viewer,

Well the 'snowmail' drew a little ire from Labour HQ yesterday. A sensitive call at 6.35pm from my friendly
mentor there sought to correct the impression I gave in yesterday's missive that in some way Labour was bounced
into naming these latest millionaire donors. Well I'm afraid they were...rest assured Paul Hamlyn would not have

been named without the diligent sleuthing of my colleagues, and had HE not been named neither would these latest two.

The only serious inaccuracy I must plead to was the promise that we would put these matters to a 'senior Labour
person'...alas none was forthcoming...I shall make no such rash promise again. My same mentor was on the phone again
during last night's Channel 4 News urging us to 'get some reality into the programme'. I fear we may have touched a
sensitive nerve...and the election campaign has not even started, or has it? I shall try to keep you posted with these
'back passage contacts' as the campaign unfolds..from all sides. I do wish they'd come and talk things over with all
of us on the web site...here's an open invitation...

So to today:

Harold Shipman murdered as many as 250 people it now turns out. But he is never to be tried and relatives who seek
closure to their uncertainties will never reap satisfaction..we have the DPP, the Chief Medical Officer and a solicitor
for aggrieved and bereaved families on the programme..the world's second-worst mass murderer..can he be allowed to
escape further action?

Sending private/sexy emails in company time gets workers the sack..Big Brother spies on office premises..is electronic
life in the work place getting out of hand? We explore what we can...and if you are not sure what you can and can't
send, our site spells out the legal dos and don'ts and gives you the chance to put your views to us.

The CIA publishes its risk assessment for the world in the coming years..beyond the CIA itself, what's the biggest
threat to life and liberty? Find out on Channel 4 News..and a major encounter with a man expected to take a top job
in the Bush administration...

And a sumptuous piece from Nicholas Glass in Valencia..a city transformed by a brilliant young architect for half
the price of what the Dome cost us.

Lots moving, see you at 7.00,best as ever,

Jon Snow

The next contact was on 11 January, with the unsubtle words "the lunatics have taken over the newsroom"
from Krishnan GM. The phrase needs no explanation as to why it might be a dig at me.

January 11, 2001

Good Afternoon. Jon's away so the lunatics have taken over the newsroom. I am joined by Samira for tonight's show.

The Depleted Uranium confusion deepens. What did Ministers and senior officers know about the risks to soldiers?
What did they tell others? And why the lack of candour over the recent documents that have surfaced? Having
dismissed the army report leaked yesterday warning of the dangers of exposure to DU as written by a trainee and
littered with mistakes, the Ministry of Defence now accepts it was written by an experienced officer.
But they won't say who. More awkwardly it emerges that senior officers decided a month after it was written that
the report should be circulated to all personnel likely to come into contact with DU. But was it? Nobody seems to
know. Our Science Correspondent Andrew Veitch has also visited the lab in Oxford that could begin testing
veterans for Depleted Uranium within six months, but they have had no contact from the government as yet. From
the Tories, Mr Duncan Smith is likely to join us. And we have Defence Secretary Hoon coming into the studio to
answer the obvious (and not so obvious) questions.

No interest rate cut today from the Bank of England, but could it be next month? As real fears are raised about
the likelihood of recession in the US how could it affect us over here? There's been a recent consensus that
Britain could weather the storm instead of falling into the usual pattern of shadowing American trends. But how
realistic is that? And what about all that inward investment we rely on from the States? Liam Halligan has been
looking at just what impact economic downturn across the water would have on us.

The former Bosnian Serb President Biljana Plavsic pleaded not guilty to charges of warcrimes including genocide
today. She was number two to Karazdic and a reputed hardliner during the "ethnic cleansing" of Bosnia.
But has a deal been done on her sentence if found guilty? Just why did she get on a plane and give herself up
to the Hague War Crimes Tribunal? Nobody seems to have any explanation. Her lawyers are asking for special
accommodation and even the possibility of bail. Gaby Rado is there and joining us live is the first Prosecutor
in the Hague Judge Goldstone to discuss whether plea bargains and deals are the only way to get the real villains.

Also the astonishing news that scientists in America have bred the first genetically engineered monkey. What will

they be used for and what's the next step? Does anybody really believe they won't do it to humans before too
long? Julian Rush will have details.

All that and loads more at seven. See you then, I hope. Krishnan.

The third and final item is from 24 January, shortly after which I unsubscribed from SnowMail. Again, it is difficult
to be sure if this item refers to me; it may do, it may not do, 50% captures the possibility. Snow refers to
"third leg of [Blair's] political footstool". In English culture "third leg" indicates one's male member;
Snow's phrase may be a sexual reference, of which there were others around that time.

Good evening dear Channel 4 News viewer,

There are times in this business when you suffer severe attacks of deja vu...haven't I already said "Mandelson
Resigns!"...I'm afraid I have, and tonight I shall say it again. He's gone, the fat lady has not only sung but
died completely and utterly on his career...that is the end of the former Northern Ireland Secretary's political career.

It's a body blow against Blair for whom Mandelson was a mentor, manipulator, calculator, friend, brother and the
third leg of his political footstool.
It's a body blow for a Prime Minister who has had to have him resign not once but twice. It calls into question
Tony Blair's judgement. Mandy, probably one of the most brilliant spirits in politics, flew too close to the
sun...suffering finally at the hand of his own diabolical flaw.
Amazingly it's a flaw Blair understood more keenly than anyone...

And then there are the Hindujas who have compromised every political party with ridiculous photographed party
poses..who are they and how do they work?
Masses moving on all fronts on this story tonight. We have the resignation speech in full on our site www.channel4.com/news;
if you want to see how Mandelson bowed out.

There are other developments:

The cancer tragedy at Nottingham Queens medical centre..the wrong drug going into the spinal column of an eighteen-year-old
Leukemia victim who's now in intensive care, dangerously ill...it's happened before..why has it happened again?

And a moving interview with Sharon Sage who's mother Lorna Sage wrote a spell binding memoir highly rated in last night's
Whitbread Prize. An exceptional piece....

A highly political night....see you at seven on four...best, as ever, Jon

After this email I unsubscribed from SnowMail. I could not be sure that these items were or were not about me,
but it's an unpleasant feeling that Mr Snow might be getting at me in writing, as he certainly was when he watched
me while presenting the news; so I cut my losses, so to speak, and bailed out.

BBC-TV "See You, See Me" - 7/Dec/2001

Certainty level: 80%

On Friday 7 December 2001, BBC Schools aired a TV programme from their "See You, See Me" series.
The series was based in Scotland, with Grant Stott and Wilma Kennedy trying to find some stolen jewels.
Its web home is www.bbc.co.uk/scotland/education/seeyouseeme/

The programme appeared to make some "subtext" references to my situation. Kennedy refers to "it's not fair",
which is a key phrase; its existence started with OCTS MD Hugh S.-W. who humorously referred to my treatment
with the same phrase.
The subtle statement is that it is fair, because we're doing it, and we're always right, even when we're wrong.

The phrase "useless idiot" from the police chief is a clear insult directed at me, and needs no explanation.

But it is the third item in this clip which is most telling. Stott says the words, "humiliating in front of
the whole public, it would crucify us" if the investigation were called off. That's the phrase that assures
this clip of an 80% probability rating. MI5 are trying to humiliate me "in front of the whole public",
and their strategy is a mixture of ambiguous covert, such as this very programme, and clear overt.

Channel Four TV News - 10/April/2002

Certainty level: 80%

I was watching Jon Snow on Channel Four TV News on Wednesday 10 April, and he again reacted on seeing me
watching his programme. At 7.25pm he was reading an item on atrocities during the Balkan war;

JS: "It was Europe's worst massacre since the Second World War, and Dutch army officers [cough] and the
United Nations should share the blame. So says the first authoritative report into the murder of
thousands of Muslim men in Srebrenice at the height of the Bosnian war in 1995. The 7,500 page document
took Dutch Government researchers six years to prepare, and it condemns military and political leaders
for sending peacekeepers on a mission impossible. Our Foreign Affairs correspondent Gaby Rado,
who went to Srebrenice very soon after the massacre, is with us now. Gaby, how damning is this report?"

GR: "Well it is very severe. It accuses the Dutch Government of sending badly armed and badly briefed
Dutch soldiers into a very dangerous space out of a sense of national arrogance basically. It accuses
the United Nations basically of..."

There are two incidents in this one recording. The first (80% certainty) is when Jon Snow develops a frog in
his throat in the first sentence, shortly after reading the text "Europe's worst massacre". There is both
verbal expression and facial expression at that point; he is laughing at me, which is at odds with the serious
material he is reading. His eyebrows twitch upwards, and he is smirking at the phrase "Europe's worst massacre", and its application to the Security Service's actions against me. Another aspect
is that when Snow said "Europe's worst massacre", I facially reacted; in return, Snow would have seen
my change of expression, and followed it with his own reaction. He almost says "United States" instead of
"United Nations"; he isn't looking at his autocue, his mind is off what he is reading, instead he is looking
at me in the little monitor where he sees me through the television.

The first incident I'm fairly sure about, but the second I only give a 20% certainty to; it's when Gaby Rado
talks of a "sense of national arrogance", supposedly about the Dutch, but perhaps the English actions
against me for over a decade. If Rado's statement were about me, then it would be condemnatory of MI5
as being "arrogant"; but I cannot be reasonably certain it's about me, or much less so that Snow's
reaction in the first instance, anyway.

BBC1 TV News - 18/Dec/2002

Certainty level: 30%

This item occurred on Wednesday 18/December/2002, on BBC1 TV News shortly after 6pm. It is one of the "coincidence"
category of happenings, where people by supposed coincidence repeat exactly the words I have said or thought very recently.
In this case, the BBC's New York correspondent Stephen Evans, live from NYC, says the words "airy fairy language",
during a piece on Britain's entry in the competition for a successor to the WTC after 9/11.

I had been thinking the words "airy fairy" a day or two previously and may have spoken them in my sleep. I did not speak them awake.
The TV practice in 1990-92 had been to repeat on TV/radio (or at work) words which I had either spoken while awake, or words I had
thought but not said consciously - since I know that I sometimes say things in my sleep, but cannot later recall saying them,
obviously since I was unconscious at the time. The TV news reader or reporter then finds a context in which to drop a particular phrase;
this practice has a famous exemplar in the "Phil the Greek" item relating to the Duke of Edinburgh - who had been called Phil the Greek
in Private Eye, then a TV reporter managed to structure his report to include the words "fill the Greek community with alarm".
It might appear funny, but when such "intentional coincidence" happens a lot, as in 1990-92, and when it supports other methods of obscenity,
then the amusement value wanes.

The choice of words appears to form a homosexual reference - the way it works is that the Security Service are blokes fantasising continually
about another bloke, so to avert the obvious observation of their being gay
see here for another instance of unwholesome MI5 fantasising in public),
they try to assign the attribute to the victim - they do this sort of thing all the time, with all sorts of attributes. However, in this
particular case I give it only a one in three probability, since this incident seems to have been a one-off at that particular time.

Life is so hard

Certainty level: 100%

This relates to harassment at my workplace in Canada. Yes, "they" had
their claws into my employers in North America, it doesn't just happen
in England, it happens here as well.

During the second half of 1996, at work, I was sitting near a co-worker
whom we shall call Mark (we can, because that's his name). This guy
occasionally came out with words and phrases that made me think that
"they" had got to him and were supplying him with information about my
home life (not social life please note, because of course I don't actually
have a social life here).

During November 1996 I tried to catch him in the act of saying something
"meaningful", a difficult exercise because as soon as he saw a tape
recorder, he shut up completely, except for times when he knew he would
be out of range of the walkman. (Note that the quality of this recording
is not very good; I was just using a four-year-old tape walkman with
a cheap microphone, quite low-tech).

During the evening of 12 November 1996, at home in my apartment (flat to
you UK-ers), I said "life is so hard, and then you die". A nihilistic,
negative thing to say, but quite distinctive. The following day,
13 November, Mark said loudly, "life is so hard eh, and then you die"
followed by loud laughter.

In my book the precise repetition of the words makes this incident a
100% certainty. You, the reader, may differ, but then living in a free
country allows each of us to have our own opinions, doesn't it?

GLR-David Hepworth (21/Feb/1997)

Certainty level: 80%

I was listening to BBC Greater London Radio (GLR) by stealth, ie. on my walkman with headphones, with the sound turned right down, to prevent anyone from hearing what I was listening to. Yet somehow "they" are still able to tell what station I am listening to on the walkman. After half an hour or so listening to GLR, DJ David Hepworth came out with this;

"I assume Brian, do we have an embarrassment of prizes in there, we do, don't we, absolute obscene amounts of prizes, there will no doubt be a riot at the back door, and that's A-level coming up after this"

The key phrases in what he said are, "EMBARRASSMENT of prizes", and what he himself emphasised verbally, "ABSOLUTE OBSCENE amount of prizes". It is my belief (based on content and tone of voice) that when he spoke these phrases he knew I was listening, and that the phrases refer directly to my situation. The "EMBARRASSMENT" is the embarrassment he and other media people would feel at having their wrongdoing exposed; the "ABSOLUTE OBSCENE" (which he verbally emphasised) described the disgusting sexual abuse which the harassers have been throwing at me.

Of course, I can't prove that this is what he meant, although this has happened enough times that it's hard not to recognise it when you see it. I sent David Hepworth a copy of this explanation, with the results listed in a subsequent item (David Hepworth 9/May/1997).

Maybe those folks were not aware of the scam George pulled maybe 3 to 4 years ago involving GPS units I think it was. Some folks tracked me down trying to figure out just where George was.

Guess he got a "visit" from a fellow named Curtis who roughed ol' George up a bit. George tried to blame all the shipping 'confusion' on his 'wife' whom Curtis got George to admit didn't exist.

Sure wish I had all those emails today!

Curtis described George as a 'runt', as I recall.

GLR-David Hepworth (9/May/1997)

Certainty level: 100%

This time I deliberately listened to Hepworth with the sound turned up on the radio, to try to get a reaction. Sure enough, he and his cronies reacted;

David: "we have executive drivetime, and we have Brian in charge of the prize cupboard. Brian it's not a bad prize cupboard this week is it?"

Brian: "no David in fact it's an absolute (EMPHASIS) embarrassment (END-EMPHASIS) of prizes this evening" (laughter)

David: "what have we got?"

Brian: "well in my left hand alone we've got that .... Gary Clale, I don't know if you remember him obviously still alive and kicking.... and that's just in my left hand"

David: "So it's certainly worth competing. Rock and roll spelling test is your first opportunity to take advantage of this embarrassment of prizes"

What I "read into" this item should again be quite obvious. Remember, I sent off a letter of complaint to Hepworth after his spying activity during the previous show. Here the emphasis on "absolute embarrassment" of prizes shows he knows this is a "key" phrase.

It might be interesting to try to talk to DJs like Hepworth and ask them what they get out of abusing their listeners. But if you challenge them directly, they show their true colour (yellow) by either not answering the challenge, or by denying that harassment has taken place.

A nice easy one here. The DJ is heard to say (around 8.30pm);

"Jacko in town, what a gig it's going to be, that guy is amazing, and psychotic, but amazing on stage, 0171-420-0958, on stage he's a madman but he's wonderful"

I was listening to Capital loud and clear, trying to get a reaction. The above may have been a reaction. I'm not sure if it was, and I'm not sure that it wasn't.

Neil Fox's Juke Box on Capital Radio (week ending 15/March/1998)

Certainty level: 70%

Here is an excerpt from Neil Fox's show on Capital Radio 95.8FM, sometime during the week ending Sunday 15/March/1998 (probably during the weekend, but I don't remember).

First I will give the text of the conversation between Neil Fox and telephone caller Martin, then I will state my interpretation.

(conversation) (F=Dr Fox, M=Martin the caller)

F: coming up on the jukebox, the hotline's 0171-4848-958, just a quick shout here and so who's this going to be then Mr Producer?
(staff, shouting) MARTIN!
F: Couldn't quite hear you, it's going to be?
(staff, normal voice) Martin.
F: Thank you. Martin, hello.
M: Hello, Foxy.
F: How are you Martin.
M: Er, knackered.
F: Why?
M: Didn't get much sleep last night. Party down the road.
F: What time did you go to bed?
M: Four o'clock this morning.
F: Well that sounds quite a reasonable Saturday night if you ask me.
M: I was up at eight.
F: You were up at eight this morning?
M: Yeah.
F: That's sick. Why? What on earth made you get out of bed at eight this morning?
M: My father.
F: Well that's no good. Why is he being sicko, is he being a sadist?
M: No, he out there, sort of clearing room.
F: Listen, is your dad there?
M: No, he's downstairs.
F: Oh mate, can you get him?
M: No.
F: Does he not let you on the phone? The only reason is that I wouldn't mind having a chat with someone who makes anyone get up at eight o'clock on a Sunday morning. I'm sorry, that's ill isn't it, that's out of order.
M: It's sick.
F: I'm just going to ask around here. What do you think then, eight o'clock Sunday morning? That's out of order isn't it, for any father?

(staff) Yeah, definitely.
F: Is he like victimising you or something, is there any reason why he wanted you up at eight o'clock? To clean your room?
M: Well as I say I got up at eight this morning to clean my room and it looks worse that it did yesterday.
F: Well I should have just left it and stayed in there until eleven o'clock if I was you.
M: Well I was up, I didn't get out of bed.
F: What, you didn't get out of bed at eight o'clock? No, he woke you up at eight o'clock. Did you do any cleaning at all?
M: I haven't touched my bedroom.
F: Top man. Boy you're going to get your arse kicked later aren't you. Now a song for you, what can we play?
M: Guns and Roses, "Sweet Child of Mine".
F: And we're going to dedicate this to your father?
M: No we're not, we'll dedicate this to my good mate Jamie, who's sitting on the bed now.
F: Right, hello Jamie. And anyone else? Any top totty in your life at the moment?
M: Unfortunately no.
F: The totty factor is quite low at the moment is it?
M: It's dead.
F: It's dead? What, nothing?
M: Nothing.
F: What, zero? Well, that's pathetic. No wonder you're down. You stay out til four o'clock and nothing. We'd better have words when we're off the radio I think. We need to give you a team talk. You have a good night tonight.
M: And you.
F: Take care.
(song starts)
F: Actually something was going through my mind. I think I'll leave it.

I'm not really sure whether this is in any way about me. It probably isn't. Probably it's just my nasty suspicious mind finding links where none exist. However, here is an explanation of why it might, possibly, be about me.

Throughout this interview, I was throwing abuse at the radio, and to my mind, Neil Fox was hearing the abuse, and responding interactively. This explains why he sounds so stressed when talking to telephone caller Martin, and the general violence of his words including "Boy you're going to get your arse kicked later aren't you".

The piece starts of with the producer shouting the name of the caller, which might be related to my loud vocalisations at the radio. The trouble starts off with Fox saying "That's sick". "Sick" might be taken as a reference to my condition. Then Fox says, "Why is he being sicko, is he being a sadist?", again sick = my illness, "sadist" = attitude of my oppressors towards me. "that's ill isn't it" = further comment on my illness. "Is he like victimising you or something" = again what my enemies are doing to me.

Fox sounds quite happy when he gets Martin to say "It's sick"; as you would expect him to, if the comment were directed at me. It is a constant feature of my enemies' harassment of me that they get intermediaries to verbalise the abuse. Immediately after saying "victimising you" Fox gives a little laugh, to show he thinks the victimisation (of me, not Martin) is funny.

Fox gets increasingly nasty as the piece progresses. "Boy you're going to get your arse kicked later aren't you" is not really what you would expect him to say if he were just talking to Martin. Fox is on the same side as Martin, so why would he be so verbally aggressive to him? On the other hand, if the piece is about me, then his strong words start to make sense.

Fox's jubilation at finding that Martin's "totty factor" is "dead" again doesn't make much sense unless you think that he might not be considering Martin's totty factor, but mine, since it's a fairly well known fact that my "totty factor" is not significantly above zero.

To round off the 135 second interchange, just as the next track is starting, Fox says, "Actually something was going through my mind. I think I'll leave it". Given that I was chucking abuse at Fox throughout, it is only natural for him have thought up a reply that he would have wished to have made, except that such a reply would (a) probably not be suitable for a family show, and (b) have given the game away completely.

So there you are. You the jury, what say you in the case of plaintiff vs. Neil Fox's Juke Box, guilty or not guilty?

Oh I remember the discussion threads we had; and I saved all the messages. Curtis was a big ol boy, and he said George is a tiny guy. According to Curtis, when George opened the door and saw Curtis standing there demanding his money back, George started shaking uncontrollably. I think he cried.

Then there was the time Fetter advertized the non-existent BC-780s or 785s when they first came out and you couldn't get a hold of one. Fetter claimed he had bought out a radio store that was going out of business, and had acquired dozens of them. He offered them for sale under the name George Williams (William is his middle name). Of course he never delivered. I thought Curtis actually had sent the money for one of the scanners.

If only I had gotten to talk to Judge William A Parsons at the Volusia County Circuit Court before he accepted Fetter's plea bargain. Oh well, there is always next time.

I remember when this stuff happened. I was thinking about buying a 785 from
him and I think you Al said something and I didn't do it., I just watch and
listened.

There was something about an antenna on his house also, wasn't there?

I got the emails from a fellow whom I believe sent some money for a GPS unit (I think this particular scam originated in some airplane pilot group, I'd have to look) and 'Curtis' was a friend of his or the friend of another fellow. But anyway, as I recall, 'Curtis' drove 750 miles or so and got ol' George to write a check (which I think was around $700 or so), and was told that if it didn't cash, he, 'Curtis', would be back. I do remember the guy telling me that 'Curtis' roughed George up a bit.

George doesn't want a return visit from 'Curtis'.

If you're talking satellite, I'd say it's probably not possible. You didn't mention that it was a satellite system in your original post--I assumed cable. Sorry 'bout that.

unblocked MK3 any more, so it would make sense.

The market (like this group) is DEAD, because the joys of scanning (as
we all once knew it) is FINISHED.

What the hell are you drinking? My Pro 96 picks up all the local action,

Hurricane Hunters TDY at Patrick AFB
``````````````````````````````````

It is Tue, 2:15pm EDT (1815z).
WC-130J Hurricane Hunter "Teal 57" is up with Patrick Dispatch on
372.2, announcing an ETA of 1835z.
We have had many of the TEALs working here for the past few days,
and I heard ground comms indicating that they will be here for the
next 2 to 2.5 weeks. They are flying approaches here all day long;
and from their comms with the tower (133.75), it sounds like fairly
basic training for new pilots. Also sounds like they have a fairly
large ground crew here for this TDY.
Up to now, I had always heard the TEAL callsign used only for
actual Hurricane Hunter missions; for non-Hurricane Hunter missions
they usually use "Hobby." But for their training here, they are
sticking with TEAL.

There are some agencies who have converted their systems to digital which can cost tens of millions of dollars depending on size. Uniden came out with the BCD396T which will pick up digital as long as it's not encrypted.

Many of the larger public agencies are using computers in their mobile units to communicate without using voice.

I weighed this issue before buying new scanners and I figure we have quite some time before the digital age takes over public communications completely.

If you feel it's dead, it's because you must be very limited to the com systems still out there.

That could very well be, and satisfaction depends on what you want out of your radio, but I can see no valid reason for buying a new scanner today ... especially the ones castrated by FCC fascism. I managed to acquire a brand new full coverage MK3 in 2004 thinking I landed the prize of a lifetime, but if I could get half of what I paid for it, I sell it tomorrow.

Oh, like the chases, both car and foot, I hear almost every night? Like
the shots fired calls I hear once a week or so?

So I don't hear as much plate running as I used to. THAT's
inconsequential.

So what exactly aren't you hearing any more that was really interesting?

LOL, cellphones? Well, that's a boat that's sailed, and never coming

Cell calls were hilarious, but there was more to listen to than that.

There is "tons" of stuff to hear on my scanner - here. Admittedly - there
are "some" quiet times - and others - you sort of wish they'd shut up - but
you don't dare turn it off or the volume down.

Cell phones - are boring - to me. I could care less what others are talking
about. It's none of my concern or business. I am not listening for "private"

information - either. When I "did" have a cell phone capable scanner - I heard lots of teens - the exchange something to this effect - "Hi - Hi! Whatcha doing? Nothing whatchu doing? Nothing..... What's going on? Nothing, you? Nothing! You going out partying tonight? I am. Yeah - I am too..... And shortly the conversation would end with equal exchanges of same questions/remarks. BORING..... A waste of cell time and money - in my opinion. I hate when people call me on mine just to ask stupid questions or tell me things I could care less about. Especially - when they could tell me later in person - as if I'm yet interested. The other calls I witnessed were arguments, contractor calls, etc. All crap (to me) - I could live without.

Just my 2 cents.

Everyone has their likes and dislikes. But I do have to wonder what is going on with people who say there isn't anything to listen to "anymore". My scanner is almost nonstop action 24/7/365. The only negative compared to the "old days" is the fact I don't have an insane amount of radios, in case a huge disaster happens. A few times over the years, I have had a dozen scanners and receivers going all at once, keeping track of everything that was happening.

Now I'm down to three, soon to be four.

Yeah, you're right..... I guess my point is, I'm not one to "talk" on a phone so - could care less when people are talking - for me to care to listen. Their chatter is boring. I mean - even cordless phone - old ladies exhanging recipies and so on. WHO CARES! The Scanner provides way too much to listen to.

I am involved in many positions here - which is why I don't dare turn my scanner down. It is "usually" busy - but some days it seems the shit hits the fan and there is so much going on - it is hard to keep up with it all. I monitor 2 other counties aside from my own - as often things there - unfold for us here.

Seriously, people must have been talking about totally different stuff
where you are. There was some amazingly great stuff.

I lived in Las Vegas when the MGM Grand Hotel burned, and I had every
single scanner and tunable PSB radio I had listening to it. My "big"
scanner was a Bearcat 210, and as soon as I found a busy freq, I tuned
one of my old "Monitoradios" that was sitting in the closet until then
to it..I sure wish I had one 200 channel scanner then, it sure would
have made it easier.

My girlfriend at the time got hooked on scanning that day. Every so
often, she asks me if she needs an upgrade, and when it's time, buys it,
and a friend of mine programs it for her. The older scanner is moved to
her kid's bedroom, she's hooked too.

That is so cool - your girl friend is hooked! Most women don't go for that stuff. I got a BC 210 or two down in my heap pile now..... They were nice to have back then. I can't recall having a "Monitoradio" - however - I have seen them. I do have a Realistic Tuneable receiver - covering a PSB band or two.
It has a crystal socket or two also - in case you want to make it rock bound.

My Ex-GF, sadly. Her dad hated me so much that about the time we were about to get engaged, we had to break up. He liked the loser that she ended up marrying, until he cheated on her, and gambled a ton of money away. Then I wasn't so bad, I guess. She's single now, with a kid in college and sometimes I think I will go back to Vegas to see what happens with her. You never know.

You might not be old enough to have been around when the Monitoradios were really common. I bought about 20 of them at garage sales and hamfests from about 1968 to 1978. Most were retired after I bought my Bearcat III, the rest were put into the closet when I bought my 210 for 40 bucks! Some guy lost his butt gambling, and needed money to drive home. It was 2 weeks old, and I got everything but the mobile bracket.

The monitoradios are long gone now. The heat they threw off was insane, and with about 12 of them running at once, plus a TV, a couple of crystal scanners, and the 210, my bedroom got hot as hell within minutes. We didn't care. We had a few of them on an extension cord to keep from tripping the breaker.

Nice looking one that was recently sold:

I wonder if Crackles ever got the WR103 or WR108 that he was after?

You got it- all the public safety agencies around here converted to
encrypted trunked. (which they are having a lot of trouble getting to work
like the vendor claimed it would.) Not much on conventional VHF/UHF around
here any more. The ten-call-a-day users have all switched to cell phones,
and I don't have much interest in listening to taxi dispatchers and mall
rentacops. Next garage sale, most of the scanners are going bye-bye.

If it was made by "Midland" - it appears he did. Posted quite a few
questions in here of its operation.

Yeah, I recall some of those. Have a couple older Regency radios downstairs by my bench, not to mention some of their MCA units and others.

Thats a shame! Well - if your choice is to start ditching - offer them here
or Rec.Radio.Swap - first - maybe someone will take interest.

What area is this? There aren't all that many encrypted digital trunk
systems out there. Are you sure it's just no APCO25?

I stand corrected, I just looked up the post that I had exchanged with him.
It is the Midland 74-250.

HELLO!!!!

I got a question

Please tell me these have nothing to do with my midland?

The one that didn't receive the test signal yet?

Unless "Midland" is outsourcing their production of equipment, most likely not. Howevrer - as I suggested to you before - "Contact" Midland. Let them know you have issues, before your warranty, right to return - runs out.

I was in a Radio Shack store today and seen a Weather Alert Radio "similar" to these models. It was going for like $49. Not sure if it had "all" the features as your Midland or those listed on the recall - or who may have made it "for" Radio Shack.

Maybe you can check them out!

I used to read an hour or two before going to sleep every night, and listen
to cell phones with my headphones on while I was doing so.
Plenty of cell phone sex, heated arguments, threats, spouse cheating,
crimes being planned and committed, drunks actually crashing while talking
on the phone, and lots more.
Plenty of boring ones also - Thats why they put search keys on scanners.
All and all pretty entertaining.

I've owned a total of two Regency scanners, one was a HX-1000, a great railband radio. If they had updated it with a AA batt option, along with the extra channels they did, it would have been a killer. Sadly, they kept using the annoying NICD pack that had a short life instead.

The other was an HX-2000, complete with crunching squelch, and lousy audio, and 20KHZ 800 MHZ stepping. Non standard antenna connector too. Horrible.

Never had a base or mobile Regency scanner, but worked on a lot of them, I bought mostly Bearcats until the Pro-2004 came out, and then very few Uniden built radios after that, except for the BC9000XLT I had for many years.

I see nothing there which states it was made BY or FOR oregon
scientific radios.

I wrote an e-mail anyway to ask.

Anyone else heard the word or know the deal-e-o??

Southwest MI, Calhoun county. All the local PDs have jumped on the State of

MI 800 digital trunked system, and they all decided to run encrypted from the get-go. Fire will switch as soon as they line up funding. Trouble is, they only have 2 local towers, so coverage is very spotty. It was even written up in the local paper, although the paper never reported on what sort of fix they came up with. I happen to manage a vanilla vhf system used in an office building, with a repeater in the mechanical room on the roof. I keep expecting another repeater to magically appear up there, seeing as how the landlord doesn't keep us in the loop on these things, and the building is the tallest thing on that side of town.

If they were running in the clear, I'd spring the 500 bucks for the RS (GRE) or Bearcat? scanner that can decipher the system. Looking at the online listings, at least a third of the subscribers to this statewide system are running encrypted, including pretty much everyone within 40 miles of here.

Too bad. I wonder why they went encrypted? Don't want anyone to hear
them ordering Pizza? One of the local PDs used to go voice inversion to
do just that.

Hilarious.

If it does not look like a cell phone, smell like a cell phone, or work like a cell phone, the crap shack is not much interested in it.

No wonder their sales are in the crapper. Cramer says avoid the stock even when the price pulled way back.

The management is running it into the hole. They lost many of their customers because they lost their direction.

There is really nothing in their stores I want anymore. Real shame, they had such potential and threw it all away.

Radio Shack used to be like Disneyland to me by browsing in their stores and looking through their catalog at home, but I've got no use for them anymore. As much money as I've given to Radio Shack over the years and the way they've forgotten about us radio hobbiests, I don't care if all their stores dry up and blow away.

As far not having anything to listen to on scanners as there once was, I've listened to high altitude aircraft since 1974. I've got no shortage of radio comms to keep me entertained on a daily basis and it requires no trunking equipment to be able to listen to it.

Well, that's true, but I wouldn't really want not to listen to the local PDs and other PS stuff. I see the new GRE digitals are coming soon, a little over a month for the handheld, and the base/mobile for Xmas. I will grab a PRO 2096 when they close them out, since the only base scanner I have right now is my 21 year old Pro-2004. It works fine, except for it's age and lack of new modes.

Universal has a nice ad for the new GRE radios:

http://www.universal-radio.com/catalog/scanners/4956.html

http://www.universal-radio.com/catalog/scanners/2534.html

I wonder if RS will even carry them? RS is pitiful compared to what it was 20 years ago, let alone about the time they bought Allied. Allied and Lafayette were so great in the late 60's and early 70's, Bernstein-Applebee too, where I had a charge account at the age of 14!! I bought a lot of stuff at the B-A store at the nearby mall, they used to have a ton of discontinued Panasonic and Pioneer stuff, brand new in the box for insanely cheap prices. I was about to buy a bearcat handheld (Xtal) scanner from them when they went down the tubes and were gone. Lafayette went about 5 years or so later. And then there were the local places that had some great stuff, insanely overpriced. One place here wanted FOUR TIMES the price RS wanted for the same tubes I needed for an old radio I was fixing up for a friend's dad. No wonder they went under too. One of the local places was owned by a relative of mine, and when he got sick before he died, he sold it to a young guy and his wife, who put it under a couple years later, mostly because he started getting into

musical instruments and electronics. Too bad.

It is Sun, 1:33pm EDT (1733z).
I have been following the comms of "Fang 01," a flight of 5 FL-ANG
F-15s, headed south to Homestead ARB. They just completed a flyby over
the Jacksonville Jaguars football game in Jacksonville.
They have been given routing CAJUN - RADKE - Homestead.
They are using UHF ATC freqs. I caught the handoff sequence:
346.25 Jax Ctr @ St Augustine (High)
348.70 Mia Ctr @ Melbourne (High)
319.00 Mia Ctr @ Vero Beach (High)
323.10 Mia Ctr @ Key West (High)
They were using 251.25 for air-air.

"ASCOT 9218," an RAF L-1011 Tristar tanker, arrived at Patrick a short while ago. Most likely he will be supporting the several RAF C-130s that are flying multiple round-robin flights every day from Patrick to/ from Belize. He arrived using VHF ATC freqs.

Also, I heard Patrick ground POL comms talking about giving Ascot C-130J tail number ZH874 2000 gallons of fuel.

Earlier, I heard RAF TriStar "Ascot 3607" read his clearance and flight plan from Patrick AFB to CYQX (Gander), which is a popular stop for aircraft preparing to cross the Atlantic.

I am trying to get the tail numbers of the other RAF C-130 that are TDY at Patrick.

If what you are trying to listen to is "trunked" you can hear it with many scanners that are not trunk tracking, but you often will only hear parts of a conversation. You do not need it if there is no trunked systems in range. If you tell where you are, others could probably tell you if there is any reason for one where you are.

The vast majority of what you would hear will probably be in USB mode,
and FM. If the conditions are right, you could hear comms from many
areas of the world. This is a ham band, so prepare to be bored.

Hi Everyone,
Thanks to everyone who answered my questions, and put forward suggestions and gave advice regarding an iCom IR PCR 2500. I have now bought one, and so far so good. I am waiting to get an outdoor ant sorted out, there seems to be such a range, not only in freq's covererd, but also in prices... I am wondering about the possibility of running a long wire, anyone got any ideas or suggestions for me? Maybe a site that outlines how to best do it?
One other thing that I am not sure about is that there is a connection on the back of my receiver for an "Earth" connection. How important is it? is it in case my Ant. gets hit by lightning? and as a solution could I run a cable from the back of the receiver to the chassis of my PC, would this do?
Thanks again for your help so far..... I fear I may be back.... :)

If he "still" has all the packing, box, etc..... and there's nothing wrong with it (no scratches, etc) - still like new - he "should" pack it up take it back to the dealer and just tell them - it isn't working. OR contact Midland about it - and ask for a different model OR refund. It is apparent he isn't getting anything out of it - aside from frustration. Sitting there looking at it - won't solve the problem.

*** Welcome to rec.radio.info! ***

Welcome to rec.radio.info, a group that aims to provide a noise-free
source of information and news for the entire rec.radio hierarchy.

Two introductory articles about rec.radio.info are posted to the group
every month. You are now reading the first article, which explains what
rec.radio.info is, and answers some Frequently Asked Questions. The
second article is titled Posting Guidelines, and you only need to read
it if you want to submit an article to rec.radio.info.

You can skip to the next section of this article by searching for the
next
" -- " string. The sections available are:
- What is the purpose of rec.radio.info?
- Why are messages almost always cross posted to rec.radio.info?
- What is a 'follow-up', and what does 'moderated' mean?
- OK, so now I know what 'moderated' means. Tell me more.
- What type of material is considered inappropriate?
- I do not have access to news, how can I get the information posted to
rec.radio.info?
- Will the material appearing in rec.radio.info be archived somewhere?
- I have a regular posting with timely information, is there a way to
speed up it's delivery, or automate for more convenience?

-- What is the purpose of rec.radio.info?

The purpose or charter of rec.radio.info is to provide the Usenet
community with a resource for information, news, and facts about any and
all things radio.

All the other rec.radio groups are intended for discussions and general
chit chat about radio. Rec.radio.info will contain informational,
factual articles only. Follow-ups are redirected to an appropriate other
group, and further discussion (if any) will not take place in
rec.radio.info.
```

In order to ensure that rec.radio.info contains only appropriate articles, it was decided to create the group as a moderated newsgroup.

-- Why are messages almost always cross posted to rec.radio.info?

It provides a "tag" for each article to be assembled into a filtered presentation in rec.radio.info (even with cross-posting, only one message, with a unique Message-ID, is propagated across the net). This tag also facilitates a pre-existing method of dropping or canceling the articles locally within the discussion groups if you don't want to see them. This accommodates individuals who want to separate the bulletins from the discussions, discussions from the bulletins, as well as those who are adamant about not reading another newsgroup and wanted to see everything all in one basket.

With the total size of Usenet (in number of newsgroups and total traffic) doubling every year or so, this is no insignificant contribution to reducing information noise and chaos. Making the discussion groups a catch-all, and making extra newsgroups filters on that catch-all, is also the most realistic way to implement such a scheme (It's not intuitively obvious what the charter, contents, and general appropriate topics for each and every newsgroup are. Seeing FAQ's and charter/intro postings in the home newsgroup is beneficial for new readers).

By cross-posting one only is adding a few tens of bytes to each bulletin (to specify the extra group on the Newsgroups line), but are adding the capability for very powerful filtering features available on most news servers, listservers and readers. Your local news guru could probably explain these features in more detail.

In rn, for example, according to Leanne Phillips in her rn kill-file FAQ, add a line of the form:

/Newsgroups:.*[,]rec\.radio\.info/h:j

either in ~/News/KILL (if you don't want to see rec.radio.info articles anywhere) or ~/News/rec/radio/amateur/misc/KILL (if you don't want to see them just in rec.radio.amateur.misc). The latter method means your kill file will only be consulted during rec.radio.amateur.misc (and hence runs more efficiently), and will probably work for most people.

In nn, according to Bill Wohler in his nn FAQ, add a line of the form:

rec.radio.info:!s/:^

in ~/.nn/kill (if you don't want to see rec.radio.info articles anywhere), or put the following lines:

sequence
rec.radio.info
rec.radio.

at the end of ~/.nn/init in order to see all the rec.radio.info bulletins first, then read the remaining rec.radio.* without the

bulletins.

More information about kill files may be obtained from Dave Fawthrop's | Killfile FAQ at: |

http://www.hyphenologist.co.uk/killfile/ |

-- What is a 'follow-up', and what does 'moderated' mean?

If you are new to Usenet and are not familiar with the terminology, you might want to read the general introductory articles found in the newsgroup news.announce.newusers. Doing so will make your life on the net much easier, and will probably save you from making silly beginner's mistakes.

If you think that at this moment you are reading an echo, a conference, or a bulletin board, I'd also strongly suggest a trip over to news.announce.newusers.

For the rest of this article, we will assume you have a basic knowledge of Usenet terminology and mechanics.

A moderated group means that any article that needs to be posted to the group has to be accepted by the moderator of the group. Since we need to ensure that followups to an article (discussion) do not show up in the rec.radio.info newsgroup, the `Followup-To:' header line contains a newsgroup that is appropriate for discussions about the specific article.

-- OK, so now I know what 'moderated' means. Tell me more.

Rec.radio.info is a moderated newsgroup, which means that all articles submitted to the group will have to be approved by the moderator first.

The current moderator of the group is the rec.radio.amateur.moderated Moderation Team. Submissions to rec.radio.info can be posted, or e-mailed to:

rec-radio-info@panix.com

Comments, criticisms, suggestions or questions about the group can be e-mailed to:

rec-radio-info-request@panix.com

But before you do so, please be sure to check out the "Posting Guidelines" article.

The influence of the moderator should be minimal and of an administrative nature, consisting chiefly of weeding out obviously inappropriate articles, while making sure correct headers etc. are used for the appropriate ones.

-- What type of material is considered inappropriate?

There are three broad categories of articles which will be rejected by the moderator:

1) Requests for information: rec.radio.info is strictly a one-way street. We receive information in our mailbox; we then post it to rec.radio.info. Requests for specific information belong in the normal discussion newsgroups. If your request gets answered, you might consider passing the answer on to rec.radio.info, though. Especially if you can edit it into a informational, rather than a discussion, format.

2) Obvious discussion articles, or articles that appear unsubstantiated.

3) Commercial stuff: a relatively unbiased test of a radio product would be accepted, but any hint of for-profit might be reason for rejection. For three reasons: This is not the purpose of the list, for-profit is a controversial topic, and this list may be passed onto Amateur Packet Radio (where for-profit is prohibited except under certain provisos).

rec.radio.swap may be more deserving of the posting in any matter.

Similarly, copyrighted material generally cannot be used. If it's TRULY worthwhile to the net, We would recommend obtaining permission from the copyright holder. Please note the source, and if permission was given. We reserve the right to make the final decision concerning appropriateness in all situations. In most cases, a brief summary of, or pointer to, the copyrighted information may be all we can allow.

-- I do not have access to news, how can I get the information posted to rec.radio.info?

Google has an excellent web interface to Usenet newsgroups. It is available at:

http://groups.google.com

It supports both reading and posting.

-- Will the material appearing in rec.radio.info be archived somewhere?

Yes. See Google Groups above.

Effectively this means that anything you post to rec.radio.info will be permanently stored, so your work will not be lost.

-- I have a regular posting with timely information, is there a way to speed up it's delivery, or automate for more convenience?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as time critical.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires co-operation and goodwill to be beneficial to the community in the rec.radio hierarchy.

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

*** rec.radio.info - Posting Guidelines and Etiquette ***

Two introductory articles about rec.radio.info are posted to this group
and to rec.answers/news.answers every month. You are now reading the
second article, which explains how to submit something to
rec.radio.info, and which answers some Frequently Asked Questions about
the submission process. The first article is titled "Welcome to
rec.radio.info", and it might be a good idea to check it out as well.

-- How do I submit something to rec.radio.info?

Two possibilities. You can use your newsreading software to just post
the article to rec.radio.info, as you would do with any other
newsgroup. The difference is that the software recognizes the special
status of rec.radio.info as a moderated group, and will e-mail your
article to us, the moderation team, instead of posting it to the group.

Alternatively, you can mail your article directly to us at the following
address:

rec-radio-info@panix.com

Mailing us directly is probably (a wee bit) faster, but using the
transparency offered by the newsreading software is probably more
convenient.

If you have any questions, or wish to deal with some administrivia with
the moderation team, we suggest mailing to the following address:

rec-radio-info-request@panix.com

-- How soon will I see my article appear?

It depends on how busy we are. Your article reaches us as mail, we have
to read it first, give it the stamp of approval, and finally send it on
to the group. We will attempt to read and decide on all submissions
within 72 hours at the very least, though we will probably be able to
process submissions much faster in actual practice.
```

The site from which we moderate this newsgroup, "Public Access Internet and Unix, NYC" (Panix), is directly connected to the Internet, and articles posted at that site should appear at most major news sites, including Google Groups, the same day. The principal delay, therefore, will be the wait in the moderator's submission queue.

If you post a periodic article, and have shown to be trustworthy, we may allow you to post directly if the article is of a timely nature. See the section below on direct posting.

-- Should my article be in a specific format?

No. If it is not totally illegible, we will accept it, and if it does not have a correct subject-line we will correct it with your permission -- that's what a moderator is for.

However.

You could do us a big favor by making sure your article conforms to these simple requirements:

1) The article must present information, not discussion or requests, We will reject the article or require you to change the wording if it is worth it.
2) A good, descriptive Subject line.
3) Always mention what source you got the information from.
4) Don't forget to include a Followup-To header, at least if you don't want further discussion to automatically be forwarded to you, the poster, which is the default if the article is only posted to rec.radio.info.

As we said: if your article is appropriate we will post it even if you don't follow these guidelines, but then don't blame us for not processing it immediately. 'Perfect' articles we can send on with a couple of keystrokes. Stuff that needs minor editing is going to have to wait until we have time to do so.

Please do not waste both our and your time by posting requests, as this is an information only news group.

-- What about crossposting?

If you send something to rec.radio.info, just name any group you'd like to cross-post to in the Newsgroups field. Then, when we approve the article for rec.radio.info it will get automatically cross-posted to any other groups mentioned. This will also override the default Followup-To: poster, replacing it with the groups you cross posted to.

We would prefer if the group be cross-posted to the various discussion groups in the rec.radio.* hierarchy that are appropriate:

rec.radio.amateur.misc Amateur (ham) radio and related matters
rec.radio.amateur.packet Amateur Packet Radio discussions
rec.radio.amateur.policy Amateur Radio practices, rules, etc.
rec.radio.noncomm Non commercial radio discussions

rec.radio.shortwave International broadcasting on the 'HF' bands
rec.radio.cb Citizens Band (27 MHz) discussion
rec.radio.scanner Scanner discussions (unsupported group)

or in one of the moderated groups:

rec.radio.amateur.moderated Amateur radio practices, rules, etc.
rec.radio.broadcasting Discussion of *domestic* radio broadcasting

We will leave it up to the poster to decide which group(s) are appropriate, but reserve the right to add groups if we feel it has broader interest. We will consult with the poster first.

Notes on crossposting:

- rec.radio.broadcasting is also a moderated group. The rec.radio.broadcasting moderator prefers to review all articles himself before posting. Placing rec.radio.broadcasting before rec.radio.info on the Newsgroups line should accomplish this. We will typically abide by the rec.radio.broadcasting moderator's decision whether the article is appropriate for rec.radio.info.

- rec.radio.amateur.moderated is also a moderated group. As the rec.radio.amateur.moderated Moderation Team manages both rec.radio.amateur.moderated and rec.radio.info, we can manage crossposting and approvals for both newsgroups. The rec.radio.amateur.moderated group does not allow crossposting to other discussion newsgroups, whether moderated or unmoderated. However, we would like to manage rec.radio.info as consistently as possible with how it was done by previous moderators, including the grandfathering of existing regular postings. Therefore, the submitter can choose rec.radio.amateur.moderated or the other unmoderated rec.radio.amateur.* discussion newsgroups for crossposting, but not both.

- Any FAQ or informational posting approved by the rec.answers/news.answers moderation team that is also crossposted to any rec.radio.* newsgroup (besides just rec.radio.info) is also automatically pre-approved for rec.radio.info. See below for more information.

If you post to another moderated group, it may be better to make special arrangements with both moderators before posting by contacting us at our administrivia addresses.

In addition, cross-posts do not take up extra space; modern newsreaders can be configured to show you cross-posted articles only once anyway; not everybody reads rec.radio.info; and rec.radio.info was never meant to reduce the volume of the regular discussion newsgroups. But keep in mind that some of the mail gateways may filter out the informational postings (at request of the subscribers) to keep the load down.

You decide.

-- I have a regular posting with timely information, can I make arrangements to help speed up delivery by posting directly from my site?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as timely.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires cooperation and good will to be beneficial to the community in the rec.radio.* hierarchy.

If you are currently maintaining (or plan to maintain) a radio-related periodic information posting, you may wish to consider crossposting it to rec.answers/news.answers. Postings that are approved by the rec.answers/news.answers moderators for this treatment are automatically pre-approved for crossposting to rec.radio.info (as the news.answers requirements are far more rigorous than the requirements this newsgroup ever plans to use). For more information about this option, consult the appropriate information articles and posting guidelines in rec.answers/news.answers.

Realize also, that even if your post is not approved for rec.answers/news.answers, it can still be approved for rec.radio.info. The intention is not so much to get every last bit of radio-related information on rec.answers/news.answers, but rather to provide an alternative avenue of approval (as well as grandfather existing maintainers of radio-related information and spare them additional bureaucratic hurdles). Again, crossposting to either rec.radio.info or rec.answers/news.answers, both, or neither, is at the discretion of the poster (subject to the approval of the moderators). You decide what is most appropriate for your article.

Please remember that as an information maintainer, you are not alone. There are many others on the net who maintain and post periodic information postings, using various intermediate-to-advanced features of Usenet (usually via automated tools). Various degrees of technical support and general hand-holding are available from many Usenet veterans. Send us some E-mail describing your needs to our administrative address below, and we'll try to help, or at least refer you to the right knowledgeable individual(s).

-- And Follow-ups?

If the only newsgroup you have specified is rec.radio.info, then the Followup-To: field will always be set to poster. If you do not want this, you must supply a Followup-To line of your own, and we will honor that one, as long as it is a subset of the original Newsgroups line.

If you specify newsgroups to cross-post to, then the Followup-To field will be set to include all the cross-posted groups, excepting rec.radio.info itself. Again, if you do not wish this behavior, supply your own Followup-To line.

We maintain other standards on the various RFC-1036 (news transport) header lines. For example, if the article is appropriate for passing into the Packet Radio Information Network, we encapsulate the Packet Bulletin Identifier (BID) in the Message-ID: news header line indicating the machine of origin as the ampr.org domain:

Message-ID: <$opa.55.1994@ampr.org> |

where the Packet Radio BID, in this example, is `$OPA.55', and it was posted in the year 1994, because some of the Bid numbers are cycled yearly. Hopefully, this can be used as a key to re-introduce the articles for the Packet Radio network. Also, if the article is a repost of an already existing information article in the rec.radio heirarchy, we ensure that the References: header line is linked to that previously posted article. This also helps to tag articles, and may be used for additional filtering if needed.

Since the articles are archived, please use the Summary and Keywords header lines to help one search for your article.

-- Why have I received no reply from you?

We never reject anything in silence, and we make a point of it to answer all our mail. However, E-mail, like a brain cell, can and does get lost, every now and again.

So, if you send us something, and you don't see it appear it rec.radio.info, and you still have not heard from us in reply after say, five days, you can be pretty sure that either your mail never reached us, or that our answer has never reached you. In that case, please try again (We will filter out duplicates).

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

This is what I want to listen to in order of importance:

UHF military aircraft (270ish range)
Civilian aircraft (108-136)
Trains
Marine
AM/FM radio (the kind that plays music that you listen in your car)
ham radio
police, ambulance, and all the other stuff

The first 4 are a must, the rest aren't really that important, but I wouldn't mind hearing them. I'm thinking one of those "full spectrum" units would be great. I don't know what "trunking" is, but I don't think I need it.

It also has to have the different "modes" so I can hear the military aircraft correctly. I heard some scanners can pickup signals in the military air band, but lack the proper mode to decode the signal so it can be understandable. My budget is about $300 USD.

I'm a little surprised at the lack of responses. I'll throw in my $0.02 and recommend getting a used Uniden/Bearcat BC-780XLT. The receiver is well regarded for both military and civilian aviation reception and it handles trunking as well so it is a scanner you can grow into for a while (although they don't handle the new digital modes). I will say that I need to get the manual out for programming, but once set up the scanners are reliable and easy to operate. I have two of them connected to a streaming server that have been up 24x7 for a couple years without any problems. The 780XLTs can be had for ~$200 and you can use the leftovers in your budget for a good antenna and low loss coax to feed it.

I use a Radio Shack PRO-95 (and to program that receiver more easily I use a Windows program called Win95).

I use the radio mostly for aircraft (VHF mostly but a little UHF), Marine and Rail frequencies. It will do "Trunk tracking" although I've never used it for that. This particular radio is no longer a current product but you might be able to find one somewhere. I like it and use it frequently.

Other Radio Shack portable scanners range in price from ~$150 to $500. Check the R. shack web site. Lots of people will not be big fans of the Shack (and I don't think it is the greatest place) but their products usually work.

Good luck!

Our old friend George Fetter is out there raising hell again!!!
He was complaining on EHam.Net about not receiving a Ham Radio QRP kit

BOY DOES THAT SOUND FAMILAR ????
That is a new one. A person that commits a fraud reporting a possible
fraud.
Sounds like testimony in court of a felon in order to convict a
felon. A good jury would see through that.

Someone did call him out about being a well known con-man and knew of
his arrest, but he didn't know that he had pled "No Contest" to a 3rd

Suddenly the missing package showed up.................
I wish he would shut up and just disappear, but as many of you have

Anybody know where I can order a replacement stock antenna? Also,
I've been thinking of purchasing an outside wide band antenna to use
for my radio.

Can somebody suggest one that is not too large and can be mounted
outside my window?

Thanks,

Joe

USEFUL! Tell me, wouldn't YOU have publicly tried, then
executed neocon traitors for mass murder if you were
dying as Johnny's America?

AIDS as a weapon used by those of "Operation Paperclip",
zionist neocons who war as enemies of humankind? What
evidence does a bushite need, when it thoughtlessly murders
America for demon bush as it's "G-D"?, the thing that does

I'm telling you America, George Norry is a blatant naked traitor talking the love of your innocent dying sons and daughters as too stupid and cowardly to defend our dying America from the actual 'escaping' neocon 911 perpetrators.

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden get the explosives into building seven dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their

infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a

special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

-

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Support my cause, which is your cause.

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly,

you have to murder the Arab father of the Arab child your
planning to rape, because if you don't, that Father will spend
the rest of this life, hunting you down in the streets to rip
you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that
Father's intent to bare on lancing Boudreaux, and any other
who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers
for the neocon are all Heroes.

Please, my brothers, join me in hunting each and every bushite

OH GOD! - to not believe as real Patriots - OH GOD!

It's our Goldsmith!

"It's says here in the literature we were given, it tells us
we'll have success recruiting soldiers to [the neocon's evil
version of] Christ. Because soldiers in stressful situations
are more, quote, "vulnerable"." [to not believe as real
Patriots] [..] "I would direct you to the letters of Paul, in
which he says, blessed our those who spread the Word of God,

by ruthlessly wiping out anyone who stands in our way [to rob further from a undefended America left silenced to speak in outrage against the evil antichrist of all life ourselves]."

http://server7.whiterosesociety.org/content/rhodes/RhodesShow-(8-10-2007).mp3

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values. Or don't.

People of Earth, please bill a mute bushite nazi savage, that drops bombs on our families robbed our better selves the right to voice objections against naked evil tyranny of plundering neoconned dying Amerika, attempting to enslave our entire race for the bounties of totalitarian riches.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as

giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. ⁞KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who

freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911

terrorist event of no questions!, no question!

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Signed,

Johnny America

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? There really IS a GOD, committed to dealing death to torturers and murderers, and a place reserved as "Hell", where such Satanic behaviors are nothing to get up and roar over. Please support my rise for acknowledgement, and in turn, speaking for freedom where it counts, with You and Yours. / / [...] the [New York Times] piece details the torture of
[Innocent People] Sunni prisoners at one of the new
American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise,
joyously, with pride, destroy the neocon traitors of Justice -
for the true Love you have as Freedom willed - is as granted.
Don't buy their demon lies by blind blanket false assertions,
against YOUR Humanity's Innocence in tyrannical bondage, all
done in to fool you believing, we have no rights to be heard
in our presence - here existing freely. Therefore, to survive
US all for something better, halt the 'escaping' murderous
bushite thieves for God and America. SOLDIERS: Instead of
dying for nothing, my wannabe Patriot Brothers, try joining
Liberty's cause, which is our cause truly. Is it because
corporate TV zionist money whores, are cowardly and ignorant,
as evil hypno muggers, in MY dying for real America, that YOU
refuse to speak Now in your Humanity's begging further
defense?, on evidence being the only requirement to establish
a person's guilt or innocence? for ungodly terrorist
activities committed in our name by bushite bombers from the
neo-conned AIR FORCE, who, as rotted juveniles, cheeringly
bomb us People indiscriminately leaving a Church as something
TRULY SATANIC? To dare, in our presence, continue threatening
harm against an innocent child of wonder, not yet even born to
God's suffering world? Bushites war LIFE itself. So then
pleads I again the Son to God, as Man to Men: war to kill the
enemy bushite nazi savage thieves, for real Freedom is waged
truly by Just causes. The mute, pro-censorship/tyranny
THIEVING bushite savaged nation, has NO EXCUSE for the crimes
they have committed in our dying names. I demand our voices
heard internationally for Justice as Freedom is Godly.

Dan Marvin, an actual CIA assassin, talks about how those in the secret CRIMINAL command structure of defense for America, side to order the murder of Patriotic American Soldiers who threaten real Justice succeeding against the neocon God betrayers, neocons, who just simply lie to con vincible American dumfukked teens, through our whored to die YOU as the next innocent for stolen freedom values: the corporate 'zionist equals Jews' no we don't take your pleading calls, international Bush rules news broadcasters.

See? bushites are cowardly, or ignorantly evil - as thieving dumfuk grunts for the enemy liar neocons. Look, they refuse to kill on sight, soldiers who kidnapped Iraqi children to be beaten to death on video tape, or any Aegis employees for actually murdering INNOCENT Iraqi men, women, or children for stolen cash profit, over the loss of LIFE the bushite TRULY pays in collateral. DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. Death to the bushite, death to the enemies of Man.

-

http://server7.whiterosesociety.org/content/rhodes/RhodesShow-(3-10-2007).mp3

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. American tax payers pay $1,222.00 per death squad goon, per day, while billing their sacrificing kids, tens of thousands for up and coming medical costs not covered. Did you know they, the incompetent bush regime, still haven't fixed Walter Reed? Who really cares right?

-

Look, a bushite would kill an American child too. When or will Americans become American? Death to the bushite, death to the enemies of Man. Again, national bushite broadcaster, George Norry stated he'd go ballistic against any American soldier who refused to murder for the neocon as traitors, and "America" STILL refuses to speak in their own defense for dying. Death to the bushite, death to the enemies of Freedom for America.

Look, listen to soldiers who sing about the joys of murdering innocent young girls, see their faces in the videos celebrating the murder of girls LOVED by GOD and ME, and question: Why won't you as an American assist Christ in the glorious hunt. Nothing better in this world than to kill a murderous bushite who claims it's lawless to this suffering Universe, ruled criminally by the demon antichrist enemy of ALL HUMAN LIVES. All religions want US to defend GOD - please help me take on all challengers.

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

www.crooksandliars.com/Media/Play/22003/1/Beck-Limbaugh-100207.wmv

"Media Matters didn't have a word to say when congressman John Murtha accused American Marines of being guilty of murdering innocent Iraqi civilians, service men who actually turned out to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the

bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

All fighters, listen up. ANY bush bitch neocon biter who
pretends as a cowardly child killing traitor, it can't ever
hear my manly voice from here, YOU kill to defend ourselves
over, in the cage or otherwise. Kill any or all thieving
bushite ENEMIES of America responsible for 'escaping' the 911
perpetrators, why don't you help US out some my loves...?

CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50 for every can drink he, and the rest of his cadre can swallow. Buying bulk, the pop cans likely truly cost 35 or so cents. So... who's pocketing the stolen loot? Cause, you know that would be FRAUD. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you

hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

/ / "With no medical supplies, people died from their wounds. Everyone in the street was a target for the Americans.

The US also deployed incendiary weapons, including white phosphorous. "Usually we keep the gloves on," Captain Erik Krivda said, but "for this operation, we took the gloves off". By the end of operations, the city lay in ruins. Falluja's compensation commissioner has reported that 36,000 of the city's 50,000 homes were destroyed, along with 60 schools and 65 mosques and shrines. \ \

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unexceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Tatum, who freely confesses he's a proud child killer without
apology, is being made a free man in evil bushite amerika.
The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that
there is insufficient evidence to show that Lance Cpl.
Stephen B. Tatum did anything other than follow Marine Corps
rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR
Paul Ware and Mattis hides from the Christian American Family.
Will YOU, as an American man, allow these two bush bitch nazi
punks to survive as furthering the commitment of more war
crimes against the INNOCENT? as a zionist neocon's "Hero"?
Will You defend our girls? Peoples of Earth! Help Me save our
children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1
and 2, but the reason he did so was because of his training
and the circumstances he was placed in, not to exact revenge
and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular

command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon is right in claiming sovereignty over a small fertile area known as the Shebaa Farms, still occupied by Israel. Israel argues that the territory is Syrian and will be returned in future peace talks with Damascus, even though Syria backs Lebanon's position. The UN's admission has been mostly ignored by the international media. \ \

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The IDF states it will "reexamine their policy" of conducting such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die.

Again, KNOWN Aegis goons openly commit crimes against Iraq
done officially to get killed! the supposed to be Patriot
Marine. P2OG. Soldiers under bushite command would rather
die cowardly, than to honorably demand the bushmob's arrest
for public trials as defeating ungodly fascist war criminals.

Why suffer otherwise this way under the tyrannies of naked
neocon plunder to deny our lives for measured justice I ask
YOU again, please believe: truth will set us free.

Pro-mass murderer war criminal Kristol once again, speaking
freely to Jon Stewart unchallenged internationally on Our TVs
as "Two Jews" stated..

"We don't believe in original sin."

Colbert half an hour later, "Are you calling Jesus a liar?"

Now, that's funny..

See? Jon Stewart isn't Jewish, for he's not black, and he
speaks no words in defense of the innocent robbed and murdered
in his "Jewish" name. A Zionist! He wants to sound our
public voice silent where a Hitler or Kristol marches innocent

others into gas chambers by calling ourselves terrorists
without a thread of evidence to thieve from as unworthy. Few
know, Hitler was a staunch Zionist too. The excuse would be,
but G-D is worse.. because, as the "Two [atheist] Jews", they
can commit no sin against Christ by trumpeting demon evil lies
as if, we have no stronger indivisible arguments present in
OUR defense ever for Just causes. AND, he's near the best our
American national TV media has to offer!

I believe, Jon Stewart suffers from
the ignorance of Celebrity more so, than a genuine hatred for
Humanity.. as that is the fault of most TVed Americans.
Nothing more greater than getting on the boob tube, to really
make your mark on this fleeting world as they sell their life
away for nothing but the privilege to be recognized at a gala
swarray.. fed on the victimized innocent of Humanity left
robbed as worthless their grand stage. His show is often
quite bright however, and leastly, reminds people, that CNN,
CBC, and FOXNEWS isn't the be all and end all of respect for

Elected Governments All Over The World

British MP Galloway and Richard Perle on TV together!!

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE

WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

www.newamericancentury.org

Jason Bermas "I just want to point out that we're going to encourage the people to look at the evidence for themselves."

-

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little

of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

President and CEO of Shareware Earth Co.
King Johnny Wizard

Christ is Person ! ! !

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable

venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wonderous tragedy?, Jeeze..

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Intelcenter.com = alqaida videos you can get nowhere else!

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TV networks. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

BUSHITE AMERKA CLAIMS THIS DOESN'T WARRANT THE DEATH SENTENCE?

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of GOD. Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See the bushite, you bill it for Christ, You bill it for America, You bill it for them, you bill it for US.

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

/ / Idiot General Says Dead U.S. Troops Best Reason To Keep War Going And Kill More U.S. Troops

[Option B: More Dead U.S. Generals And Fewer Dead U.S. Troops ?] \ \

If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth something. When, or if that day should come, it will be the day where Iraqis victims are seen, as just you or me. Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Just look at that my friends of Earth just look at that. Americans speak only contempt for the value of human life. Every day, INNOCENT Iraqis die by the criminal actions of the demonic neocon enemy forces of EVIL, and our deaths as the god loving mean nothing. A small few die in a bridge ACCIDENT, and every corporate channel devotes the entire day's news as it. Allawi confesses to killing children for "CIA" money, and there, as with the soldiers who braggingly, beat innocent children to death for sexual pleasure, bomb people indiscriminately, or steal all the humanitarian aid, don't command your slightest concern as impartial paying for it TV viewers. They say, US people who aren't "Americans", do not deserve due process, the freedoms they claim to own exclusively, of which WE, are granted nothing of. See?, by not using evidence to from your guilty verdicts, how can it be therefore possible, to know, you've arrested, tried, then

executed a mass murdering NEOCON war criminal? I don't think Americans could possibly be more disrespectful to God and country, Johnny and Justice right now, do You?

http://existentialistcowboy.blogspot.com/2007/06/911-culprits-why-towers-really-fell.html

/ / We know that a crime was committed on 911. George W. Bush, of course, quashed all investigations before they could begin. Since when are crimes not investigated? [...] It is not too late, however, to begin such an investigation. There is no statute of limitations on mass murder. \ \

We, as Humanity, have to rise against the neocon LIAR enemies who forsake the value of Human life. Death to the bushite, death to the enemies of America's America.

Right. The demonic lawless actions of Aegis posing as al-Qaida killing police officers undermine freedom for Iraqis and Americans, alone with ALL the rest of US. All criminally gotten assets of lawless mercenaries will be hunted by every police service; those that complain as traitors to Freedom as Justice, WE, the real Patriot warriors, committed to defensive measures, will be rewarded to bill for. IF! Johnny is recognized a Mythical King with money to spend better than a neocon saboteur. Your call... Reminder: The neocons in YOUR power, were never elected, nor, was Bush the demon enemy of all Human Life. What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent

peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

OBSTRUCTING JUSTICE FOR AMERICA

Tony Snow "The executive branch is under no compulsion to testify to Congress because Congress, in fact, doesn't have oversight abilities."

IT LOOKS like they are going to attempt making the move of BLATANTLY TREASONOUS war criminals acting to measurably now destroy yOur Freedoms in godless America. The Satanic neocon's 'faith', is in that YOU as an American, will watch the same corporate drivel that offers next to nothing to empower YOURSELF to speak Justly for a dying America. Instead of demanding 24 hour, wall to wall news coverage, of war criminals going down one by one by the will of Man to Justice, CNN, CBC, and FOXNEWS will broadcast your blind 'belief' that you are only a impartial viewer, who doesn't really care about dying right in front of yourself for the zionist's riches, and great worldly power of tyranny through lawless nazi bushite censorship.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Jesus man, do I truly hate these zionist nazi thieving LIARS on our magic TV shows who con our kids to die as bad guys. How about You?

/ / If Bush and his PNAC buds are innocent, then Investigate 911! What have innocent people to fear from a fair, complete and real investigation? \ \

They are guilty, so, of course, the demon Bush enemy, OBSTRUCTED JUSTICE FOR AMERICA.

I hear the national radio program Coast to Coast is still feeding us neocon lies. Why don't you make the call for Johnny.. believe in yourself for a change why don't you?, buddies??... I am Your god king. King Johnny I am. Champion of Universal Life! Not enough? Who cares?, to allow US speak on our broad casts as legitimate? Worried I'm going to love Life as truly honorable, and Greater than those who openly lie to our soldiers to have them unjustly die for no better good or reason understood? Let us make life better than the neocon envision, and support our rise to popular acclaim by allowing US to speak openly for public challenge in defense of America.

Death to the neocon soldier, death to the enemies of Man.

True US Bush Iraq-Afghan Wars Deaths At 21,000
http://www.rense.com/general77/true.htm

"In the last four years of war in Afghanistan and Iraq, the unreported death toll of American military personnel is in excess of 20,000 (20,871)"

It's in cowardice that 'Americans' don't speak out for the lost 'loves' of their dumber than dumb sons.

Demon enemy bushite in Afghanistan murder children without real understanding 'by accident', [no evidence is shown to ANYONE, just treasonous demon evil bushite necon spewing, "red handed"] lies after lies, while, the Taliban, we are told, are so much worse, because they would murder "ANYONE." Make sense? No. Remember: (The bush regime has been found funding Al-Qaida in Iran to commit terrorist acts against COWARDLY soldiers without free minds to speak in their own defenses.)

/ / The group is demanding his impeachment not only for his crimes against humanity but for lying to the American people about his worship of Satan. \ \

It almost makes me laugh, and then, I push to remind, we are so very far from where civilized is dreamed to reside. Love to God Gives US Strength

The Son of Man begs the Men of Earth to defend Ourselves from the unholy forces of our tyrannical enemies. Death to the ungodly bushite thieving LIARS, death to the ungodly enemies of American children everywhere. GOD praises all Men, who kill the murderous bushite enemies of Just causes. The THIEVING satanic bushite forces, speak only contempt for GOD on our demandings of the public execution of the boastful terrorists, like the bushite who video taped the murderous assault of OUR kidnapped bare footed children, or murdered Iraqis while desecrating ELVIS, done all to please the "escaping" satanic demon antichrist zionist, Our Mr. bush Jr., who with his private business partner, General Ahmad, actually committed the ungodly treasons of 911 in a land of blind men sleeping., according to the eternally Honorable FBI anyway.

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as our suffering Mankind, is to blindly swear public allegiance to the for real DEMONIC antichrist THIEVES. Bushite enemies are evil nazi dumfuk scum, liars who cowardly watch America in her weakness be high jacked, and squeak nothing for Just words in our REAL defense for dying. Play pretending their actually real men, because to really be so, requires real strength. Not bush bitch Marines "WHORES YEAH!" strength, where they cowardly can't figure to defend America from ungodly war criminals. War criminals who deliberately set them up with Satanic 'black magic' to be killed in criminal actions. P2OG. But see?, the bushite fodder, can't care enough for Life to read, because it already knows like the zionist, it's an ungodly coward and a thief, as siding to lying and censorship, this will out work for evil doers in the long run without any consequences to themselves as Our sworn eternal enemy.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to take away all your guns, and is a communist, but, Alex as sometimes, is terrified of those who seek the requirements to defend freedom directly, as more specific. (Example: NWO isn't the name of the specific guy who financed 911 to murder America.) So, as a consequence, he gets near ridiculous with labels applicable to generalizations only dummies could believe blindly. With Kucinich campaigning on ACCOUNTABILITY, Alex Jones looks quite foolish. But, he's still trying. Thank god for that. Thank god for that. Talk radio in America should take open line calls on our ideas about how to actually plan to defeat these, found factually to be, traitors to God and Country.

The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll

tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / Timothy Griffin, Karl Rove's assistant, the President's pick as US Attorney for the Eastern District of Arkansas. Griffin, according to BBC Television, was the hidden hand behind a scheme to wipe out the voting rights of 70,000 citizens prior to the 2004 election. \ \ Timothy needs to be arrested for high treason, for fixing an election, or instead, what? we'll make him a State US Attorney in bushville?

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves.

Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave

un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download

all over the place. CBC, CNN, FOXnews et al. know the
Bushmob did 911 in other words. I've spoken to most of those
'in control', and I'm telling you, they're losers, and they
know it. Remember: they'll censor my voice to send YOUR
child to die for no better good, or reason understood, while
entertaining. Weekend TV in North America totally sucks.
Now, why do YOU think that is brother? The more powerless
they make US, the more money the neocon zionists can murder
Humanity for, thinking they might just get away from this if
we continue to take no action in defense of anyone as God
would will. Let me be Your servant King, by backing me up some
here. We need some dollars to eat, and I need it now before we
starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has
been completely overhauled. Where are the many who served there NOW
eh?]

Look: America has kidnapped countless thousands without evidence to
be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide
OPENLY in America's uniform. [let US hunt them down for GOD, despite
what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

Telling US what?, that it is a crime to not commit a crime?
It isn't only high treason against America the ungodly bushite
are guilty of, but of a madness held by those truly Satanic..

No bushite was found gloriously killed for country, yet, they, the godless bushite enemy, continued to shoot innocent People indiscriminately for a distance of six miles, while likely, secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent un-armed Afghans were counted as murdered deliberately, by those who believe our Mankind, can not ever find themselves accountable, without zionist controlled, corporate news permission. See? The military counts mankind as zionist, but I am a man of real men, committed to defend our world from all enemies, foreign, or domestic. Unlike a bushite traitor to God and America, who's word, as Oath, means as much to them, as we do. Ungodly as they are loveless, the bushite, is Life's enemy.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal
World to end permanently demonic bushite enemies of Creation.
Help Life out by destroying cowardly America's greatest threat
to the Species, the greatest threat against Humanity's Freedom

to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for

US living Freedom with something greater as real Justice wills

Hi Guys,
I need a little advice if posible. I have recently bought an iCom IC PCR2500. When I bought it I simply used the aerial that came in the box (Useless I know), as after buying the radio, the funds didnt stretch to gettting a decent Ant. as well. The good news is that I am flush again, and want to get an outdoor Ant. that can be mounted on the chimney.
Sounds easy so far....
Here is the problem, as I am new to scanning, I have no idea in the world as to what make/model I should go for, or where would be the best place to order it from. I live in the West of Ireland, so somewhere in Ireland would be best, but I will happily order it in from the UK if needs be (When ordering my iCom, I saved nearly 400 euros by getting it in from England).
I suppose what I want to listen to is the "usual" stuff", if there is such a thing. Pretty much anything that I can get....

I also have an interest in getting the Space Station, and have heard that weather satellites can also be got.. These are not a priority, but maybe someone can advise me regarding these.

If there are any Irish enthusiasts reading this, I would also be grateful for a list of frequencies. I have searched the net, but the only lists I can find that are relevant to Ireland seem to be quite dated.

Sorry that its such a broad question, and possibly not an easy one to answer, but if anyone can advise me, I would be grateful.

John.

*** Welcome to rec.radio.info! ***

Welcome to rec.radio.info, a group that aims to provide a noise-free
source of information and news for the entire rec.radio hierarchy.

Two introductory articles about rec.radio.info are posted to the group
every month. You are now reading the first article, which explains what
rec.radio.info is, and answers some Frequently Asked Questions. The
second article is titled Posting Guidelines, and you only need to read
it if you want to submit an article to rec.radio.info.

You can skip to the next section of this article by searching for the
next
" -- " string. The sections available are:
- What is the purpose of rec.radio.info?
- Why are messages almost always cross posted to rec.radio.info?
- What is a 'follow-up', and what does 'moderated' mean?
- OK, so now I know what 'moderated' means. Tell me more.
- What type of material is considered inappropriate?
- I do not have access to news, how can I get the information posted to
rec.radio.info?
- Will the material appearing in rec.radio.info be archived somewhere?
- I have a regular posting with timely information, is there a way to
speed up it's delivery, or automate for more convenience?

-- What is the purpose of rec.radio.info?

The purpose or charter of rec.radio.info is to provide the Usenet
community with a resource for information, news, and facts about any and
all things radio.

All the other rec.radio groups are intended for discussions and general
chit chat about radio. Rec.radio.info will contain informational,
factual articles only. Follow-ups are redirected to an appropriate other
group, and further discussion (if any) will not take place in
rec.radio.info.
```

In order to ensure that rec.radio.info contains only appropriate articles, it was decided to create the group as a moderated newsgroup.

-- Why are messages almost always cross posted to rec.radio.info?

It provides a "tag" for each article to be assembled into a filtered presentation in rec.radio.info (even with cross-posting, only one message, with a unique Message-ID, is propagated across the net). This tag also facilitates a pre-existing method of dropping or canceling the articles locally within the discussion groups if you don't want to see them. This accommodates individuals who want to separate the bulletins from the discussions, discussions from the bulletins, as well as those who are adamant about not reading another newsgroup and wanted to see everything all in one basket.

With the total size of Usenet (in number of newsgroups and total traffic) doubling every year or so, this is no insignificant contribution to reducing information noise and chaos. Making the discussion groups a catch-all, and making extra newsgroups filters on that catch-all, is also the most realistic way to implement such a scheme (It's not intuitively obvious what the charter, contents, and general appropriate topics for each and every newsgroup are. Seeing FAQ's and charter/intro postings in the home newsgroup is beneficial for new readers).

By cross-posting one only is adding a few tens of bytes to each bulletin (to specify the extra group on the Newsgroups line), but are adding the capability for very powerful filtering features available on most news servers, listservers and readers. Your local news guru could probably explain these features in more detail.

In rn, for example, according to Leanne Phillips in her rn kill-file FAQ, add a line of the form:

/Newsgroups:.*[,]rec\.radio\.info/h:j

either in ~/News/KILL (if you don't want to see rec.radio.info articles anywhere) or ~/News/rec/radio/amateur/misc/KILL (if you don't want to see them just in rec.radio.amateur.misc). The latter method means your kill file will only be consulted during rec.radio.amateur.misc (and hence runs more efficiently), and will probably work for most people.

In nn, according to Bill Wohler in his nn FAQ, add a line of the form:

rec.radio.info:!s/:^

in ~/.nn/kill (if you don't want to see rec.radio.info articles anywhere), or put the following lines:

sequence
rec.radio.info
rec.radio.

at the end of ~/.nn/init in order to see all the rec.radio.info bulletins first, then read the remaining rec.radio.* without the

bulletins.

More information about kill files may be obtained from Dave Fawthrop's Killfile FAQ at:

http://www.hyphenologist.co.uk/killfile/

-- What is a 'follow-up', and what does 'moderated' mean?

If you are new to Usenet and are not familiar with the terminology, you might want to read the general introductory articles found in the newsgroup news.announce.newusers. Doing so will make your life on the net much easier, and will probably save you from making silly beginner's mistakes.

If you think that at this moment you are reading an echo, a conference, or a bulletin board, I'd also strongly suggest a trip over to news.announce.newusers.

For the rest of this article, we will assume you have a basic knowledge of Usenet terminology and mechanics.

A moderated group means that any article that needs to be posted to the group has to be accepted by the moderator of the group. Since we need to ensure that followups to an article (discussion) do not show up in the rec.radio.info newsgroup, the `Followup-To:' header line contains a newsgroup that is appropriate for discussions about the specific article.

-- OK, so now I know what 'moderated' means. Tell me more.

Rec.radio.info is a moderated newsgroup, which means that all articles submitted to the group will have to be approved by the moderator first.

The current moderator of the group is the rec.radio.amateur.moderated Moderation Team. Submissions to rec.radio.info can be posted, or e-mailed to:

rec-radio-info@panix.com

Comments, criticisms, suggestions or questions about the group can be e-mailed to:

rec-radio-info-request@panix.com

But before you do so, please be sure to check out the "Posting Guidelines" article.

The influence of the moderator should be minimal and of an administrative nature, consisting chiefly of weeding out obviously inappropriate articles, while making sure correct headers etc. are used for the appropriate ones.

-- What type of material is considered inappropriate?

There are three broad categories of articles which will be rejected by the moderator:

1) Requests for information: rec.radio.info is strictly a one-way street. We receive information in our mailbox; we then post it to rec.radio.info. Requests for specific information belong in the normal discussion newsgroups. If your request gets answered, you might consider passing the answer on to rec.radio.info, though. Especially if you can edit it into a informational, rather than a discussion, format.

2) Obvious discussion articles, or articles that appear unsubstantiated.

3) Commercial stuff: a relatively unbiased test of a radio product would be accepted, but any hint of for-profit might be reason for rejection. For three reasons: This is not the purpose of the list, for-profit is a controversial topic, and this list may be passed onto Amateur Packet Radio (where for-profit is prohibited except under certain provisos).

rec.radio.swap may be more deserving of the posting in any matter.

Similarly, copyrighted material generally cannot be used. If it's TRULY worthwhile to the net, We would recommend obtaining permission from the copyright holder. Please note the source, and if permission was given. We reserve the right to make the final decision concerning appropriateness in all situations. In most cases, a brief summary of, or pointer to, the copyrighted information may be all we can allow.

-- I do not have access to news, how can I get the information posted to rec.radio.info?

Google has an excellent web interface to Usenet newsgroups. It is available at:

http://groups.google.com

It supports both reading and posting.

Another excellent web interface to at least the radio-related Usenet |
newsgroups is the RadioBanter site: |

http://www.radiobanter.com |

sponsored by the NewsgroupBanter project: |

http://www.newsgroupbanter.com |

It, too, supports both reading and posting. |

-- Will the material appearing in rec.radio.info be archived somewhere? |

Yes. See Google Groups and RadioBanter above. |

Effectively this means that anything you post to rec.radio.info will be permanently stored, so your work will not be lost.

-- I have a regular posting with timely information, is there a way to speed up it's delivery, or automate for more convenience?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as time critical.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires co-operation and goodwill to be beneficial to the community in the rec.radio hierarchy.

Please direct any comments, questions, or criticisms about this article to rec-radio-info-request@panix.com.

*** rec.radio.info - Posting Guidelines and Etiquette ***

Two introductory articles about rec.radio.info are posted to this group
and to rec.answers/news.answers every month. You are now reading the
second article, which explains how to submit something to
rec.radio.info, and which answers some Frequently Asked Questions about
the submission process. The first article is titled "Welcome to
rec.radio.info", and it might be a good idea to check it out as well.

-- How do I submit something to rec.radio.info?

Two possibilities. You can use your newsreading software to just post
the article to rec.radio.info, as you would do with any other
newsgroup. The difference is that the software recognizes the special
status of rec.radio.info as a moderated group, and will e-mail your
article to us, the moderation team, instead of posting it to the group.

Alternatively, you can mail your article directly to us at the following
address:

rec-radio-info@panix.com

Mailing us directly is probably (a wee bit) faster, but using the
transparency offered by the newsreading software is probably more
convenient.

If you have any questions, or wish to deal with some administrivia with
the moderation team, we suggest mailing to the following address:

rec-radio-info-request@panix.com

-- How soon will I see my article appear?

It depends on how busy we are. Your article reaches us as mail, we have
to read it first, give it the stamp of approval, and finally send it on
to the group. We will attempt to read and decide on all submissions
within 72 hours at the very least, though we will probably be able to
process submissions much faster in actual practice.
```

The site from which we moderate this newsgroup, "Public Access Internet and Unix, NYC" (Panix), is directly connected to the Internet, and articles posted at that site should appear at most major news sites, including Google Groups, the same day. The principal delay, therefore, will be the wait in the moderator's submission queue.

If you post a periodic article, and have shown to be trustworthy, we may allow you to post directly if the article is of a timely nature. See the section below on direct posting.

-- Should my article be in a specific format?

No. If it is not totally illegible, we will accept it, and if it does not have a correct subject-line we will correct it with your permission -- that's what a moderator is for.

However.

You could do us a big favor by making sure your article conforms to these simple requirements:

1) The article must present information, not discussion or requests, We will reject the article or require you to change the wording if it is worth it.
2) A good, descriptive Subject line.
3) Always mention what source you got the information from.
4) Don't forget to include a Followup-To header, at least if you don't want further discussion to automatically be forwarded to you, the poster, which is the default if the article is only posted to rec.radio.info.

As we said: if your article is appropriate we will post it even if you don't follow these guidelines, but then don't blame us for not processing it immediately. 'Perfect' articles we can send on with a couple of keystrokes. Stuff that needs minor editing is going to have to wait until we have time to do so.

Please do not waste both our and your time by posting requests, as this is an information only news group.

-- What about crossposting?

If you send something to rec.radio.info, just name any group you'd like to cross-post to in the Newsgroups field. Then, when we approve the article for rec.radio.info it will get automatically cross-posted to any other groups mentioned. This will also override the default Followup-To: poster, replacing it with the groups you cross posted to.

We would prefer if the group be cross-posted to the various discussion groups in the rec.radio.* hierarchy that are appropriate:

rec.radio.amateur.misc Amateur (ham) radio and related matters
rec.radio.amateur.packet Amateur Packet Radio discussions
rec.radio.amateur.policy Amateur Radio practices, rules, etc.
rec.radio.noncomm Non commercial radio discussions

rec.radio.shortwave International broadcasting on the 'HF' bands
rec.radio.cb Citizens Band (27 MHz) discussion
rec.radio.scanner Scanner discussions (unsupported group)

or in one of the moderated groups:

rec.radio.amateur.moderated Amateur radio practices, rules, etc.
rec.radio.broadcasting Discussion of *domestic* radio broadcasting

We will leave it up to the poster to decide which group(s) are appropriate, but reserve the right to add groups if we feel it has broader interest. We will consult with the poster first.

Notes on crossposting:

- rec.radio.broadcasting is also a moderated group. The rec.radio.broadcasting moderator prefers to review all articles himself before posting. Placing rec.radio.broadcasting before rec.radio.info on the Newsgroups line should accomplish this. We will typically abide by the rec.radio.broadcasting moderator's decision whether the article is appropriate for rec.radio.info.

- rec.radio.amateur.moderated is also a moderated group. As the rec.radio.amateur.moderated Moderation Team manages both rec.radio.amateur.moderated and rec.radio.info, we can manage crossposting and approvals for both newsgroups. The rec.radio.amateur.moderated group does not allow crossposting to other discussion newsgroups, whether moderated or unmoderated. However, we would like to manage rec.radio.info as consistently as possible with how it was done by previous moderators, including the grandfathering of existing regular postings. Therefore, the submitter can choose rec.radio.amateur.moderated or the other unmoderated rec.radio.amateur.* discussion newsgroups for crossposting, but not both.

- Any FAQ or informational posting approved by the rec.answers/news.answers moderation team that is also crossposted to any rec.radio.* newsgroup (besides just rec.radio.info) is also automatically pre-approved for rec.radio.info. See below for more information.

If you post to another moderated group, it may be better to make special arrangements with both moderators before posting by contacting us at our administrivia addresses.

In addition, cross-posts do not take up extra space; modern newsreaders can be configured to show you cross-posted articles only once anyway; not everybody reads rec.radio.info; and rec.radio.info was never meant to reduce the volume of the regular discussion newsgroups. But keep in mind that some of the mail gateways may filter out the informational postings (at request of the subscribers) to keep the load down.

You decide.

-- I have a regular posting with timely information, can I make arrangements to help speed up delivery by posting directly from my site?

Yes, there is! It may take a bit of chatter with the moderator, but we are willing to take responsible people and provide them the means of posting the articles directly from their site. We will try everything we can as we fully realize that DX (distant signal) and astronomical data can be somewhat transitory. We are also willing to allow regular posters of information the same courtesy, even if the information is not as timely.

We refer to this as self-moderation, which is partly based on the model for rec.answers/news.answers. This requires cooperation and good will to be beneficial to the community in the rec.radio.* hierarchy.

If you are currently maintaining (or plan to maintain) a radio-related periodic information posting, you may wish to consider crossposting it to rec.answers/news.answers. Postings that are approved by the rec.answers/news.answers moderators for this treatment are automatically pre-approved for crossposting to rec.radio.info (as the news.answers requirements are far more rigorous than the requirements this newsgroup ever plans to use). For more information about this option, consult the appropriate information articles and posting guidelines in rec.answers/news.answers.

Realize also, that even if your post is not approved for rec.answers/news.answers, it can still be approved for rec.radio.info. The intention is not so much to get every last bit of radio-related information on rec.answers/news.answers, but rather to provide an alternative avenue of approval (as well as grandfather existing maintainers of radio-related information and spare them additional bureaucratic hurdles). Again, crossposting to either rec.radio.info or rec.answers/news.answers, both, or neither, is at the discretion of the poster (subject to the approval of the moderators). You decide what is most appropriate for your article.

Please remember that as an information maintainer, you are not alone. There are many others on the net who maintain and post periodic information postings, using various intermediate-to-advanced features of Usenet (usually via automated tools). Various degrees of technical support and general hand-holding are available from many Usenet veterans. Send us some E-mail describing your needs to our administrative address below, and we'll try to help, or at least refer you to the right knowledgeable individual(s).

-- And Follow-ups?

If the only newsgroup you have specified is rec.radio.info, then the Followup-To: field will always be set to poster. If you do not want this, you must supply a Followup-To line of your own, and we will honor that one, as long as it is a subset of the original Newsgroups line.

If you specify newsgroups to cross-post to, then the Followup-To field will be set to include all the cross-posted groups, excepting rec.radio.info itself. Again, if you do not wish this behavior, supply your own Followup-To line.

We maintain other standards on the various RFC-1036 (news transport) header lines. For example, if the article is appropriate for passing into the Packet Radio Information Network, we encapsulate the Packet Bulletin Identifier (BID) in the Message-ID: news header line indicating the machine of origin as the ampr.org domain:

Message-ID: <$opa.55.1994@ampr.org> |

where the Packet Radio BID, in this example, is `$OPA.55', and it was posted in the year 1994, because some of the Bid numbers are cycled yearly. Hopefully, this can be used as a key to re-introduce the articles for the Packet Radio network. Also, if the article is a repost of an already existing information article in the rec.radio heirarchy, we ensure that the References: header line is linked to that previously posted article. This also helps to tag articles, and may be used for additional filtering if needed.

Since the articles are archived, please use the Summary and Keywords header lines to help one search for your article.

-- Why have I received no reply from you?

We never reject anything in silence, and we make a point of it to answer all our mail. However, E-mail, like a brain cell, can and does get lost, every now and again.

So, if you send us something, and you don't see it appear it rec.radio.info, and you still have not heard from us in reply after say, five days, you can be pretty sure that either your mail never reached us, or that our answer has never reached you. In that case, please try again (We will filter out duplicates).

I live in Calgary, and would like to know the frequencie(s), for the
Alberta Sherriff. I listened to them once, when they were assisting
the RCMP on 155.790. When they were finished, they went back to their
own channel. Any assistance would be helpfull to me, as I will list
the frequencies on my website, and of course would moniter them
myself. I doubt that the TAFL would list them, as it probably would
be considered a secure channel.

The only problem with TAFL is the government does not list secure
frequencies, such as police and security companys, at least the last
time I used the database. The person may want to set their scanner on
search.

Not sure about stock antenna, but for outside, "discone" antenna's are
great for scanners, they have a very wide bandwidth. They are also
light and fairly small and inexspensive. Lots of ham radio stores
have them, I think that even radio shack offers one.

Sorry I missed the original post, but:

http://support.radioshack.com/support_electronics/doc30/30383.htm

"To order parts call 1-800-843-7422 or visit your local RadioShack
store." The catalog number and NP part number for the antenna are
listed in the above-linked document.

FWIW, I tend to agree with Tim about the discone. You can get pretty broadbanded results with a log-periodic too, but they're larger than the discone, and are directional, thus require additional hardware to be able to rotate them (a rotator and control box). Unless you have a situation where you need to be able to point a directional antenna towards a signal source in order to optimize reception, an omnidirectional antenna such as a discone is the way to go, and the discone is broadbanded as heck - I've seen receive coverage specs of 26 MHz to well above 1000 MHz (1.0 GHz) on some models. They don't give you any gain but they're a lot of bang for the buck in terms of frequency coverage.

An added bonus is that most discones can be used to transmit on several of the VHF/UHF ham bands if you ever decide to go ahead and get a ham ticket. The last one that I had was good for transmitting on 6m and 2m as well as the 220 MHz and 440 MHz bands, received from 28 to 1200 MHz, and withstood numerous Buffalo, New York winters replete with snow, ice, and high winds. As is the case on receive, they don't give you any gain when used as a transmitting antenna, but they cover a lot of territory frequency-wise; if you want to be able to do a lot with just one omnidirectional antenna it's tough to beat the discone.

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he

documents dated September 9th, 2001, originating from
Condolezza's office, outlining a strategy to invade

Afghanistan premised on blaming bin Laden a terrorist, but
providing no evidence to back up the allegation, thereby,

AMERICA HATES BUSHITE

/ / The [BUSHITE ENEMY] US has said it would refuse any
request by Italy to extradite the accused [satanic bushite
torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem
not the solution."

Christ, The Son of Man, begs the godly men of Earth, to
judicially bill on sight, any neocon soldier who supports the
carnage waged in Afghanistan as cop killing dope pushers.
They shoot innocent women and children dead in the streets for
humor, and bushite pirates at CBC and CNN, state bushite in
Afghanistan are doing a good thing helping the bushmob escape
the crimes of 911 by warring for Muslim fundamentalism,
persecuting INNOCENT women and Christians, while for
entertainment, bomb innocent families running for their lives
from a Holy Church. Soulless child killing soldiers who CBC
execs would tell are our DEMONIC heroes. Lawless dope pushing
cop killers have got to go down dead screaming, instead of the
innocent - YOU and me they target for MURDER. Death to the
dishonorable bushite THIEVES, death to the enemy neocon LIARS
of GOD and man.

We can really be something greater, while a murderous bushite
thief, a LIAR, can hardly read or write Liberty without
flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies
of America at the Coast to Coast radio network, who would
kill Americans for the rich neocons without question. It's
JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC
zionists, actual treasonous LIARS, actually smile to dying
Canadian soldiers with only true contempt. CBC kills Canadian
kids, with their intentional demon lies, trying to subvert
Justice for God and Johnny. In fact, yesterday, they did a
special, all on how "God is NOT Great", giving that bush bitch
demon LIAR, all the space to pontificate it's hatred for
Wisdom, Science, and GOD, with only nods and smiles from the
'illiterate' hord. Remember: A zionist KNOWS it's an enemy of
Humanity when it supports dropping seven million land minds to
murder indiscriminately OUR CHILDREN for decades, or stealing
a Christians Home because they say God says Jews would do such
ungodly acts. Blame innocent Jews the holocaust denying
zionist shout, of which not one, is a Jew. Like me.

-

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let
anyone out of the city, because [enemy Sattler LIED]
pro-bushite Zarqawi was there present, so the innocent
families who believed they had nothing to fear from the liar
disciples of the ungodly enemy of ALL HUMAN LIVES, remained in
the tiny city to be indiscriminately 'protected' with more
than nine two thousand pound bombs, or made dead instead by
heinous pro-bush escaping war criminals who used white
phosphorous on civilization. All to die our Humanity for the
thieved loss of evidence to demand ourselves of some official
freedom time to deal with our terrorized as suffering reality.

Support my cause, which is your cause.

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that Father's intent to bare on lancing Boudreaux, and any other who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers for the neocon are all Heroes.

Please, my brothers, join me in hunting each and every bushite present in this video down for death. For a Love of God that will never end, until we have seen each and every responsible child killing bushite present brought to true Justice extreme.

OH GOD! - to not believe as real Patriots - OH GOD!

It's our Goldsmith!

"It's says here in the literature we were given, it tells us we'll have success recruiting soldiers to [the neocon's evil version of] Christ. Because soldiers in stressful situations are more, quote, "vulnerable"." [to not believe as real Patriots] [..] "I would direct you to the letters of Paul, in which he says, blessed our those who spread the Word of God, by ruthlessly wiping out anyone who stands in our way [to rob further from a undefended America left silenced to speak in outrage against the evil antichrist of all life ourselves]."

http://server7.whiterosesociety.org/content/rhodes/RhodesShow-(8-10-2007).mp3

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values. Or don't.

People of Earth, please bill a mute bushite nazi savage, that drops bombs on our families robbed our better selves the right to voice objections against naked evil tyranny of plundering neoconned dying Amerika, attempting to enslave our entire race for the bounties of totalitarian riches.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in
from Afghanistan, that will still cause crime, and be illegal,
(and maybe give you life in prison as an American,) but
brought in with the help of the demonically evil bushite
thieving murderous military, by the likely ton full to attack
our direct family left un-protected, BY YOU PERSONALLY. And
guess what? THEY, our media masters, couldn't care less if
they actually tried to be our good guys. Reminder: the god
guys is good, the demon liar antichrist evil enemies who
thieve from Life with censorship is bad. If they hide
ourselves too far, they loose all around, up and down. So get
to it. Or don't. Your choice. Life lived Now, or damnable
death by cowardly design brought forthwith under your own
power to do nothing under such terrible costs against our
suffering natures.

Typical tyranny for media control over all of Life for the
beginners is this treasonous betrayal against our Nature, by
refusing to be honest about our potential to be far greater
than first considered. If they'd only allow US to have open
communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here
parts, Mr. Johnny America, our glorious make believe creator
of all we perceive religiously, self realized. He's a genius!

God Damn America

You f-cks, because Bush told congressmen secretly about truly
torturing innocent people to death in YOUR name, doesn't make
the crime any less satanic. True Christians will execute

bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent

people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Johnny America

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? Torture is a crime against God and Humanity. So, likewise,

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

"Media Matters didn't have a word to say when congressman John Murtha accused American Marines of being guilty of murdering innocent Iraqi civilians, service men who actually turned out to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want

America, the dying by contempt, to truly know that. For, he'd
be likely dead as sworn enemy.

Watada's freedom defense, an Oath every Soldier swears to God
with, is a "Judge" who needs to be privately arrested for

treason against YOURSELF. Support my call to demand our voices heard for Just causes, or go die silently to the grave prisonized in a zionist neocon military dictatorship

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

All fighters, listen up. ANY bush bitch neocon biter who pretends as a cowardly child killing traitor, it can't ever hear my manly voice from here, YOU kill to defend ourselves over, in the cage or otherwise. Kill any or all thieving bushite ENEMIES of America responsible for 'escaping' the 911

perpetrators, why don't you help US out some my loves...?

Thanks

That's fighting words to a corporated "generation" of left iliterate non-speaking, hypocrite nazi savages, dying sacrificed, who auto figure by remote control, we can not be allotted the public defense for freedom's cause, Justice for all by International News Challenges. ! Justice for All is given through the power of the indivisible truths of our living existence, as concluding: evidence must be used to convince ourselves on who is good or evil. period. Bushites are as dumb as they are cowardly lifeless nazi trash, good for only to play the mute ungodly bad guys in evil wars for the demon antichrist enemy of all human lives - 911's George

Walker Bush, The Traitor. See? A bushite faiths that America can be no greater with freedom ruling justly supreme, for as bushite, it would be back as being truly talentless, as a likely criminal enemy of your home town of loved families.

CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to?
What can you lose when you have granted to be blindly stolen
from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the
nation that openly thieves, tortures, and murders daily thoses
THEY ADMIT are commpletely innocent, are enemies of every
religious person denied access to honestly speak the facts as
firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50 for every can drink he, and the rest of his cadre can swallow. Buying bulk, the pop cans likely truly cost 35 or so cents. So... who's pocketing the stolen loot? Cause, you know that would be FRAUD. CNN reported that your 'meatball' story would cause no demands for the returns of stolen funs, no bushite would lose it's high costing position, as no one would be tried for treason and gloriously put to death publicly for the defense of God and country. ..They were actually laughing.. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed

criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple

hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The IDF states it will "reexamine their policy" of conducting such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminals.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. Pro-mass murderer war criminal Kristol once again, speaking freely to Jon Stewart unchallenged internationally on Our TVs as "Two Jews" stated..

"We don't believe in original sin."

Colbert half an hour later, "Are you calling Jesus a liar?"

Now, that's funny..

See? Jon Stewart isn't Jewish, for he's not black, and he speaks no words in defense of the innocent robbed and murdered in his "Jewish" name. A Zionist! He wants to sound our public voice silent where a Hitler or Kristol marches innocent others into gas chambers by calling ourselves terrorists without a thread of evidence to thieve from as unworthy. Few know, Hitler was a staunch Zionist too. The excuse would be, but G-D is worse.. because, as the "Two [atheist] Jews", they can commit no sin against Christ by trumpeting demon evil lies as if, we have no stronger indivisible arguments present in OUR defense ever for Just causes. AND, he's near the best our American national TV media has to offer!

I believe, Jon Stewart suffers from
the ignorance of Celebrity more so, than a genuine hatred for Humanity.. as that is the fault of most TVed Americans. Nothing more greater than getting on the boob tube, to really make your mark on this fleeting world as they sell their life away for nothing but the privilege to be recognized at a gala swarray.. fed on the victimized innocent of Humanity left robbed as worthless their grand stage. His show is often quite bright however, and leastly, reminds people, that CNN, CBC, and FOXNEWS isn't the be all and end all of respect for US caring viewers.

Elected Governments All Over The World

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention

these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims,

while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TV networks. Al-Qaida = General Mahmoud Ahmad

See?, by not using evidence to from your guilty verdicts, how can it be therefore possible, to know, you've arrested, tried, then executed a mass murdering NEOCON war criminal? I don't think Americans could possibly be more disrespectful to God and country, Johnny and Justice right now, do You?

Don't anyone be deceived that the neocon enemies minimally assisted these crimes by refusing to allow US pursue the evil doers by following the actual crime scene leads, but we lack REAL leadership skills that are naturally required to see molten Iron flowing like water from the 911 towers on YouTube. TRAITORS TO LIFE

"I told him, there's women and kids in that room," Lance Cpl. Humberto M. Mendoza said of Lance Cpl. Stephen B. Tatum. Tatum's response was, "Well, shoot them,"

If Americans don't proudly put to death Tatum, on behalf of the Family that lost their son, their Marine, Johnny will formally conclude, Bushite america is an ungodly evil nazi fascist state of intolerance and hate to US, the Great Human Race. Bushite amerka does not own Freedom, nor do they own our rights to be Just. Join me in demanding the Public execution of the satanic demon liar Tatum, on his Public insistence that murdering innocent families to thieve from for the neocon, is a crime not warranting the death sentence enforced by any family man. Death to the bushite. death to the enemies of man. The neocons will be arrested, tried, and executed for the crimes of 911 as traitors to Life.

Death to the bushite instead of the innocent loved in God

Don't EVER forget, the private company Aegis has been officially found dressing up as AL-QAIDA! - AL-QAIDA! - AL-QAIDA! to murder pro-western forces in Iraq, while desecrating Elvis. Elvis Presley. If you don't love Elvis, there is something seriously wrong with America. Now yous messing with a real son-of-bitch. HeY!, question: why don't Americans kill a bushite for Yourself bud? - because Bushites insist "we're" willingly being led by the antichrist enemy of all human life as Satanic LIARS who intend to cheat ourselves of freedom through self respect. Pro-neocon-media enemies are nazi savages, and I don't like it..How about you?

Death to the bushite instead of the innocent loved in God

Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. (Any soldier who doesn't proudly talk of how it hunts those British soldiers who kidnapped barefoot children and victimized them on video, is a soldier worth destroying NOW to defend GOD and Life from needless death.) I HATE the REAL demon antichrist Christ says.

Kagan "You rarely know in the middle of a war, what the outcome will be."

/ / The US has also been backing some pro-western politicians like Iyad Allawi \ \

Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

-

George Bush "The same folks that are bombing innocent people in Iraq were the ones who attacked us in America on September the 11th"

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to
take away all your guns, and is a communist, but, Alex as
sometimes, is terrified of those who seek the requirements to
defend freedom directly, as more specific. (Example: NWO
isn't the name of the specific guy who financed 911 to murder
America.) So, as a consequence, he gets near ridiculous with
labels applicable to generalizations only dummies could
believe blindly. With Kucinich campaigning on ACCOUNTABILITY,
Alex Jones looks quite foolish. But, he's still trying.
Thank god for that. Thank god for that. Talk radio in
America should take open line calls on our ideas about how to
actually plan to defeat these, found factually to be, traitors
to God and Country.

Bushite War LIFE Itself - and - They Couldn't Care Less

'Alpha company patrols the poppy fields.'
20070420_taliban28.mp3 (pbs broadcast)

"About the poppy harvest, currently gathering pace all around
them, they couldn't care less." Instead they kill unarmed
innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide
distribution and production of heroin, tells of murdering
innocent farmers, that would never raise a gun in anger, are
those they openly confess to target for first degree murder as
labeled the, second tier Taliban. That's when not defending
American Pension thiever ENRON'S pipeline managed under their
extremist Muslim fundamentalist regime of intolerance for
public communications, as the continuing thieving of 80
percent the Humanitarian Aid given by Canada to feed the
STARVING, and school our children of the impoverished
Afghanistan, as so reported. Eighty percent. 80. 80 percent
stolen. I'm telling YOU: CBC couldn't care less about what
Canadian soldiers are actually dying as COWARDS for:
"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly

partners in crime" CBC national radio management needs to be arrested in Canada for high TREASON. Please, be a Patriot, and demand these zionists allow open communication with the facts to save the lives of Canadians soldiers they hold in contempt to die as the bad guys committed to no better good.

As US State Attorneys?, whom have the most serious of American Justice Department Motions of Defense for REAL Freedom?, he's not concerned directly with?, nor would "like" democratic Peoples to be allowed to care either?. IF he gets HIS way he says - as minding for the criminal master. True, Americans are generally, extremely cowardly as Bush's freely giving PAYERS, led for more ungodly sacrifices in fascistic silence, but this continuing charade of incompetence gathering against our entire Humanity, is going way beyond acceptable to everyone concerning. Johnny Wizard conceivers and otherwise non-believers state together:

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but
will smile while watching your son or daughter sent out to die
CONNED by their demonic hatred for US freely communicated.
How do I know this? I made the effort of making the phone
calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio
hosts allow free communications, absent their personal
contempt for preserving freedom to be our America. George
Norry WILL kill Your American child for the contempt he truly
holds for our lives here. He says he only supports murdering
Arab children for the neocon, but when your not looking in his
'shadows', he'll kill your child too, don't doubt it for a
second.

pleasure of the president

US Attorneys don't serve "the pleasure of the president", they serve freedom lovers dedicated to defending America from willful criminality. But, americans are too stupidly weak to demand Coast to Coast hosts allow open communications on America's highest of concerns. Bushite america would rather, in silence, thieve from God as our Humanity, than serve the protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has

adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal

life as actually worth something.

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi

filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. I've spoken to most of those 'in control', and I'm telling you, they're losers, and they know it. Remember: they'll censor my voice to send YOUR child to die for no better good, or reason understood, while entertaining. Weekend TV in North America totally sucks. Now, why do YOU think that is brother? The more powerless they make US, the more money the neocon zionists can murder Humanity for, thinking they might just get away from this if we continue to take no action in defense of anyone as God would will. Let me be Your servant King, by backing me up some here. We need some dollars to eat, and I need it now before we starve to deaths.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

No bushite was found gloriously killed for country, yet, they, the godless bushite enemy, continued to shoot innocent People indiscriminately for a distance of six miles, while likely, secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent un-armed Afghans were counted as murdered deliberately, by those who believe our Mankind, can not ever find themselves accountable, without zionist controlled, corporate news permission. See? The military counts mankind as zionist, but I am a man of real men, committed to defend our world from all enemies, foreign, or domestic. Unlike a bushite traitor to God and America, who's word, as Oath, means as much to them, as we do. Ungodly as they are loveless, the bushite, is Life's enemy.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he

is not a deliberate incompetent monster war criminal
of unfathomable evil?, who is just too 'stupid' to understand
why we are innocent until proven otherwise?, is really
something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he
played no part whatsoever in 911, then later, offered himself
for arrest, confident he would be acquitted. Not corporately
newsworthy though, so, few even know why their American child
was later died in the terrorists act of corporate contempt for
US living Freedom with something greater as real Justice wills

My friends, People are dying because the magic radio and TV

leaving our forsaken Johnny Wizard's Wild Wow World of Wonder
Wording Wees!.. mostly just appreciated by myself as sole
surprised spectator, because you people seem to not be there
for God when the chips are down, and truth is plain to see..
911 was an inside job, and CBC with CNN don't want to tell us
about it, but will watch our LOVED children lied to, to go out
and die further for a causeless war of criminality
unparalleled in it's wickedness.

Do you expect yourself to fail trying?

It's all up to You my friend, it's all up to you.

No, it's tomorrow for the test I thought?

Also, this radio allows you to enable/disable certain
warnings/watches.
I never saw any warning/watch for tornadose. Is it on by default
perhaps?

I already tried to call radio shack's corporate number and they said
they offer no technical support anymore and told me to call/visit a
local store. I don't want to do that because the lady at radio shack
was confused as to what I wanted.

Any ideas?

Hi,

I'm considering purchasing a WR-305e or a WR-315e. I want to use it for monitoring some VHF/UHF digital communications.

I've read a lot of bad things about Winradio, but most of what was written is old. I'm wondering if people still don't like the Winradio receivers or if they've finally earned some respect.

I must have a receiver that can provide a digital stream via USB to a computer. This can be digital audio, I/Q samples out of an ADC, or a digitized IF. I can not use the computer's sound card for digitization. What other receivers should I consider? I can't find anything that competes with the WR-3x5e.

The WR-305e is around $750 and I think the WR-315e is around $2500. I'm not sure if I need the better receiver for my application.

Thank you very much for any information or advice you might provide.

John

I'm not sure if this is a primary consideration, but if it is, consider
that there are small usb powered a/d devices -- like the Turtle Beach Audio
Advantage SRM for example -- that can provide you with a digital stream
over usb, independent of your pc's soundcard. That might enable you to
widen your radio search. Just a thought.

WinRadio had a bunch of offerings prior to their SDRs. They generally
weren't good unless working under ideal circumstances, which never
happens.

The SDRs, on the other hand, are a different story. Now, I don't know
the specifics of the 305 series, but there are two SDR types of
different price ranges and designs, but with similar capabilities.

If the 305 uses the computer to do the final detection and filtering
and requires you to use the sound card, that's probably not a bad way
to go. (There's then a corresponding 315 series, right, that can work
without the sound card?) These radios aren't perfect. But they are
damned flexible and capable with some weaknesses.

Don't expect them to be as good as the cream of the crop. But they
are a lot of fun.

I have an early, HF only 303i.

You are probably listening to ACARS transmissions.

http://en.wikipedia.org/wiki/Aircraft_Communication_Addressing_and_Reporting_System

There are numerous ways you can monitor and decode ACARS transmissions received
on your scanner.

1265. Replacement Antenna Suggestions ?

Hello,

Would like to ask your opinions on what is generally acknowledged as the "best" replacement antenna for a handheld scanner.

I realize that no one can cover all the bands really well, but if you had to pick just one
for the typical scanner's overall range of perhaps 30 MHz up to 1.2 GHz or so, which would it be ?

I heard about the Diamond RH77CA. Would this be the best bet ?

My problem is that I really don't want to keep switching antennas, and I do listening
most anywhere.

Are there handheld antennas with traps or small tuning coils for really good coverage on the major bands, yet have decent coverage over the rest ?

I would also like to throw in one additional constraint; that being that I would
like it to be no more than about 12 inches in length, or so.

Suggestions ?

Thanks,
B.

It's a 12-259 SAME Weatheradio.

Is it on by default to make sure people are warned?

I've read the manual a dozen times and pressed programming buttons

So much depends on what you are monitoring.

The RH77CA is a great antenna.

I also use the Radio Shack 800mhz antenna. Of course it is great for
the 800mhz band and so so for everything else.

I have and use both the RH77CA and the Radio shack 800. I use the 800 on my
BC246. When I bought it they warned me it would not work on the band the
county uses here (150's), but it does in most parts of the city. Can't tell
the difference. In the one part where reception is real bad the original

antenna that came on the Pro95 and the BC246 does not pick the county up well at all. The 800 works better but the RH77CA works better yet. I keep it on the Pro95 to use there to listen to the county and State. It also works fine on the Cities 800 trunked with the 95.

If you read some of the "positive" feedback comments, you'll see
they're not really positive. Many people will post a "positive" vs a
neutral or negative comment to keep their own feedback from being
negatively affected, From all the time I've been following this
scumbucket, he'll post bad feedback slamming even people with genuine
complaints.
I just don't trust the guy. Before he made all of his auctions private
to "protect" his buyers, you could look at the items he sold, and see
that they didn't always match his glowing descriptions of the actual
item. He also uses only the small default size pictures, claiming eBay
"compresses" the pictures, causing the item to look "bad".
I'm sure you can get a good item from the guy, but I'd never take the
chance.

This may not apply to all jurisdictions, but when a police dispatcher comes back with license information, they conclude by stating "Point Level" with a #.

It's usually 0, sometimes 1, rarely 2, only once had I ever heard a 3, and never a 4. I'm assuming of course that the higher the number, the less flattering a motorist appears to the traffic cop(s) hassling one. I've tried to reason it out based on level of violations, but even the most egregious records can have a 0.

What IS the Point Level, what bearing does it have on a driving record, what factors determine the # associated with it, and what does it tell the cop?

Locally (to me anyway) it means the number of points currently on the
drivers license. A traffic infraction may be 1 or 2 points. Speeding or
careless driving may be 2 points, whereas reckless driving at high speed
may net 3 points or more.
In NJ I often hear "1 in the box" or "2 in the box" as reported from the
dispatcher. This tell the patrolman that the driver already has a
violation on record.
Points in NJ equal big money. 2 points may cause a surcharge on your
insurance of about $1000 a year for 3 years. This is some serious coin.

Hope that helps,

PJ in NJ

"0 in the box" ..... fingers crossed!

You do not set it specifically for "tornado warnings". If you have
the FIPS codes set per the manual then it will go off when a warning
is issued. There is a special code that goes out with the warnings
that allow radios properly equipped to show what type of warning it
is. However, you do NOT set the radio to enable "tornado" or other
specific warnings

The radio allows me to disable/enable "yes/no" to all watches and
warnings. However I can enable tornado 'watch' but not a tornado
'warning'. It simply is not an option.

Am I to assume the radio is setup so that you cannot enable/disable
the specific 'tornado warning'?

Their are about 15 watches and warnings I can setup.

First off - I'm hoping this is a different radio than your other one you
posted many times about and none of anyone's help seemed to help.

Secondly - READ THE INSTRUCTIONS. Maybe it points out the difference in any settings for Tornado Watches and Warnings - as may be available.

Third, in weather terms - A "Watch" means conditions are "favorable" for such things and you should be keeping an eye to the sky and be prepared to take actions - should conditions worsen and a "Warning" be issued. it does <not> mean it "will" happen. A "Warning" means it is <Imminent> "or" <Happening>. If a "Warning" comes across - and you're in the path - it is too frigging late to be pissing with a radio - you best be ducking for cover. Maybe they have the Watch/Warning incorporated together for a "Tornado" since they can be form so quick and violent - as opposed to say "River flooding" which can take some time depending on rain fall amounts and predictions there of. Not owning one - "I" can only assume - this "setting". It would make sense to do so.

What is the model number and so on - I missed it - maybe I can read them for you and try to unscramble it for you. Short of that - do as Evan suggested - call the manufacturer - or E-Mail them. I'm sure they've got a web site with a "Contact Us" button.

Just my 2 cents for what it is worth.

OK, Assuming - you're referring to the RADIO SHACK model - 12-259. I read the manual quickly - online - and unless I missed something - I seen no reference to a "specific" setting for toggling between the two for "Tornadoes".

Here is a link to their Support Pages for this model. It includes a button for FAQ!

http://support.radioshack.com/support_tutorials/weather/12-259.htm

Hope this helps!

It's a 12-259 SAME Weatheradio. And NOT the same as the Midland I
posted about so much.

I read the manual about 5-6 times and nearly ripped it apart.

It was bought from radio shack.

This post asks a question pertaining to the Uniden Bearcat BC95XLT scanner.

Sometimes, after a frequency with an active transmission is found during the search (Func + Src), it has a 25, 50, or 75 to the right of the frequency.

For example:

411.768 75
413.437 50
415.106 25

(The 25, 50, 75 is smaller than the main frequency numbers.)

Sometimes the numbers can also be seen cascading 25 -> 50 -> 75 in rapid succession during the search--mainly through the 4##.### frequencies when frequencies have not yet been found during the search. Also, when searching through the 8##.### and 9##.### frequncies, only the 50 blinks on and off during the search, and occasionally an 8##.### or 9##.### frequency will have a 50 after it after a transmission has been found during the search.

Other examples:

931.812 50
936.737 50

Hopefully, my explanations have been clear enough, along with the examples provided.

Are these just additional frequency decimal places (i.e., 411.768 75 means 411.76875) or do these mean something else? (The manual shows these indicators as part of the display, but does not appear to explain what they actually represent.)

Thanks in advance for any information regarding these 25/50/75 display indicators.

Those numbers are the two least significant digits of the received
frequency. The step size is 6.25 kHz for 406-512 and 12.5 kHz above 806 MHz.
See the specifications section of the manual.

Yes they are additional decimal places.

The scanner seems to use 6.25 kHz steps on the 400 MHz band ie. during
search the actual frequency is incremented 6.25 kHz (0.00625 MHz)
and goes like this:

411.00000
411.00625
411.01250
411.01875
411.02500
411.03125
411.03750
411.04375

etc.

On other bands like 800 and 900 MHz it seems to use 12.5 kHz steps:

931.00000
931.01250
931.02500
931.03750
931.05000
931.06250

So the indicators simply show the fourth and fifth decimal places.

Trunking scanner. EXCELLENT condition. Comes with POLICE CALL 2005,
and two original sets of instructions/manuals and original box. DC
"wall-wart". I am totally surprised at the sensitivity of this
scanner. Does well with just the radio's whip but extraordinary with a

Thanks for the link ! (Thats where I bought my Scanner)

hooked up # 278-126 Rat Shack BNC to ~ 4 feet 24 gauge wire;
hung it on me window;

picks up Lots of faint traffic I couldn't get with the standard whip.

Wondering if I keep adding segments what I will eventually be able to

1297. Swiveling BNC-To-BNC Connector For Handheld Scanner Antenna ?

Hi,

I know a very few handheld scanner antennas come with one already built in,
but does anyone know of a
source (assuming they exist) for a BNC to BNC that swivels between them ?

Would like to add a swivel feature to a scanner antenna that does not
swivel.

BTW: any opinions on whether this degrades any signals, etc. ?

Thanks,
Bob

I've used a pair of right-angle BNC adapters to provide a universal
joint. The arrangement allowed the antenna to sit along the side of the
scanner while clipped to a belt, without poking me in the ribs.
And, yes, it also provided an attenuator in the process.

it will degrade the signals,
how about using a pull up telescopic, cheap and its free with the aerial.

Hi Guys,

Hi Guys,

Thanks for the suggestion of the 2 BNC right angles.
This truly fits into my category of: "gosh, why didn't I think of that !"

Just a quick follow up"

I realize that anything in the antenna feed loop degrades signals top some
extent, but how can (just) two BNC's degrade any to a "meaningful" extent "

I don't have the tables in front of me, but at the UHF freq's are the BNC
losses that high ?

Thoughts on ?

Thanks again,
Bob

I can't tell you just how much attenuation a pair of BNC right
angles introduces, but I'd guess they'd add 1-2db. It isn't excessive
but I do know that they helped reduce some pager intermod that I was
getting, without harming the strong signals I wanted. Of course,
folding the antenna down so that it lay alongside the scanner case
blocked all but the strongest signals.
If you want to get the exact figures, look for specs on UG-306/U
or Amphenol 31-009.

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and

murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

http://www.crooksandliars.com/Media/Download/22786/1/rice_iran_sanctions_102507.wmv

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE

THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

FREEDOM

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. Live for freedom dying America! Johnny America wants to be invited on Coast to Coast. Make it happen Man. Justice for god, is Justice for all.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children

practically to death while laughing and cheering? Or like

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

Hitler wasn't even so openly naively evil as Our Mr. bush Jr is truly. Our. What are YOU going to do about it... PnK.! Answered silent the God of Hosts echoed: Support our rise to find ANY soldier who honors the American flag, who doesn't agree Bush, Cheney, and Rumsfeld must be publicly arrested immediately for the continuing war crime trials of 911. (And Condi with Myers too as just getting started then.) Otherwise, we WILL find ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of

dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! 'BIG LOVE' China!! Moscow! Hey buddies... I'm coming over for drinks no matter which way you look at it. Business first.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of GOD.

/ / By simply deciding that something is a "state secret," the Bush government has avoided answering for its brutal treatment of innocent [TORTURE] victims in the war on terror. This is a perversion of the principle of American justice. \ \ Realize: Mr. Bush, the demon enemy of all humanity, out of the same mouth, states torturing [innocent victims as satanic liars] would be ungodly, and isn't done. bush "We do not torture"

Kill the bushite enemies BY AMERICAN LAW for torturing innocent people to death as lawless 'whore yah' thieving disciples of the ungodly antichrist who bombed Iraq for NO REASON WHATSOEVER.

To Kill a Bushite, is to be Heroic

Pro child killer George Norry, enemy of the American soldier, still blabs about how more must die unjustly for bin Laden with LIES, knowing full well, video of steel flowing like water from the WTC exists, and that General Ahmad funded Atta. USEFUL! Tell me, wouldn't YOU have publicly tried, then
executed neocon traitors for mass murder if you were
dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip",
zionist neocons who war as enemies of humankind? What

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

then the demon enemies of America, closed outstanding criminal investigations..

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

-

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering
a honorable father to rape his young child, like Lcpl
Boudreaux freely confesses. Boudreaux will tell you, openly,
you have to murder the Arab father of the Arab child your

OH GOD! - to not believe as real Patriots - OH GOD!

It's our Goldsmith!

"It's says here in the literature we were given, it tells us
we'll have success recruiting soldiers to [the neocon's evil
version of] Christ. Because soldiers in stressful situations
are more, quote, "vulnerable"." [to not believe as real
Patriots] [..] "I would direct you to the letters of Paul, in
which he says, blessed our those who spread the Word of God,
by ruthlessly wiping out anyone who stands in our way [to rob
further from a undefended America left silenced to speak in
outrage against the evil antichrist of all life ourselves]."

http://server7.whiterosesociety.org/content/rhodes/RhodesShow-(8-10-2007).mp3

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi
Arabia, on how to best torture innocent people to death as
TRUE enemies of Man. Has anyone read the fiction 1984? 'Why

is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values. Or don't.

People of Earth, please bill a mute bushite nazi savage, that drops bombs on our families robbed our better selves the right to voice objections against naked evil tyranny of plundering neoconned dying Amerika, attempting to enslave our entire race for the bounties of totalitarian riches.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack

our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has

giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. ¿KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Johnny America

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? There really IS a GOD, committed to dealing death to torturers and murderers, and a place reserved as "Hell", where such Satanic behaviors are nothing to get up and roar over. Please support my rise for acknowledgement, and in turn, speaking for freedom where it counts, with You and Yours. / / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice -

for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

See? bushites are cowardly, or ignorantly evil - as thieving dumfuk grunts for the enemy liar neocons. Look, they refuse to kill on sight, soldiers who kidnapped Iraqi children to be beaten to death on video tape, or any Aegis employees for actually murdering INNOCENT Iraqi men, women, or children for stolen cash profit, over the loss of LIFE the bushite TRULY pays in collateral. DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. Death to the bushite, death to the enemies of Man.

-

http://server7.whiterosesociety.org/content/rhodes/RhodesShow-(3-10-2007).mp3

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. American tax payers pay $1,222.00 per death squad goon, per day, while billing their sacrificing kids, tens of thousands for up and coming medical costs not covered. Did you know they, the incompetent bush regime, still haven't fixed Walter Reed? Who really cares right?

-

Look, a bushite would kill an American child too. When or will Americans become American? Death to the bushite, death to the enemies of Man. Again, national bushite broadcaster, George Norry stated he'd go ballistic against any American soldier who refused to murder for the neocon as traitors, and "America" STILL refuses to speak in their own defense for dying. Death to the bushite, death to the enemies of Freedom for America.

/ / "as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.] \ \

Look, listen to soldiers who sing about the joys of murdering innocent young girls, see their faces in the videos celebrating the murder of girls LOVED by GOD and ME, and question: Why won't you as an American assist Christ in the glorious hunt. Nothing better in this world than to kill a murderous bushite who claims it's lawless to this suffering Universe, ruled criminally by the demon antichrist enemy of ALL HUMAN LIVES. All religions want US to defend GOD - please help me take on all challengers.

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made

ignorantly entranced TV audience that is repeatedly reminded,
we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but
just lie and tell US they do. Look to see, almost all
political internet traffic condemns Bush straight to hell well
he rightly belongs, but the polls still say no - WE, seeking
for Just cause, are the minority.. just roll over and die for
the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

www.crooksandliars.com/Media/Play/22003/1/Beck-Limbaugh-100207.wmv

"Media Matters didn't have a word to say when congressman John
Murtha accused American Marines of being guilty of murdering
innocent Iraqi civilians, service men who actually turned out
to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon
easily successful conviction, we put the demon liar to death
along with bushite Tatum who confesses freely to slaughtering
innocent Iraqi civilians for satanic pleasures all to serve
the neocon agenda of swindling America TO DEATH for cash
profit through neocon censorship. Mattis, the woman hating
documented child killer, was made into a 'Judge' for the
bushite's version of a war crimes 'trial', that hasn't even
yet truly transpired, for the evidence was not brought to
light through the proceeding, such as Tatum's full confession.
But, of course, Glenn Beck, the treasonous liar, doesn't want
America, the dying by contempt, to truly know that. For, he'd
be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the

true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

TATUM ADMITS he enjoyed slaughtering the defenseless families deliberately!! In fact, he wrote a card to a dead marine's family, testifying that he murdered the innocent young girls for the tyrannies of the antichrist. What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these

ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of

blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The IDF states it will "reexamine their policy" of conducting such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. Who is who here, a freeing peoples I tell you, arriving to bring a true patriotism to Life for US. Are you with yourself as respected an equal under the law devised fairly for all concerned parties?.. well then... let's g o ! ! !

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon

911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk

about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See the bushite, you bill it for Christ, You bill it for America, You bill it for them, you bill it for US.

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

/ / Idiot General Says Dead U.S. Troops Best Reason To Keep War Going And Kill More U.S. Troops

If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth something. When, or if that day should come, it will be the day where Iraqis victims are seen, as just you or me. Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Just look at that my friends of Earth just look at that. Americans speak only contempt for the value of human life. Every day, INNOCENT Iraqis die by the criminal actions of the demonic neocon enemy forces of EVIL, and our deaths as the god loving mean nothing. A small few die in a bridge ACCIDENT, and every corporate channel devotes the entire day's news as it. Allawi confesses to killing children for "CIA" money, and there, as with the soldiers who braggingly, beat innocent children to death for sexual pleasure, bomb people indiscriminately, or steal all the humanitarian aid, don't command your slightest concern as impartial paying for it TV viewers. They say, US people who aren't "Americans", do not deserve due process, the freedoms they claim to own exclusively, of which WE, are granted nothing of. See?, by not using evidence to from your guilty verdicts, how can it be therefore possible, to know, you've arrested, tried, then

executed a mass murdering NEOCON war criminal? I don't think Americans could possibly be more disrespectful to God and country, Johnny and Justice right now, do You?

If Americans don't proudly put to death Tatum, on behalf of the Family that lost their son, their Marine, Johnny will formally conclude, Bushite america is an ungodly evil nazi fascist state of intolerance and hate to US, the Great Human Race. Bushite amerka does not own Freedom, nor do they own our rights to be Just. Join me in demanding the Public execution of the satanic demon liar Tatum, on his Public insistence that murdering innocent families to thieve from for the neocon, is a crime not warranting the death sentence enforced by any family man. Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

George Bush "The same folks that are bombing innocent people in Iraq were the ones who attacked us in America on September the 11th"

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

Kucinich for President!
http://www.democracynow.org/index.pl?issue=20070524

Now, it's true, America's Alex Jones states Kucinich wants to take away all your guns, and is a communist, but, Alex as sometimes, is terrified of those who seek the requirements to defend freedom directly, as more specific. (Example: NWO isn't the name of the specific guy who financed 911 to murder America.) So, as a consequence, he gets near ridiculous with labels applicable to generalizations only dummies could believe blindly. With Kucinich campaigning on ACCOUNTABILITY, Alex Jones looks quite foolish. But, he's still trying. Thank god for that. Thank god for that.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio hosts allow free communications, absent their personal contempt for preserving freedom to be our America. George Norry WILL kill Your American child for the contempt he truly holds for our lives here. He says he only supports murdering Arab children for the neocon, but when your not looking in his 'shadows', he'll kill your child too, don't doubt it for a second.

pleasure of the president

US Attorneys don't serve "the pleasure of the president", they
serve freedom lovers dedicated to defending America from
willful criminality. But, americans are too stupidly weak to
demand Coast to Coast hosts allow open communications on
America's highest of concerns. Bushite america would rather,
in silence, thieve from God as our Humanity, than serve the
protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the
Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be
killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command]
said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked
bushite tyranny is won EASILY through communicating
understanding. The tribal strategy of Afghan fighters, where
Allah is Oonerroh, seems to be not the only thing missing from
the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top
top top leader. Only "second" to Omar the Just. (Apparently
an individual this current bushite incantation of "Dadullah"
is totally un-familiar of.) Omar, the Just, whom Dadullah
claims he receives his Top Secret nobody can see'im orders.
In other winds: Bill a bushite for God and America, an all
day long you'll have good faith in a world freeing ourselves
of godless dumfuk tyranny implemented by the horribly foolish,
as deeply ignorant of Allah, bushite demon liars for the
traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be
killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command]
said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite
tyranny is won EASILY through communicating understanding.

Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth

ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime"

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

YOU

"If the absence of violence is victory, no one will ever win." http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they

responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe

as corporately broadcasted unabashedly unbiased, that he
is not a deliberate incompetent monster war criminal
of unfathomable evil?, who is just too 'stupid' to understand
why we are innocent until proven otherwise?, is really
something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he
played no part whatsoever in 911, then later, offered himself
for arrest, confident he would be acquitted. Not corporately
newsworthy though, so, few even know why their American child
was later died in the terrorists act of corporate contempt for
US living Freedom with something greater as real Justice wills

-

My friends, People are dying because the magic radio and TV
wont broadcast our publicly available findings. Police
findings. People are dying needlessly, illegally,
irrationally like meaning really stupidly on Bush's behalf,
for they claim, we don't want to be 'embarrassing ourselves',
leaving our forsaken Johnny Wizard's Wild Wow World of Wonder
Wording Wees!.. mostly just appreciated by myself as sole
surprised spectator, because you people seem to not be there
for God when the chips are down, and truth is plain to see..
911 was an inside job, and CBC with CNN don't want to tell us
about it, but will watch our LOVED children lied to, to go out
and die further for a causeless war of criminality
unparalleled in it's wickedness.

Do you expect yourself to fail trying?

It's all up to You my friend, it's all up to you.

Anyone in the Air Force deserves to be justly put down, for, I've NEVER seen any legitimate bombing campaign, but for to kill People indiscriminately like NATO regularly does with radio-active toxic waste, while then sending in the dumfuk Marines, or the 'from the coast' Canadians, who of course, rightly get killed on the ground in retaliation for such blind evil stupidity. Please, I beg, help Iraqis, and kill the bushite thieves to defend our forsaken God. American children, help me my loves. Please don't allow the bushmob to escape for the treasons against America on 911, for, bushites are OPENLY traitors, as the TRUE enemies of evidenced Justice, as the Freedom to do our own things loving God on our own. Besides, most bushites aren't even registered American citizens. Bushites need to be hunted down for destruction - by the Loyal Christian American Patriot Soldier, the ones who war to win against those who torture US innocent to death as the ungodly Satanic LIAR enemies. On-line owner's manual at:
http://support.radioshack.com/support_electronics/doc66/66173.pdf

According to it there is a reset opening on side. Turn off the scanner,
then turn it on. Insert the obligatory straightened paper clip and
press the reset button therein.

Hi all,

For most pocsag decoding software it is difficult to show short messages
in the right format (numeric / alphanumeric). In most cases PDW will
make the right decision, but sometimes it is wrong.

If you have noticed wrong displayed messages (not bad decoded) and
if you're willing to test a new version which should make less mistakes,
please let me know!

Best regards,

Peter Hunt.

Foxy's Showtime on Capital FM 25/11/98 7.35pm

Certainty level: 100%

This one, I can say with absolute certainty, is about me. It was recorded on my Sony Recording Walkman on the evening of Wednesday 25 November 1998. It doesn't mention me by name, so the objective observer might have trouble understanding why I'm so sure it's about me. I'm sure, because the harassment had restarted over the period when this piece was broadcast, and what Capital transmitted would have been in context with events at the time. (Sorry if that explanation is somewhat opaque, but I don't really want to embarrass myself by giving an explanation in detail, and an intelligent reader should be able to work it out for him/her self.)

This isn't the first time Capital have "got at" me; they were doing so right at the very beginning in summer 1990, when they said, "if he listens to Capital then he can't be all bad"; and Tarrant made remarks about me in his breakfast show in spring 1994, when he said, "you know this bloke? he says we're trying to kill him. We should be done for attempted manslaughter."

Unfortunately I didn't record those previous, much more conclusive instances of harassment by Capital DJs, and Capital Radio tells me they only keep recordings for three months. But lately I've been recording everything, and here is one product of that recording.

Neil Fox was introducing some petite Swedish songstress, sounded like Amelia, when he said something about her petite-ness ;

"she's a big big girl, actually she's really about tiny, she's this big, would you say what less than....."

then one of his studio staff shouted, "six inches"

then Fox laughed and said, "less than a meter tall, definitely"

What I think the "six inches" referred to should be obvious. I think it's sexual abuse directed at me.

Also there were a lot of words like "crazy", "mad" etc on this programme, which reinforced my belief that this was on purpose directed at myself.

I think Fox may be something of an unwilling participant in this abuse, he doesn't want to be an abuser but the persecutors are using his show and his staff to get at me. This is not the first time this sort of thing has happened from his show; and my guess is that it won't be the last

Jackie King from the Flying Eye 14/3/99

Certainty level: 40%

In early March 1999, Capital Radio alleged they had received some emails, one of which was forwarded to me. It contained the words, "you know this bloke, he says we're trying to kill him, we should be done for attempted manslaughter!" which Chris Tarrant had said in 1994.

Following these emails there was an explosion in abuse activity, both from Capital Radio, and from MI5 themselves. MI5 followed me around and hurled abuse at me. The following audio file contains what may be abuse from the radio station.

Jackie King from the Flying Eye made these remarks on Sunday (14/3/99) lunchtime 12.24pm; "gas main work being, er, HANDLED if you like (laughs, embarrassed) outside Madame Tussauds, Euston Road obviously feeling the backlash of that".

The key word is "handled", which she sounds embarrassed to be saying; to me it looks like an attempt at a sexual slander. Capital Radio aren't even pretending not to get at me any more. I asked Chris Tarrant several times about his remark from 1994, and he has consistently avoided answering.

Virgin Radio-Johnny Boy (21/August/1998)

Certainty level: 60%

On Saturday 15 August 1998 I attended a gathering of contributors to newsgroup uk.misc at London's Victoria railway station. Also present was Simon G, who had previously given this description of what he would be wearing;

At 06:36 AM 13/8/98 GMT, Simon wrote:
>further clarification to aid recognition, i'll be wearing
>a t shirt, a brown suede waistcoat, a brown suede miniskirt,
>& a pair of patchwork leggings (& may have a widebrimmed straw
>hat, too).

It is my belief that my persecutors, who monitor my home telephone line (and consequently read all modem communications including email), were aware of this meeting, and may even have observed the "meat" taking place.

Following the "meat" it seemed to me that one or two attempts were made by my persecutors to portray me as "gay", on the basis of Simon's suede miniskirt, which in their inventiveness my persecutors attributed to me, not Simon. (Just for the record, Simon is hetero, and has agreed to the above email extract being published.) The following item from Johnny Boy's Wheels of Steel (between 7pm-11pm, Friday 21/8/98) is one such attempt.

(conversation) (J=Johnny-Boy, H=Hipster)

J: Texas of course part of V98 this weekend enjoy it if you're going. Keep your eyes out on Sunday in Chelmsford for Hipster, because he's going to be there. What are you going to be wearing?

H: I'll be wearing my, er, my suede shorts.
(sycophantic laughter)

J: and believe me he ain't joking, he ain't joking. OK coming next at Virgin on the Wheels of Steel...

Why do I think Hipster's "suede shorts" refers to Simon's mini-skirt? Because "suede" in both cases (obvious!); because "suede shorts" indicates "gay" which they were trying to pin on me; because "shorts" = something short, such as a "mini"-skirt; and because the two DJs both laughed as soon as Hipster said "suede shorts", they knew what the joke was, they knew that they were meant (and probably paid) to find it funny.

Virgin Radio-Johnny Boy (19/June/1999)

Certainty level: 30%

I'm not quite sure about this one, so I've given it a one in three chance of being about me. First the background.... from mid-March 1999 for some three or four months, every weekend, I bombarded Westminster MPs with faxes about the terrible, all-encompassing MI5 Persecution. (Jesting aside, it really is terrible and all-encompassing, in the UK anyway.) Of course each week some MPs replied; but in June 1999, after I'd been at it some three months, I started getting "covert" feedback from Virgin Radio.

The first feedback I got was from Danny Baker, on Sunday 13th June. That weekend I was sending an article which contained biting criticism of the police inaction in this case. Danny Baker on his Virgin radio show started an angry rant that "he knows it's rubbish", ie. he was rubbishing what I'd said in that weekend's faxed article. Unfortunately I wasn't recording this programme.

The next possible Virgin-Radio feedback was a week later on 19th June 1999. This is contained in the audio file above, in which Johnny Boy on his "Wheels of Steel" programme says;

"and if you would like to put a triple play together, ahhh.... because quite frankly Hipster and me are running out of ideas...."

He goes on to counter Hipster's "how dare you" with a protestation that he is "only joking".

What I reckon is that my article faxed to MPs that weekend was forwarded by one of the recipients to Virgin Radio. My article had included the words;

"I am beginning to run out of both new topics and energy to write these articles."

So what I reckon is that Johnny Boy read the article.... and rephrased the above line "run out of ... new topics" to "running out of ideas". I recognise that this is a pretty tenuous inference to make.... but do listen to the audio file, from the "ahhh...." pause in JB's speech you can guess he is about to say something "risky" and at someone's expense. Anyway, I listen to the Wheels of Steel regularly and will continue to do so, recording it as I always do - so any future funny remarks will get immortalised on these pages!

Brighton Day Trip - 24/Sept/1998

Certainty level: 5%

On a day trip to Brighton, carrying a minidisc recorder, I managed to collect several indistinct instances of what I think were people swearing at me. Between the 0.5 and 1.5 second marks of the above recording is something that sounds like "nutter". I recorded at least three other much more obscene sexual words on the same day.

I don't honestly think the "nutter" recorded here is part of the conspiracy against me. I've been called similar things elsewhere, where it's been blindingly clear that the insult does form part of the conspiracy - but not in this case. This illustrates quite a worrying point - as a result of the many years of abuse "in public", I now sometimes simply don't know whether somebody is insulting me because they think I look like a dweeb, or whether the conspiracy is in action. Sometimes, due to background noise and people talking quietly relative to ambient noise, I can't be sure of what's being said, even after listening to it again on my minidisc. Or put another way, I now have a mild form of what I recognise to be occasional auditory delusions - but these are fuelled by the many years of actual verbal abuse.

POSK Cafe - 2/Feb/1998

Here are two independent segments, both of which occurred in London on the same day, the first at a Polish cafe, the second on the Tube.

Certainty level: 100%

POSK is the Polish Social-Cultural Centre in Hammersmith, London. It has quite a nice cafe which does pierogi, golabki etc. I went there with my mother early in 1998. Seated at the window table were three Polish men talking amongst themselves. One of them let rip with a sexual obscenity which was clearly directed at me (it's the same one that's been heard again and again since about November 1995), and which was recorded on my minidisc walkman. I have not included it in the above excerpt, which shows the reaction of another of the trio to the first man's swearing - namely, "jestes swinia jednak" which in English is "nevertheless you're a swine".

Certainty level: 20%

Somewhere on the London Underground. "Psycho" (I think - a little unclear).

Leicester Square - 9/Feb/1998

In February 1998 I spent some time in Leicester Square, in the West End of London. This is a very busy area of London, and one which can be relied on to produce "contacts". Capital Radio's offices and their cafe are located here, the Trocadero is nearby, and the place is full of cinemas and entertainment venues.

Certainty level: 100%

A young girl is heard to say, "Alright I'm going to talk to myself" to her friends, followed by all of them laughing together, as I passed by.

Believe me, I do not look mad in real life, these young people would not have directed their comments and laughter at me unless they had already been told by others that I was ill. I am absolutely certain that their behaviour was directed at me, and this audio file is particularly clear.

Certainty level: 60%

This one was recorded in a cafe in Green Park. Two women are talking to each other, one of them says to the other, "something wrong with him", with an emphasis on the "wrong".

The words "something wrong with him" have been repeated at me dozens of times, at my former workplace in Canada, in England, etc. The words are quite deliberately chosen to have two meanings; they obviously imply that I am ill, without forcing the abusers to demean themselves by using more pejorative terms, although they have shown that they have no compunction in that area; and secondly, the words "wrong ... him" make me at fault, and place the guilt for the abusers' wrongdoing on my shoulders.

Certainty level: 30%

Recorded on a Victoria line tube train leaving Green Park station.
If you listen carefully you can pick up the word "hunchback". The speaker had emitted a swear word immediately before this excerpt; both the swear word, and the "hunchback", were (I believe) directed at me.

Hi ! i own a G305e.
the G315e is the same SDR but have better sensibility, selectivity, etc ...
I higly suggest to buy the pro demodulator and Virtual SoundBridge option.

The soundbridge is a virtual soundcard.
So you can connect the sound output of the Winradio software to the
sound input of another software (eg : Spectrum Lab, SkySweeper) without
using your "hardware" soundcard and the noise and glitch coming from the
DAC/ADC converters. You can also stream the IF output of the winradio to
another software if, for some reason, you don't want to use the winradio
demodulator. But you can, also, use the winradio software demodulator
and still streaming the IF output at the same time.

Exemple of usage, CW contest monitoring :
- stream the IF output to spectrumLab's waterfall and see all CW
communication ...
- ... while using the winradio's demodulator, filter, etc to listen to
one specific CW transmission
- it work of course with any demodulator.

The IF filter bandwith is tunable with 1hz step from a dozen of hertz to
20Khz.
Additionally it come with a software low pass and band-pass Audio filter.

There is a DRM demodulator option too.

I'm happy with it, but i'm not an experienced SWL (and not licenced for hamradio emission... yet ;))

It's very easy to use, highly configurable.
I use it for stanag, rtty, fsk, rtty, qsk, mfsk, drm, am, fm, ssb, sstv, HFFAX, and any mode with an available software demodulator since you're not tied to winradio's demodulator thanks to the IF output streaming capability.

Of course you can forget any hardware modification, it's highly integrated stuff, and maybe a reason to be hated by "oldschool" radio operator.

i own a SommerKamp FRG-7700 too and i really miss the realtime spectrum analyser. (and some dozen of other features too :p)

If you're ready to spend more money on a SDR you can check the FLEX-5000 SDR (it's a 100W SDR transceiver)

all the pre-programmed

I "think" it was a sail boat in an off shore race.

That's all I know at this time. Steve in NY was monitoring it but he went to
bed.

Maybe we can learn more tomorrow.

It means that it's leaking out. You must run quickly to your nearest radio repair shop and buy a can of squelch to replace what you lost! (jk)

Serious answer: It means that the circuit to limit/cancel background (RF) noise is not engaged, usually because the operator has turned the threshold down below the noice level.

Enjoying my new scanner, recently listened to the traffic generated
after a young man
attempting to rob a bank, was pursued and speedily captured by New
Yorks Finest.

I occasionally pick up New Paltz N.Y. over 70 miles away on my Uniden
BC 95 Scanner;

(Truck stuck under the toll booth)

Even though I am ~ 300 feet above sea level, I find this remarkable.

Go a rat shack Center loaded whip,

am waiting for Fair Radio to send me some co-ax

http://www.fairradio.com/catalog.php?mode=viewitem&item=1291

so I can mount the whole thing in a window . .

Is there any record for long distance reception on scanners; ?

I monitor fire and EMS in the Hampton Roads area (Norfolk is the largest city near me).

I have a Scantenna up at about 40" and run in with LMR-400 coax to my RS Pro-96.

One evening back in August I heard a call go out for a MVA with an overturned vehicle at Mile Marker 44. I knew this was not near me as our Interstate mile markers are in the 150s. I kept listening and got the location as the New Jersey Turnpike Mt. Holly. That is 217 miles from me!

If the conditions are right, I can receive the Fire and Police Services from the Santa Monica and Orange County area of California - and I live in PA. A school friend of mine - went out there once to work and told me he heard our neighboring county out there - on their radio system. We're talking close to 3000 miles. It doesn't happen often, but it has a few times. Jupiter Florida is another we can hear on occasion - over 1000 miles away.
That one comes in fairly often during storms. Otherwise, we have freqs in our scanner that do routinely pick up - at least 100 miles away.Using an "indoor" antenna. BUT - the strange part is - if you're ready for this - "I" know "why" it happens; we can't pick up the city 40 miles from us - at all. WHY? We live behind a hill blocking them completely off. If we go 3 miles down the road - we can pick all of their stuff up on a portable scanner.

FM can be very interesting.....

It's a whole lot further than 70 miles. I'm in Ohio and have heard
California "Chips" and Texas units on low band, a bunch of New England
police and fire on VHF Hi, and Minnesota, Wisconsin, and a couple of
other PD and FD's from the area on UHF.

Is this new e-bay policy what you are talking about?

"eBay has changed how bid history information is displayed for higher-priced items. Barring freak atmospheric conditions known as "skip", which can bounce signals 1,000's of miles, VHF/UHF comms are "line of sight", obviously a self explanitory term.

The higher your receiver, the greater reception range ... Which is why you see antennas on high masts, or at least in the highest practical location. Out in a desert or on the ocean, where you can see from horizon to horizon with no interuptions, your line of sight reception is likely to be 40 miles +.
In an urban environment, with many obstacles to radio waves, you can expect considerably less ... Though once again, exceptions are known to happen,

and also variables such as the power output of the emitting radio can and do affect range.

I don't know, but in Texas (Dallas) I was able to
pick-up Mexican police and the California Highway
Patrol on Low VHF. This was during the 90's when
there were lots of crazy sunspot cycles going on.
Here in the mountains, I can only pick up local
stuff on VHF but Shortwave and AM Band is very active.
Lots of CB skip too.

Does anybody know of an antenna installer in North Jersey who will set
up a scanner antenna on the top of a 2 story building?

I've tried Rat-Shack and local google searches to no avail ......

Thanks for your help!

Hello,

For scanner use, anyone have any experience or opinions on the rechargeable
NiMH
AA batteries vs the new "Hybrid" NiMH ones ?

Pros and cons, etc. ?

Thanks,
B.

Sometimes 42 mHz is VHF; sometimes it's shortwave.

Look, Americans in DC, are by 'judicial threat', being injected with provable poisons, not newsworthy, but the JENA6, violent criminals who nearly beat a innocent man to death should be released without questions spoken. Please support my call to allow Christ to speak openly for public defense of our dying interests. Demand George Norry take our call.

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

sabbah.biz/mt/archives/2007/11/12/nazis-were-right-said-alan-dershowitz

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air waves.

ect..

Look, torture is criminal. Do you physically slap your
neighbors, to find out if they did the criminal's crime?
Should we slap Rivkin to ask him if he plans to commit crimes
against the innocent, and if he then says no, again repeat
till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in
America by LAW - firmly established already by the "War Crimes

Act" of 1986. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

AMERICA RISE FOR AMERICA

Support the arrest of Bush, Cheney, Rumsfeld, and Condi with

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake

I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

http://www.crooksandliars.com/Media/Download/22786/1/rice_iran_sanctions_102507.wmv

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

FREEDOM

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. Live for freedom dying America! Johnny America wants to be invited on Coast to Coast. Make it happen Man. Justice for god, is Justice for all.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

/ / REAL Soldiers: try calling the pro-bush radio station, CJOB, and ask them to stop thieving from our community, and demand they allow open, honest, intelligent discussions on their contempt for the Canadian flag. Thanks. P.S. You may have to wade through 45 minutes of their for profit commercials. Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush

rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to

'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear weapons, is not pursuing a nuclear weapons program and poses "no threat" to any nation, least of all the United States. [...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He uses hypnosis over the too weak as blindly supporting the murder of innocent others. Hitler wasn't even so openly naively evil as Our Mr. bush Jr is truly. Our. What are YOU going to do about it... PnK.! Answered silent the God of Hosts echoed: Support our rise to find ANY soldier who honors the American flag, who doesn't agree Bush, Cheney, and Rumsfeld must be publicly arrested immediately for the continuing war crime trials of 911. (And Condi with Myers too as just getting started then.) Otherwise, we WILL find ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first

degree murdering zionist demonic thieving enemy non-entity of dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! / / By simply deciding that something is a "state secret," the Bush government has avoided answering for its brutal treatment of innocent [TORTURE] victims in the war on terror. This is a perversion of the principle of American justice. \ \ Realize: Mr. Bush, the demon enemy of all humanity, out of the same mouth, states torturing [innocent victims as satanic liars] would be ungodly, and isn't done. bush "We do not torture"

Kill the bushite enemies BY AMERICAN LAW for torturing innocent people to death as lawless 'whore yah' thieving disciples of the ungodly antichrist who bombed Iraq for NO REASON WHATSOEVER.

To Kill a Bushite, is to be Heroic

Pro child killer George Norry, enemy of the American soldier, still blabs about how more must die unjustly for bin Laden with LIES, knowing full well, video of steel flowing like water from the WTC exists, and that General Ahmad funded Atta. George Norry is a traitor to the FBI, who further plans more to die sacrificed under the censorship of the tyrant antichrist. Who cares I ask about America truly dying as neoCONNED, for George Norry has millions to not take your calls for protection, and honestly, 'Americans' couldn't care much less for Our Humanity's future. MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

then the demon enemies of America, closed outstanding criminal investigations..

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the

'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

-

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the soldiers are out there, every day, risking their lives, for a common Ideal: that none of the President's decisions be questioned."

This is more true than a bushite would admit before murdering a honorable father to rape his young child, like Lcpl Boudreaux freely confesses. Boudreaux will tell you, openly, you have to murder the Arab father of the Arab child your planning to rape, because if you don't, that Father will spend the rest of this life, hunting you down in the streets to rip

you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi
Arabia, on how to best torture innocent people to death as
TRUE enemies of Man. Has anyone read the fiction 1984? 'Why
is it so crazy'?, you might ask an un-responsive big sky of
Love? Well, the Bush administration committed 911 with
General Ahmad that's why.. and threatening Humanity with
torture, is how the neocons plan to fear YOU into speaking
nothing for the defense of innocent others.. As a
consequence, more than half the monies spent each month on
this war against civilized Life, isn't accounted for by
anyone. Except those at the Pentagon STEALING from a deafened
America. In fact, Moyers at PBS reported none! of the
billions flowing out of American pocket books EVERY MONTH for
the bushmob war monger shysters is actually audited for the
taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being

robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV

doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Signed,

Johnny America

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? There really IS a GOD, committed to dealing death to torturers and murderers, and a place reserved as "Hell", where such Satanic behaviors are nothing to get up and roar over. Please support my rise for acknowledgement, and in turn, speaking for freedom where it counts, with You and Yours. DEFEND THE PEOPLES OF IRAQ FROM BUSHITE NAZI DUMFUK GRUNTS

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

-

/ / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

"Media Matters didn't have a word to say when congressman John Murtha accused American Marines of being guilty of murdering innocent Iraqi civilians, service men who actually turned out to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd

be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent
people in Fallujah, and they speak nothing but lies on how
such demonic behaviors are godly as just ignored. Our Lives
forsaken, as they hold their very own to die sacrificed for
the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

Scandal? Come on, we have to hunt down bushite to defend our DYING innocent lives. Bill a bushite for God, bill a bushite for America.

[BUSHITE LIAR] US preparing 'massive' military attack against [innocent] Iran

Tatum, who freely confesses he's a proud child killer without apology, is being made a free man in evil bushite amerika. The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that there is insufficient evidence to show that Lance Cpl. Stephen B. Tatum did anything other than follow Marine Corps rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families deliberately!! In fact, he wrote a card to a dead marine's family, testifying that he murdered the innocent young girls for the tyrannies of the antichrist. Evidence that TRAITOR Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

/ / Ware has recommended to [demonic nazi enemy of Life 'judge'] Lt. Gen. James N. Mattis, that charges be dismissed, \ \

"Mad Dog Mattis,"

MATTIS!! The guy who murdered countless women and children at a wedding party, while after getting caught PROPAGANDIZING to forsaken America the innocent victims as al-Qaida!! CAUGHT! Mattis called innocent six year old girls "al-Qaida"! CAUGHT!

BUSHITE ENEMY OF AMERICAN FREEDOM Lt. Gen. James N. Mattis has been made into a "JUDGE"!! THE WOMEN HATING NAZI FUK! A JUDGE of Men by 'law' in bushville!!!

the [anyone's] CHILD KILLER Lt. Gen. James N. Mattis QUOTE: "It's fun to shoot some people" - defenseless innocent WOMEN HE SHOT!! INNOCENT CHILDREN HE SHOT!!!! YOUR CHILD!! FIGHT BACK FOR CHRIST! FIGHT BACK

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

TRAITOR Mattis "The Marines have landed, and we now [as ENRON] own a piece of Afghanistan." [thieving from all for 911's neocon, especially undefended American pensioners... hail satan - 666.]

CHILD KILLING NAZI TRAITOR GETS PROMOTED!

/ / Secretary of Defense Robert M. Gates announced Sept. 11 that the President has nominated Lt. Gen. James N. Mattis for appointment to the rank of general. \ \

http://www.911pressfortruth.com/

TWO OF THE PROTECTED 911 HIGHJACKERS WERE WORKING WITH SAUDI INTEL!

Murder for stolen money in America's America!, and CBC, CNN, FOXNEWS report no cause to care! Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these

ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

Mike Huckabee Publicly Questioned on 911's ISI General!!!
http://prisonplanet.com/articles/august2007/230807_b_huckabee.htm

UN's Admission: Lebanon Was Right All Along
http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon is right in claiming sovereignty [..] \ \

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The

IDF states it will "reexamine their policy" of conducting
such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for
defense in? Or, just again examples of standing terrorism
against life ourselves - committed by the censored as will
giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly
the very same terrorist acts they say we should all be
outraged against? Somalia is a case to point. They murder
helpless people as bushite, then say they'll remain dying to
thieve further as enemies to Humans being. It doesn't fool
me, but perhaps it does you. A neocon soldier murders
innocent Iraqis, while selling you they are all there risking
their lives to bring freedom. So, they die. For lies. Die.
Again, KNOWN Aegis goons openly commit crimes against Iraq
done officially to get killed! the supposed to be Patriot
Marine. P2OG. Soldiers under bushite command would rather
die cowardly, than to honorably demand the bushmob's arrest
for public trials as defeating ungodly fascist war criminal
savages.

Why suffer otherwise this way under the tyrannies of naked
neocon plunder to deny our lives for measured justice I ask
YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as
starting by supporting our rise to highest acclaim with my
authority free willed to anyone. Let's face it, we're great
because Your great. However, for greed, corporate america
aren't taking our concerns nightly. We want Justice, and WE
will get it if we reflect together with impeccable credentials
as standing with measured reason for proper assessment on
rights making might. Who is who here, a freeing peoples I
tell you, arriving to bring a true patriotism to Life for US.
Are you with yourself as respected an equal under the law
devised fairly for all concerned parties?.. well then...
let's g o ! ! !

be Great!,
for here comes the mighty,

Johnny America - make way! make way!

Where is the Evidence?

How so can all of Iranian Military Officers be

innocent peoples indiscriminately routinely, with
praises from the actual demon antichrist responsible

THIEF for American Freedom why don't You victimized
Peoples of Earth? A bushite kills bushite for stolen
nickels. Examples: Aegis, Condi's land-mines, fixed
elections, torturing. driving over children, blahblahblah..

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

willfully be sent to prison by liars in your demonized name,
to defend the ungodly evils of war criminal traitor, our Mr.

Pro-mass murderer war criminal Kristol once again, speaking
freely to Jon Stewart unchallenged internationally on Our TVs
as "Two Jews" stated..

"We don't believe in original sin."

I believe, Jon Stewart suffers from
the ignorance of Celebrity more so, than a genuine hatred for
Humanity.. as that is the fault of most TVed Americans.
Nothing more greater than getting on the boob tube, to really
make your mark on this fleeting world as they sell their life
away for nothing but the privilege to be recognized at a gala
swarray.. fed on the victimized innocent of Humanity left
robbed as worthless their grand stage. His show is often
quite bright however, and leastly, reminds people, that CNN,

CBC, and FOXNEWS isn't the be all and end all of respect for
US caring viewers.

but looksee.. EVIL is real though -

THINK of how Truly evil a person would be to lie for CNN
on this issue.. a "Jew"? would do this?..
A "Jew"?

Demon evil enemy neocon George Norry is a naked traitor to History:

"..Show me proof that there are real demons"

You, George Norry are a demon because you purposefully
broadcast to my America the need for neoconned soldiers to die
for the lawless demon antichrist, knowing full well, you work
'happy' to escape the 911 perpetrators of American
Wrath, like General Ahmad, with your truly evil demonism about
Life, and betrayal to freedom for US humans.. George Norry is
'the evil spirits' he says you can never find. Evidence.

Elected Governments All Over The World

British MP Galloway and Richard Perle on TV together!!
http://youtube.com/watch?v=nu4GBnxi3wc

Galloway "These are the people who have overthrown elected
governments all over the world. and he [Richard Perle] comes
on your program to prattle about democracy. These people
don't want democracy, they want slave governments. If it's a
slave dictatorship - that's fine. If it's a slave elected

government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

Perl of wisdum 'yeah so? Peenackers steal the rights of freedom from people for stolen profits - we rob Americans of their freedom, as is their pocket books, and their wasted effort, all easily conned to be sacrificed for death by false conclusions trumped up by a naked false accuser who will accuse yous lost blindly as the innocent sucker - er.. 911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow

US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

www.newamericancentury.org

Jason Bermas "I just want to point out that we're going to encourage the people to look at the evidence for themselves."

-

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for

Johnny Jesus has come down for diplomatic talks. Give away!
Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening)
suggest G.W. Bush and Co. have publicly acted nothing
warranting immediate arrest, or have openly supported the
great Kucinich's plan for Impeachment, and consequently, are
leveraging America into this mess 'because' we were portrayed
as sold to the U.N. for freedom as Iraqi's Grand Strategy.
BOGUS! Nothing about the PLANNING of killing people
indiscriminately for financial criminal gains as bonafide
terrorists, for we had unrestricted access prior to dropping
bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS
complain in pains of liar BUSH personally being the al-Qaida
cause responsible, (like Alex Jones sells foolishly falsely
also) More than a million INNOCENT people have been murdered
directly by the criminal action of the broken Bush Rule,
UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

President and CEO of Shareware Earth Co.
King Johnny Wizard

Christ is Person ! ! !

Intelcenter.com = alqaida videos you can get nowhere else!

It is important to also realize, this intecenter terror
bringer does nothing to sell the arrest of the actual
perpetrators of 911 by supporting our Policed requirement to
form actual evidenced conclusions in our the land of the make
believe. Now, who personally are these pro-bushite
anti-American terror scripters, and what is it going to take
to find an informed citizenry out in these here parts, to make
the proper conclusions by phone calling for furthering our
infos around to channels of command of the big ringers in the
sky. I'm sure we's a be furious over these facts of high
treason in America if we were allowed to freely say as much on
our radios and TV networks. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

over and out

MY DEMANDS

/ / eight million Iraqis require immediate emergency aid \ \

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See the bushite, you bill it for Christ, You bill it for America, You bill it for them, you bill it for US.

Murdering bushite gang rapists try escaping true accountability

http://womensspace.wordpress.com/2006/07/09/rape-of-the-hadji-girl-part-3-five-more-us-soldiers-charged-abir-hamzah-was-14-years-old/

/ / Why did the Army, within three hours, return to tell neighbors that this was the work of insurgents apparently without any investigation? \ \

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

/ / Idiot General Says Dead U.S. Troops Best Reason To Keep War Going And Kill More U.S. Troops

[Option B: More Dead U.S. Generals And Fewer Dead U.S. Troops ?] \ \

If the sacrifice of soldiers lives is going to mean anything, it going to mean how long it took, Americans to care for themselves as really worth something. When, or if that day should come, it will be the day where Iraqis victims are seen, as just you or me. Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

http://existentialistcowboy.blogspot.com/2007/06/911-culprits-why-towers-really-fell.html

/ / We know that a crime was committed on 911. George W. Bush, of course, quashed all investigations before they could begin. Since when are crimes not investigated? \ \

We, as Humanity, have to rise against the neocon LIAR enemies who forsake the value of Human life. Death to the bushite, death to the enemies of America's America.

/ / Army Secretary Pete Geren asked a military review panel to decide whether Lt. Gen. Philip Kensinger, who led Army special forces operations in Afghanistan after the Sept. 11 attacks, should also have his rank reduced. \ \

A bushite demon CAUGHT aiding and abetting the crime of FIRST DEGREE MURDER of a trying to be Patriot Soldier, is made to fear in bushite amerka, he might face a reduction in rank! MURDER~!

/ / Congressman Dennis Kucinich, a member of the House oversight and government reform committee, which has been

investigating war contractors. "Theres no democratic control and theres no intention to have democratic control here." \ \

Right. The demonic lawless actions of Aegis posing as al-Qaida killing police officers undermine freedom for Iraqis and Americans, alone with ALL the rest of US. All criminally gotten assets of lawless mercenaries will be hunted by every police service; those that complain as traitors to Freedom as Justice, WE, the real Patriot warriors, committed to defensive measures, will be rewarded to bill for. IF! Johnny is recognized a Mythical King with money to spend better than a neocon saboteur. Your call... Reminder: The neocons in YOUR power, were never elected, nor, was Bush the demon enemy of all Human Life. A demon that says if you disagree with his blind blanket statements against innocent Life, YOUR a terrorist. At least with GOD, we'd be only killing criminals we couldn't otherwise defend ourselves from with evidenced conclusion through practiced Law judged fairly.

The part where pro-bush "American" soldiers drive over children to kill them for fun, all because they say our Humanity let's those responsible escape retribution for being Satanically evil as enemies to Christ, left me angered beyond

words. While CNN, CBC, and FOXNEWS couldn't care less for

"Pro-Western" Allawi blowing up school buses for "CIA"

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are

exclusively, US, The People, guilty of nothing but our shared love of GOD. Proudly kill the bushite who would drop from the sky, SEVEN MILLION landmines on our cities to kill our children for decades indiscriminately, while offering our Humanity to God no apologies. Proudly kill the bushite savages all to desperately survive ourselves creating a better world through fair, free market communications. To warring for Liberty as true Freedom wills, is for Justice understood as measured, not just made up out of nowhere for the pleasures of those truly Satanic. Bushite War LIFE Itself - and - They Couldn't Care Less

'Alpha company patrols the poppy fields.'
20070420_taliban28.mp3 (pbs broadcast)

"About the poppy harvest, currently gathering pace all around them, they couldn't care less." Instead they kill unarmed innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide distribution and production of heroin, tells of murdering innocent farmers, that would never raise a gun in anger, are those they openly confess to target for first degree murder as labeled the, second tier Taliban. That's when not defending American Pension thiever ENRON'S pipeline managed under their extremist Muslim fundamentalist regime of intolerance for public communications, as the continuing thieving of 80 percent the Humanitarian Aid given by Canada to feed the STARVING, and school our children of the impoverished Afghanistan, as so reported. Eighty percent. 80. 80 percent stolen. I'm telling YOU: CBC couldn't care less about what Canadian soldiers are actually dying as COWARDS for: "Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime" CBC national radio management needs to be arrested in Canada for high TREASON. Please, be a Patriot, and demand these zionists allow open communication with the facts to save the lives of Canadians soldiers they hold in contempt to die as the bad guys committed to no better good.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio hosts allow free communications, absent their personal contempt for preserving freedom to be our America. George Norry WILL kill Your American child for the contempt he truly holds for our lives here. He says he only supports murdering Arab children for the neocon, but when your not looking in his 'shadows', he'll kill your child too, don't doubt it for a second.

pleasure of the president

US Attorneys don't serve "the pleasure of the president", they serve freedom lovers dedicated to defending America from willful criminality. But, americans are too stupidly weak to demand Coast to Coast hosts allow open communications on America's highest of concerns. Bushite america would rather, in silence, thieve from God as our Humanity, than serve the protections of Justice as ourselves.

/ / According to the Islamic understanding of power, the Mujahideen don't compete for the positions in the leadership. \ \

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Hmmm. Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. The tribal strategy of Afghan fighters, where Allah is Oonerroh, seems to be not the only thing missing from the statements of this "Taliban" RELIGIOUS FUNDEMENTALIST top top top leader. Only "second" to Omar the Just. (Apparently an individual this current bushite incantation of "Dadullah" is totally un-familiar of.) Omar, the Just, whom Dadullah claims he receives his Top Secret nobody can see'im orders. In other winds: Bill a bushite for God and America, an all day long you'll have good faith in a world freeing ourselves of godless dumfuk tyranny implemented by the horribly foolish, as deeply ignorant of Allah, bushite demon liars for the traitor neocon. TRAITORS!

"Those who negotiate in the name of the Taliban will be killed," he [the bushite nazi dumfuk 'Taliban' 2nd in command] said. He did not elaborate.

Allah is all, and negotiating for freedom from naked bushite tyranny is won EASILY through communicating understanding. Omar the Just knew this to say so, as do I. And this is why corporate news professionals forbid me to speak openly without nazi censorship, ON OUR AIR-WAVES, because I am honorable, right, and true as believable. While America's fun guy, zionist George Norry, states to support PUBLICLY, the ungodly murder of innocent Arabic children for nothing but his

personal contempt of YOUR DYING LIFE, while further wanting to invite thoughtlessly nuking places on Earth all for his secret hatred of US freely commutating. Typical bushite. Ending with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every

last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless

dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in

lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

No bushite was found gloriously killed for country, yet, they, the godless bushite enemy, continued to shoot innocent People indiscriminately for a distance of six miles, while likely, secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent un-armed Afghans were counted as murdered deliberately, by those who believe our Mankind, can not ever find themselves accountable, without zionist controlled, corporate news permission. REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in

Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Considering where most "Comms centers" have their towers and so on - not
surprising! But for scanners not always at that advantage - it is pretty
neat to hear "Skip" on it. I enjoy it every time I hear it.

BA984 LHR->TXL 13/June/1998

Certainty level: 100%

In June 1998 I travelled on the above British Airways flight to Berlin with my mother, to visit her family. There were two women in seats 30D/E, about 4/5 rows behind us. It was quite obvious from the torrent of abuse during these flight that these women had been instructed to harass me and attempt to obtain a reaction.

I did manage to record much of the flight, but unfortunately much of the recording is unclear because of high background noise on the aircraft. The following three excerpts from the recording are the best I can do.

The segment at position 11:34 minutes on my recording contains a fairly quiet word "paranoid", followed immediately by a much louder "yeah, he's paranoid, yeah". During the flight the abuse was not sexual, as it so often is elsewhere, but attacking my mental health.

One of the women in seats 30D/E said "paranoid" very clearly towards the end of the flight, but unfortunately I had run out of minidisc space and stopped recording by then. There is absolutely no doubt in my mind that these women were directed to harass me. This harassment happens without fail on British Airways flights; I've been on something like three or four BA flights in the last 5 years and it's happened each time. Presumably this is because of international law which says incidents on aircraft during flight are actionable in the airline's country of origin - so my persecutors want a reaction from me, and they want to see me "done" in the UK where they can influence the justice system.

These incidents never happen on foreign-domiciled carriers.

Evil old bat in BHS 18/12/98

Certainty level: 40%

Not quite sure how sure I am about this one. I went down to Croydon (Surrey) with my mother to buy her a beret. After doing the shopping, we went to the BHS store restaurant to lunch on fish and chips.

You can guess the rest. Auditory hallucinations my shrink calls them, faithfully recorded on Sony minidisc. Some old cow going on about "see that chap, the one over there, something's wrong with him".

It is quite tiring being attacked by random idiots in the street, or as in this case, by some random, evil old bat in a restaurant. Fortunately it is only a sporadic occurrence. My enemies seem of late reluctant to waste resources in my direction. Should I take this as an insult? Am I not worth the millions of taxpayers money which has been wasted on me? Are the obsessives of MI5 themselves the "nutters" and "really mad" which they accuse me of being? Interestingly this suggestion as to the psychological profiles of Security Service personnel has been made by others... it does lead one to wonder, doesn't it?

Ravenscourt Park 20/3/99

Certainty level: 70%

On Saturday I went to Hammersmith, specifically Ravenscourt Park. There had recently been a resurgence of persecution activity, following the Capital spams. I went to the cafe in the park and had a cup of coffee outside, with my mother. As I went inside the cafe to return the cups, a woman shouted a sexual obscenity (not present on this audio file - don't ask), and she said loudly "something's wrong with him". You can just about hear it in the audio file; listen very carefully, several times; it is distinguishable.

Much less subtle is the male voice shouting "take care he's a nutter" immediately after the woman's voice. As on the other recordings there's a lot of noise, but what the people say can be clearly heard.

Given that I take medication and look and behave quite sanely, and that there had been increased abuse over the last couple of weeks, it seems pretty unlikely that this incident was just spontaneous.... of course, you couldn't prove otherwise, but then that's the way MI5 mean their abuse to look.

Battersea Library 29/3/99

Certainty level: 60%

This one is quite dull. During the month of March 1999, MI5 made another determined attempt to "get" me, substantially through radio programmes, through Jon Snow on Channel Four News, and through abuse in public, of which this is one example.

Recorded on my minidisc-walkman on Monday 29 March 1999, this audio file consists of two girls talking. One says to the other, "he's got something wrong with him." The usual words. How many millions a year do the Security Service waste on this? But they've denied it - how silly of me to forget. And they're not liars either, are they?

Royal Festival Hall 15/4/99

Certainty level: 100%

Another "day in the life of", this one. January and February were quiet; in March it all started again; by the middle of April the resurgence of abuse had been going on for over a month. And this, with 100% certainty, is one manifestation of the abuse.

On Thursday 15 April 1999, 1pm lunchtime, I was at the booking office at the Royal Festival Hall near Waterloo Station in London, buying a ticket for a friend. A woman was at the counter next to me. She said;

"it would kill it, you know, it would just be overkill...
.. they can't stop can they"

It was obvious to everyone, the ticket agents included, that her comments were directed at me, and that "they" (ie. MI5) were "killing" me.

I've heard similar things said at various other times, but rarely have their intentions been expressed as clearly as this. The woman also expressed the obsessive nature of MI5's preoccupation with me, by saying, "they can't stop can they".

Balham - LT bus (8/July/1999)

Certainty level: 90%

I am very sure about this one. I got back from holidays on Wednesday. There were two incidents, both on the tube, on the way back from the airport. There was a further incident the following day, Thursday, on the bus (the 155 I think) in Balham, where two girls started spouting abuse about "crazy", etc. Naturally I had my minidisc with me and was able to record their words.

The cynical reader might think my demeanour or behaviour had given rise to the taunts of "crazy" recorded above. But I assure you my behaviour on the bus would not have made anyone think I was ill; and the taunts the previous day were the same sexual words as previously; so I'm quite sure that these incidents are either deliberately staged, or indicative of an overall high level of awareness among the London public, particularly in the part of London where I live.

Clapham South (17/Feb/2000)

Certainty level: 100%

In February 2000, MI5's hate campaign against me was in full swing. They sent people into the road where I live in south London, to swear at me and abuse me as I was leaving or returning home. One such instance is recorded on the above audio file.

On Thursday 17 February 2000, I had just left my home, en route for Croydon, when two youths approached, going in the other direction. One of them said with a smile on his face something which I didn't recognize, and still don't understand despite it being on this audio clip. His demeanour made it clear his statement was directed at me. I coughed, and in response to that, he continued his insult, calling me a "wanker", which is very clearly recorded on this audio clip.

Two days later, in the very early morning of Sunday 20 February 2000, MI5 inflicted another insult against me just outside my house, when, returning from Croydon, two youths approached (MI5 agents always go in packs of at least two - they're too cowardly to go anywhere on their own) and one of them said quietly and bitterly to the other that "he's shitty, very shitty".

It is still comparatively rare for MI5 to send people to my house, or to my road, to harass me. Usually they know where I'm going to, since they have bugs on my phone and in each room of my house; and they send people to that location, or on the train or tube getting there.

Clapham Junction (6/May/2000)

Certainty level: 60%

On Saturday 6 May 2000, I was in Clapham Junction, shopping and visiting the library. At precisely 12:29pm, the above audio clip was recorded, in front of Arding and Hobbs department store. One girl was saying to her friend,

"He's a homosexual, they can say whatever they want."

There are several reasons why I think this comment might be about me. Firstly, temporal proximity to other such incidents. The persecution had restarted about two to three days before this clip was recorded. Cause of restart unknown. Personally I think it's because I was going on holiday to France the following Monday - MI5 do like to take holidays abroad at the taxpayer's expense, and inventing reasons to resurrect their hate campaign just before I go on holiday is something they've done before.

Secondly, although I am not gay, they have used such references against me before. At Oxford Computer Group in 1994, manager Steve Mitchell simultaneously abused me and another employee but saying we were "of a similar bent". Such insults show latent or quite overt homosexuality on the part of the abuser.

Thirdly, the sort of people who abuse on the basis of mental illness are the same people who abuse others on the basis of sexuality, race, religion, etc. If they can abuse a disabled man, then they will surely do so based on the other criteria mentioned.

There is still some room for doubt, though, which is why I have assigned this recording a certainty level of only slightly above evens. But "they can say whatever they want" is what gives the game away; they just choose a differentiating feature on which to base their abuse; and if one such feature gets too boring ("we've called him a nutter for the last ten years so now we'll call him something else") then they invent a different lie to throw at me.

On 3 November 2000, I had just got off the bus in Balham High Road,
when I heard a group of schoolgirls shouting and laughing. One of them yelled;

"He's an idiot you know."

You can hear this on the above clip; it is followed by laughter. I am
not quite sure this is about me, which is why I have only given it
a two in three probability. I have been attacked many times with the
word "idiot", which seems to be a favourite with intellectual lightweights
who want to bring down bigger game. (Back in 1992 I was so worried by the
attacks on my intelligence that I took the test and joined Mensa......
does that make me a *clever* idiot? Never mind.)

Crescent Grove, Clapham Common (2/Dec/2000)

Certainty level: 100%

This is one of those clips where I am absolutely, 100% certain it's inflicted by MI5 on me, because of background, context. On Saturday 2 December 2000, I was walking from my home to a pub on Clapham Common, and on the way was in proximity to a group of three English youths who were walking the other way. They turned from the main road into a private estate called Crescent Grove. Here is what they said;

(first youth) "He masturbates!"
(his mate responds) "Yeah, he masturbates!"
(and again) "Thief!"

There is a lot of context associated with this incident, which I will now relate.

Firstly, the verbal sexual abuse is a popular one with MI5, and as a statement about me is currently mostly in their imaginations. The accusation has to be seen relative to MI5's persecutory actions in late November and early December 2000, and in fact for some months leading up to this. Their relevant activities in June 2000 are documented in a message in this evidence item; following from that, they sent someone to simulate an act in front of my window, which was captured on film.

It is the publication of the video of their agent performing the act on himself which caused MI5 to restart this thread of harassment in the first few days of December 2000. But there are some subtleties; I uploaded the digitised video to this website on 26/November/2000; but I did not announce its existence on the newsgroups until Sunday 3/December/2000. These youths' slur was made the previous day, on Saturday 2/Dec. That tells us quite a lot. According to my website logs, there were no accesses to the video file before Sunday 3/Dec. So why did MI5 restart this particular thread of abuse, before their agent's activities were published on the newsgroup? The conclusion we reach is that they were watching my internet connection, either decoding the telephone line, or at the ISP; and/or they may be able to physically see what is on my notebook computer's screen, from RF transmissions from its VGA circuitry. I do not know whether the latter is technically feasible, but the former certainly is, and I have known for years that MI5 bugs my internet activities and phone calls. It is from their observation of my internet connection that they were able to tell, without accessing the video file over the net, that it was of their agent in a compromising position; and it was from that observation that their shouted slur on 2/Dec emanates.

The second accusation, "Thief!", is even more interesting. It relates to occurrences from June of 2000, some six months before these youths threw the word at me. It shows just how wide in reach geographically and temporally the MI5 persecution is; they react to something which happened half a year previously.

In the first half of 2000, MI5 made a determined assault on my friendships. In one particular case, that of A. whom I had known for virtually all my life, they partly succeeded. This person made pointed references to me which made it clear he knew what was happening; at one point he started asking "do you know anything about the FBI and the CIA". In June 2000, we went to see a film in the West End. I paid for both of us, and then asked him to return what I had paid for his ticket, some £7.50. He was reluctant to do so. Eventually he returned £5, settling for the lesser gain of £2.50.

I did not call him a thief to his face, but I may have spoken the word while I was at home, either conscious or in my sleep. MI5 have very tight control over everything I do and say in my home through their bugs; if I say anything against someone in "their" camp, they turn round the accusation against me. So, from the fact that A. tried to garner a few pounds at my expense, MI5 create the accusation, six months later..... "thief!".

Virgin Radio-Jon Holmes (4-5/Jan/2002)

Here are two segments from Virgin FM, one on Friday, the other on Saturday,
both from the Jon Holmes evening show.

Certainty level: 80%

In early January 2002 I listened for the first time in some months to Virgin Radio,
specifically to the Jon Holmes evening show on Friday 4 January 2002. They promptly
attacked me verbally. Again, context is relevant. There are three instances in the
space of two minutes on this extract;

00:18 "are you lying?"
00:22 "it's not fair"
01:24 "everyone at the amateur c+ turbo programmers club found it hilarious"

The first phrase is a straight slander. MI5 were trying to portray me as a liar at
around this time; I have other audio with the same accusation. "are you lying?";
unsophisticated.

It's closely followed by the words "it's not fair". Note carefully the way he says it,
quickly, as if to deny what he says. The phrase "not fair" was first created by OCTS MD
H S.-W. in Nov/1992, and picked up on my first visit to hospital soon after
"they should have paid your fare").
Again, unsophisticated parrotting of a key phrase.

The third phrase is explicable through contemporaneous context. That morning I had
phoned about a C++ course. "c+ turbo programmers club"... again, somewhat brazen
we're-listening-to-what-he-says-on-the-phone, and he-can't-prove-it. Something got lost
in translation from MI5's watchers to Virgin, because "c+ turbo" means nothing.... there
is no C+ turbo language, only C++, of which Turbo C++ is one implementation.

Certainty level: 80%

I wasn't entirely convinced from Friday's programme, but the following evening's
show confirmed it. It contained a number of references to my condition, of which the
following excerpt is one such;

00:09 "I'm not well, and no-one cares"
00:24 "my voice sounds all funny"
01:01 "do you mean people that aren't mad"
01:05 "medical problem is it"

"I'm not well" doesn't mean he has a cold; it means he is being sarcastic about my
mental illness. "my voice sounds all funny" refers to the change in nature of my
voice when acute illness hits. "do you mean people that aren't mad" is obvious.
"medical problem is it"..... rubbing salt into the wound.

Balham Hill Post Office (14/Nov/2002)

Certainty level: 80%

By mid-November 2002 the persecution had again dwindled, as happens sometimes, when along came this item.
I spent most of my time at home, going occasionally to the shops in Clapham South, or into town to meet people. On this particular
Thursday I only left the house once, for less than fifteen minutes to post a letter (special delivery, because my ordinary and
recorded delivery letters had been disappearing en route for some time - not that anyone would accuse MI5 of such petty harassment).
At the post office counter there was an Asian guy talking into his mobile phone and grinning away. There is a probability that
his comments were directed at me, as I will explain further. The second segment of audio closely follows the first segment.

"you'll do it today? let's meet about 3 o'clock and have some lunch. I got stuff to do and I'll go to the bank,
get this sh.. fucking moving yeah. Even just a little bit do something. He doesn't understand, you know what it is,
I don't want to tell him again cause then he might, he thinks we're having a go at him, I'm not having a go at him,
I'm explain to him"

Explanation: The guy is talking about some bloke who is unnamed, however it might be interpreted as being in code about me.
"I'll go to the bank"... variously interpretable, either literally, or as sounds-like "wank" which has been a consistent
theme in MI5's abuse. "get this shit fucking moving"... abuse... could be interpreted as MI5's criticism of my inertness.
The state spends hundreds of thousands of pounds a year - they want to see some result, not just neutrality and ordinariness.
"he doesn't understand"... MI5 claim I'm stupid... but the numbers and bits of paper prove otherwise, so perhaps what that
is really about is their agents' subconscious perception of themselves.

"having a go at him"... sounds like they're having a go at me, doesn't it? You might take the audio at face value and assume
it's about some other guy, but it's normal MI5 procedure to pretend to be talking about someone else, and make the content of
the message very relevant to me, or their perception of me.

"for some reason it doesn't get into his head, I don't know why... he's lost it completely, hasn't he"

What reason is there for it not getting into his (my) head? Stupidity is implied. Also implied is that it does get into his head;
we're intentionally causing him damage. He's lost it completely... for some time I have suffered from OCD... lost it completely
is the persecutors' observation of my illness, which they see through the surveillance on my home, which they caused.

Eclipse pub in Balham (20/Dec/2002)

Certainty level: 70%

On Friday 20/December/2002 I went to Balham to do some shopping and eating. When I went into the Eclipse pub for a meal
there were two girls already at the bar being server, I ordered and sat down near the window. They sat down at the opposite
window seat, out of sight. After a few minutes they started screaming repetitively "section, section". They were reading
something and were trying to pretend that they were just repeating from what they were reading, but in reality it was quite
obvious they were talking about me, specifically to confinement under mental health.

As you can guess the behaviour of these unwise young things shows them to be from the underprivileged category which due to
the natural laws of society is seldom seen in the better classes of restaurant - the McDonald's next door is their more
usual habitat. My guess is that these two females were deliberately placed in the Eclipse with orders to be offensive to
me personally. The alternative would be that no-one had ordered them and they were just being rude on their own account,
but that is improbable, for two reasons; first, I was out of sight of them and one does not usually "pick on" a person
one cannot see; secondly, there had that afternoon in Balham been other, less distinct incidents immediately preceding this,
and it is inferable that MI5 were making quite a serious effort to create a physical incident, as they have done on
numerous occasions previously. I give my interpretation a two in three chance of validity.

Certainty level: 100%

Here's an item from early February 2003, at which time Security Service were re-igniting hostilities against me, a direct result of my appeal
for a legal hearing against their organisation. On Thursday 6/Feb/2003 I went to the Barbican in central London with my mother to visit the library
and have a meal. Security Service naturally knew about it because it had been mentioned the previous day in our house which is under constant
surveillance on grounds of "National Security", so they may have been able to inform staff there to say something to me, as has been done elsewhere.
Two of the people at the Enquiries desk in the library obviously knew of my circumstances, I spoke to one of them who was very polite, and while
I was waiting I heard the other speaking with a little less politeness, as recorded on this audio file. He said, "I spy", to start a game of
guess what "I spy"; unsubtle, MI5 Spy. Then, at the 34 second mark on this clip he said;

"So obvious you couldn't even get that. I shall have to kill you. ha, ha, ha"

The words "I shall have to kill you" are interesting because such overt expression is rarely heard. Security Service wish me extinct.
Some years ago they were openly shouting "suicide" at me, so that is established. But there is an element of doublethink in their attitude;
they use people's natural prejudice against mentally ill, who are popularly painted by media as being aggressive, to try to tinge the group's
view of me and MI5's actions against me. The Security Service religion is that the country's enemies are deadly, and must therefore be
extinguished. Hence, we must seize eagerly upon the disabled schizophrenic from Clapham, and throttle him, because who knows what'll happen if we don't.

There may be a subtle agenda of population control in what the Security Service have been doing in this country since 1990. In the current issue
of 2600 Magazine (the Hacker quarterly, which I read from time to time) there is a quote from Hermann Goering on page 2; "the people can always
be brought to the bidding of the leaders. All you have to do is tell them they are being attacked. It works the same in any country".
2600 printed the quote as a comment on the projected war against Iraq, which does not appear to pose any threat to the territory of
those countries which wish to invade it. However the quote is somewhat relevant to my case, which is widely known about within Britain;
the security service instructs all right thinking citizens to do MI5's bidding and band together against a common enemy, while at the same time
there is a suggestion of "look what'll happen to you if you don't obey us".

Fanatic's Fare for the Common Man

Certainty level: 90%

The article reproduced below was penned by Bernard Levin
for the Features section of the Times on 21 September 1991. To my mind, it
described the situation at the time and in particular a recent meeting with
a friend, during which I for the first time admitted to someone other than
my GP that I had been subjected to a conspiracy of harassment over the
previous year and a half.

There is a madman running loose about London, called David Campbell; I have
no reason to believe that he is violent, but he should certainly be
approached with caution. You may know him by the curious glitter in his
eyes and a persistent trembling of his hands; if that does not suffice, you
will find him attempting to thrust no fewer than 48 books into your arms,
all hardbacks, with a promise that, if you should return to the same
meeting-place next year, he will heave another 80 at you.

If, by now, the police have arrived and are keeping a close watch on him,
you may feel sufficiently emboldened to examine the books. The jackets are
a model of uncluttered typography, elegantly and simply laid out; there is
an unobtrusive colophon of a rising sun, probably not picked at random.
Gaining confidence - the lunatic is smiling by now, and the policemen, who
know about such things, have significantly removed their helmets - you
could do worse than take the jacket off the first book in the pile. The
only word possible to describe the binding is sumptuous; real cloth in a
glorious shade of dark green, with the title and author in black and gold
on the spine.

Look at it more closely; your eyes do not deceive you - it truly does have
real top-bands and tail-bands, in yellow, and, for good measure, a silk
marker ribbon in a lighter green. The paper is cream-wove and acid-free,
and the book is sewn, not glued.

Throughout the encounter, I should have mentioned, our loony has been
chattering away, although what he is trying to say is almost impossible to
understand; after a time, however, he becomes sufficiently coherent to make
clear that he is trying to sell the books to you. Well, now, such quality
in bookmaking today can only be for collectors' limited editions at a
fearsome price - £30, £40, £50?

No, no, he says, the glitter more powerful than ever and the trembling of
his hands rapidly spreading throughout his entire body; no, no - the books
are priced variously at £7, £8 or £9, with the top price £12.

At this, the policemen understandably put their helmets back on; one of them draws his truncheon and the other can be heard summoning reinforcements on his walkie-talkie. The madman bursts into tears, and swears it is all true.

And it is.

David Campbell has acquired the entire rights to the whole of the Everyman's Library, which died a lingering and shameful death a decade or so ago, and he proposes to start it all over again - 48 volumes this September and 80 more next year, in editions I have described, at the prices specified. He proposes to launch his amazing venture simultaneously in Britain and the United States, with the massive firepower of Random Century at his back in this country, and the dashing cavalry of Knopf across the water, and no one who loves literature and courage will forbear to cheer.

At the time this article was written I had believed for some time that columnists in the Times and other journalists had been making references to my situation. Nothing unusual about this you may think, plenty of people have the same sort of ideas and obviously the papers aren't writing about them, so why should my beliefs not be as false as those of others?

What makes this article so extraordinary is that three or four days immediately preceding its publication, I had a meeting with a friend, during the course of which we discussed the media persecution, and in particular that by Times columnists. It seemed to me, reading the article by Levin in Saturday's paper, that he was describing in some detail his "artist's impression" of that meeting. Most telling are the final sentences, when he writes, "The madman bursts into tears, and swears it is all true. And it is." Although I did not "burst into tears" (he seems to be using a bit of poetic licence and exaggerating) I did try hard to convince my friend that it was all true; and I am able to concur with Mr Levin, because, of course, it is.

At the beginning of the piece Levin reveals a fear of being attacked by the "irrational" subject of his story, saying "I have no reason to believe that he is violent, but he should certainly be approached with caution". This goes back to the xenophobic propaganda of "defence" against a "threat" which was seen at the very beginning of the harassment. The impression of a "madman running loose" who needs to be controlled through an agency which assigns to itself the mantle of the "police" is also one which had been expressed elsewhere.

In the final paragraph of this extract, his reference to Everyman's Library as having "died a lingering and shameful death a decade or so ago" shows clearly what sort of conclusion they wish to their campaign. They want a permanent solution, and as they are prevented from achieving that solution directly, they waste significant resources on methods which have been repeatedly shown to be ineffective for such a purpose.

Private Eye, 23 Oct 1992

Certainty level: 25%

I'm not really sure whether this cover was intended to get at me,
or whether it was re-interpreted after publication to be about me.
This issue of Private Eye came out in October 1992, by which time I had
been under severe continuous pressure at work and from the general
population in Oxford for many months. It had John Major saying to his
wife, "Come back, Norma!" under the title "Major's support lowest ever".

There's a story behind this. In late October I was in the local pub
(the Rose and Crown, nice traditional name eh) with two people from
work, Simon and Phil. Phil had with him a copy of the current Private
Eye. These are both "nice people" and on my side, I hasten to add.
Simon pointed out the message on the magazine's cover to Phil, and asked
"what do you think about that". Phil answered, "Well usually they
[Private Eye] get it right". This exchange happened in front of me.
Although I was ill at the time (this was before I'd started taking
medicines) I hadn't read anything into the Eye cover until these guys
pointed it out to me.

Sometime later, again in the same road, a student shouted to
one of his friends, "so when are you COMING BACK?", again in front
of me.

What I realised Phil thought it meant was a double-entendre, the
"coming" referring to the act of ejaculation, the "back" referring
to the human back-side. So in a play on words you get a person who
is referred to as a back-side ejaculating. Charming.

Of course, Phil could have been wrong. Perhaps there was no such meaning
intended by Private Eye. Perhaps he saw meaning which wasn't there.
Perhaps the moon is made from green cheese. Who knows?

Victor Lewis-Smith

Certainty level: 10%

Victor Lewis-Smith has issued a denial through his webmaster
John Hayward-Warburton regarding this article; he says quite categorically
it's not written about me. I kind-of sort-of believe him, but I think
the conspiracy is so wide that the phrase "Eventually, I had to leave
because they were all trying to kill me" could have been intended to be
as if from any paranoid person, but could have been influenced by my
case in the particular. So the influence could have been sort-of
subconscious.

This article is from the Evening Standard of Thursday May 8, 1997.
It is titled "Goon, and best forgotten" and may be found on page 31.

I think VLS has written/produced stuff specifically about me in the past,
both in his Evening Standard column, one of which is reproduced below
(in another case, he was talking about computer hacking, and I think that
was directed at me), and a television programme in around late 1993
when he has a taxi driver who says "they're all trying to kill me guv"
and VLS responds "you're supposed to be quite intelligent aren't you".

However, his webmaster has issued a formal denial on his behalf, so it
is not for me to oppose what he has stated categorically.

1389. MI5 Persecution: Introduction to Sent Faxes (1731)

Newsgroup: rec.radio.scanner
Date: 2007-11-18 13:04:44 UTC
From: MI5Victim@mi5.gov.uk

Introduction to the Sent Faxes webpages

Between 1998 and April/2000 I sent some thirty articles on the subject of the MI5 Persecution to
British politicians, media, legal and diplomatic entities in the UK. Of those articles 24 are reproduced
on this part of the website. They were originally composed as Microsoft Word documents, and saved to HTML
form for publication here. A few of them were slightly edited in format for readability.

You will see that these articles cover quite comprehensively what has been going on since 1990, there being
quite a lot of material to cover, since it is a rare week that goes by without MI5 making some harassing
or threatening action against me. "How could it be True?"... they use the mental illness which they induced
in me as a ready explanation for my complaints. Who started it, why did it start, why it continues...
these faxed articles provide examination in more depth of the treatment in the Frequently Asked Questions webpages.
The sheer meaninglessness of the Secret Police actions is highlighted; their operatives make their livelihoods
by cynically exploiting the taxpayers, when in a more responsible country they would be looking at the inside of
prison cells.

The validity of this observation is proven by their reaction to my several suggestions in the articles that I
would cease sending faxes if MI5's agents (and it's always the same people doing the persecution) desisted from
continually harassing me. A number of times, you will see in the faxed articles, I have suggested that
we come to a "peace of mind agreement" where I cease complaining and they cease harassing. On one occasion,
I wrote to Hugh S.-W., the director of OCTS where I was employed in 1992-94 and who is aware of the
circumstances, asking that he intercede to bring this matter to a close, by initiating a meeting between
myself and the persecutors to mutually settle our differences; he didn't reply, but MI5 did soon after - they said "This is what you wanted, wasn't it?, some sort of confrontation?". The reality is the people stalking me are not interested in any settlement; for them crime pays, and
pays handsomely; moreover it is State-approved crime; the Police will never investigate or take action;

it is corruption on an incredible level and scale, and it has gone on for over a decade.

You will see that the articles contain three elements; firstly, there are original written articles,
many in the first half of 1999 when I was writing new articles every week and sending them by email and
fax during the weekend; then there are "MI5 Persecution Update" articles, which list happenings recent to
a particular transmission; and finally there is the "old faithful" Frequently Asked Questions article
which was sent on a few occasions during the three year period. These articles generated a number of
interesting responses from politicians and other recipients, many of which are documented in the
"received faxes" area of these webpages.

I hope you enjoy reading these articles. I'm not as angry as these articles necessarily make out,
only sometimes, usually soon after the persecutors have said something unpleasant at me; the purpose
of putting lots of fire and ire into the mix is to try to chuck it into the public domain which might
lead to MI5 being forced to curb their actions. Unfortunately that aim was not achieved, despite
many, many thousands of faxes being sent. Also, if any policemen are reading this, then I'm (a bit) sorry
about the rude things I said about "the Bill" in one or two of the articles; the police have never done me
any harm (yet) by commission, only by omission of doing anything to investigate my complaints or treat
them seriously.

1390. MI5 Persecution: Faxes Sent to Diplomatic/Legal (3906)

Faxes Sent to British Diplomatic/Legal logs

During the 1998-2000 period my records indicate that I sent at least 3,642 faxes to diplomatic and legal offices
located in the British isles, of which 3,345 went via TPC's email-to-fax service and 297 were sent via fax-modem
direct from my computer. The actual figure is somewhat higher since, for most of this period, whenever a recipient
asked to be deleted from my mailing list, I totally wiped all entries including that from the logfile.

In the records "Y" indicates successful transmission from fax-modem, "N" indicates failed transmission from fax-modem.
"E" indicates an error occurred while transmitting via fax-modem and a fax may have been only partly transmitted.
"y" and "n" indicate success or failure via TPC.

In April 2000 I changed the method of operation by recording "R" when a recipient requested removal, rather than
wiping their details from my mailing list and records; and keeping "B" records for when TPC actioned a ban on a
recipient's fax-number, but the recipient did not write to ask me to cease faxing. The purpose of these changes
was to keep more accurate and complete records, but the intention was thwarted by the police complaint.

Faxes Sent to British Media logs

During the 1998-2000 period my records indicate that I sent at least 6,137 faxes to the British media,
of which 5,775 went via TPC's email-to-fax service and 362 were sent via fax-modem direct from my computer.
The actual figure is obviously higher since, for most of this period, whenever a recipient asked to be deleted
from my mailing list, I totally wiped all entries including that from the logfile.

In the records "Y" indicates successful transmission from fax-modem, "N" indicates failed transmission from fax-modem.
"E" indicates an error occurred while transmitting via fax-modem and a fax may have been only partly transmitted.
"y" and "n" indicate success or failure via TPC.

In April 2000 I changed the method of operation by recording "R" when a recipient requested removal, rather than
wiping their details from my mailing list and records; and keeping "B" records for when TPC actioned a ban on a
recipient's fax-number, but the recipient did not write to ask me to cease faxing. The purpose of these changes
was to keep more accurate and complete records, but the intention was thwarted by the police complaint.
Also in April 2000, I added some further fax numbers to my media mailing list and records, which is why some of the
faxnumbers below have only a single entry, and some indeed have none.

Guess what, this is USENET. Google Groups are just a web interface to
your so called groups. Here on USENET most of us have already filtered
out this moron as we have more control than your dumb web interface.

Look, Americans in DC, are by 'judicial threat', being injected with provable poisons, not newsworthy, but the JENA6, violent criminals who nearly beat a innocent man to death should be released without questions spoken. Please support my call to allow Christ to speak openly for public defense of our dying interests. Demand George Norry take our call.

-

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

sabbah.biz/mt/archives/2007/11/12/nazis-were-right-said-alan-dershowitz

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

Liar Liar

ect..

Look, torture is criminal. Do you physically slap your
neighbors, to find out if they did the criminal's crime?
Should we slap Rivkin to ask him if he plans to commit crimes
against the innocent, and if he then says no, again repeat
till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in
America by LAW - firmly established already by the "War Crimes
Act" of 1986. Demand Justice to save the lives of our

innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

http://www.globalpolicy.org/security/issues/iraq/occupation/report/atrocities.htm

/ / commanders may give orders to "shoot first and ask questions later." \ \ KING RULES: Aim to and kill innocent people, your guilty of murder. Order such conduct, like amerika's George Norry would boastfully crow, your guilty of nazi war crimes.

Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

AMERICA RISE FOR AMERICA

Support the arrest of Bush, Cheney, Rumsfeld, and Condi with
Myers for the TREASONS of 911 to save Your freedoms to be so,
or don't, and see if we care truly ever.

Again, evil bushite THIEVES claim they are justified when
indiscriminately bombing populated cities to MURDER US People.
All to help 'escape' the neocon ENEMIES of America - they also
support "officially" destroying Our public infrastructure,
thieving humanitarian aid, while incarcerating innocent people
to collectively be punished by the TRULY Satanic enemies of
man. All truth will be disclosed by the revealing hand of God.

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as
we speak, to further terrorize a dying America lost to the
indifference broadcasted daily on almost every radio and TV
network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American." Johnny America
begs to disagree with criminals actually, and has taken a
stand against these 911 war mongers escaping our authority for
proper Public acknowledgment. If you, my reader, would only
support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

http://www.crooksandliars.com/Media/Download/22786/1/rice_iran_sanctions_102507.wmv

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on

Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

http://groups.google.com/group/talk.politics.guns/msg/92b29b55b50f7779

/ / REAL Soldiers: try calling the pro-bush radio station, CJOB, and ask them to stop thieving from our community, and demand they allow open, honest, intelligent discussions on their contempt for the Canadian flag. Thanks. P.S. You may have to wade through 45 minutes of their for profit commercials. Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America
from war criminals, and instead, as cowardly neocon bush
bitches, commit war crimes of theft and mass murder against
the great Iraqi People. A soldier in the air force, is a
dishonorable nazi savage, worthy the death sentence for
assisting in bombing Humanity indiscriminately as zionist
enemies of Christ, attempting to destroy Johnny's America with
their provable DEMONIC LIES. Death to the bushite enemies of
Life, who lawlessly war Creation with torture and slavery to
'escape' the neocons for 911. Your magic TV exec excuses
don't mean squat when the facts are so readily available. But
a bushite don't read, or write, or think freedom. Zionist
enemies of ALL Our humanity, murder to believe US won't ever
hunt them down by Law to defend ourselves over. Hammurabi
LAWS to bill the false capital accusers first, and everything
else will fall into place. [note: Hammurabi founded
Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave
US zero evidence to form our free thoughts on the 911 Justice
issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those
who rape torture, or murder. And.. get the neocons for
treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear
weapons, is not pursuing a nuclear weapons program and poses
"no threat" to any nation, least of all the United States.
[...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He
uses hypnosis over the too weak as blindly supporting the
murder of innocent others. Hitler wasn't even so openly
naively evil as Our Mr. bush Jr is truly. Our. What are YOU
going to do about it... PnK.! Answered silent the God of
Hosts echoed: Support our rise to find ANY soldier who honors
the American flag, who doesn't agree Bush, Cheney, and
Rumsfeld must be publicly arrested immediately for the
continuing war crime trials of 911. (And Condi with Myers too
as just getting started then.) Otherwise, we WILL find

ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! 'BIG LOVE' China!! Moscow! Hey buddies... "...advanced forms of biological warfare that can target specific genotypes may transform biological warfare from the realm of terror to a politically useful tool."

USEFUL! Tell me, wouldn't YOU have publicly tried, then executed neocon traitors for mass murder if you were dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip", zionist neocons who war as enemies of humankind? What evidence does a bushite need, when it thoughtlessly murders America for demon bush as it's "G-D"?, the thing that does all it's opinioning for it?, on who is guilty of evil doing in complete blind faith puppeting LIES? If anything, bush would be Puppeteer, before "he's only a puppet, he's only a puppet, look away! look away!" of the Old World Order of illiterate nazi savages who murder innocent people to thieve from as our enemies. To kill a bushite, is to be truly heroic. Ask anyone. What WE want is public accountability.

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street

Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

then the demon enemies of America, closed outstanding criminal investigations..

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the

innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a
person or a group does not mean that they perpetrated
the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better'
CBC, CNN, or FOXNEWS censors. Look at me!! They refuse
to acknowledge my documented info as REALLY important
to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies
of America at the Coast to Coast radio network, who would
kill Americans for the rich neocons without question. It's
JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC
zionists, actual treasonous LIARS, actually smile to dying
Canadian soldiers with only true contempt. CBC kills Canadian
kids, with their intentional demon lies, trying to subvert
Justice for God and Johnny. In fact, yesterday, they did a
special, all on how "God is NOT Great", giving that bush bitch
demon LIAR, all the space to pontificate it's hatred for
Wisdom, Science, and GOD, with only nods and smiles from the
'illiterate' hord. Remember: A zionist KNOWS it's an enemy of
Humanity when it supports dropping seven million land minds to
murder indiscriminately OUR CHILDREN for decades, or stealing
a Christians Home because they say God says Jews would do such
ungodly acts. Blame innocent Jews the holocaust denying
zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let
anyone out of the city, because [enemy Sattler LIED]
pro-bushite Zarqawi was there present, so the innocent
families who believed they had nothing to fear from the liar
disciples of the ungodly enemy of ALL HUMAN LIVES, remained in
the tiny city to be indiscriminately 'protected' with more
than nine two thousand pound bombs, or made dead instead by
heinous pro-bush escaping war criminals who used white
phosphorous on civilization. All to die our Humanity for the
thieved loss of evidence to demand ourselves of some official
freedom time to deal with our terrorized as suffering reality.

Support my cause, which is your cause.

Senior Military analyst, Rob Riggle "In the field John, the
soldiers are out there, every day, risking their lives, for a
common Ideal: that none of the President's decisions be
questioned."

This is more true than a bushite would admit before murdering
a honorable father to rape his young child, like Lcpl
Boudreaux freely confesses. Boudreaux will tell you, openly,
you have to murder the Arab father of the Arab child your
planning to rape, because if you don't, that Father will spend
the rest of this life, hunting you down in the streets to rip
you limb from limb for it.

Let US, me and the few, proud, and the brave, bring that
Father's intent to bare on lancing Boudreaux, and any other
who would sing in it's ungodly defense.

Zionist american media news celebs do tell, everyday, soldiers
for the neocon are all Heroes.

Please, my brothers, join me in hunting each and every bushite
present in this video down for death. For a Love of God that
will never end, until we have seen each and every responsible
child killing bushite present brought to true Justice extreme.

OH GOD! - to not believe as real Patriots - OH GOD!

http://server7.whiterosesociety.org/content/rhodes/RhodesShow-(8-10-2007).mp3

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who

thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before

allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. ¿KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in

America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage

for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Signed,

Johnny America

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? There really IS a GOD, committed to dealing death to torturers and murderers, and a place reserved as "Hell", where such Satanic behaviors are nothing to get up and roar over. Please support my rise for acknowledgement, and in turn, speaking for freedom where it counts, with You and Yours. Love God as ourselves dying for nothing but a hatred for Liberty's bounty of freedom for every soul as worth defending. HELP ME

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard

in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

'zionist equals Jews' no we don't take your pleading calls, international Bush rules news broadcasters.

See? bushites are cowardly, or ignorantly evil - as thieving dumfuk grunts for the enemy liar neocons. Look, they refuse to kill on sight, soldiers who kidnapped Iraqi children to be beaten to death on video tape, or any Aegis employees for actually murdering INNOCENT Iraqi men, women, or children for stolen cash profit, over the loss of LIFE the bushite TRULY pays in collateral. DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well

he rightly belongs, but the polls still say no - WE, seeking
for Just cause, are the minority.. just roll over and die for
the neocon betrayers to god and country, life and loving.

Lying Enemy Traitor to America, Glenn Beck

"Media Matters didn't have a word to say when congressman John

innocent Iraqi civilians, service men who actually turned out
to be innocent heroes."

I propose we try CNN's Glenn Beck for nazi treason, and upon
easily successful conviction, we put the demon liar to death
along with bushite Tatum who confesses freely to slaughtering
innocent Iraqi civilians for satanic pleasures all to serve
the neocon agenda of swindling America TO DEATH for cash
profit through neocon censorship. Mattis, the woman hating
documented child killer, was made into a 'Judge' for the
bushite's version of a war crimes 'trial', that hasn't even
yet truly transpired, for the evidence was not brought to
light through the proceeding, such as Tatum's full confession.
But, of course, Glenn Beck, the treasonous liar, doesn't want
America, the dying by contempt, to truly know that. For, he'd
be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and

you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. The demon knows of Ahmad, and forbids any guest from uttering such understandings in defense of the DYING dumfuk grunt nazi - Good riddance? Do you care that your country men are dying for the criminal zionist neocon as traitors? Support my demand for US to be heard GOD DAMN YOU. ...or die by the hands of Humanity.

All fighters, listen up. ANY bush bitch neocon biter who pretends as a cowardly child killing traitor, it can't ever hear my manly voice from here, YOU kill to defend ourselves over, in the cage or otherwise. Kill any or all thieving bushite ENEMIES of America responsible for 'escaping' the 911 perpetrators, why don't you help US out some my loves...?

CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50 for every can drink he, and the rest of his cadre can swallow. Buying bulk, the pop cans likely truly cost 35 or so cents. So... who's pocketing the stolen loot? Cause, you know that would be FRAUD. CNN reported that your 'meatball' story would cause no demands for the returns of stolen funs, no bushite would lose it's high costing position, as no one would be tried for treason and gloriously put to death publicly for the defense of God and country. ..They were actually laughing.. I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all

headed up by a blatant traitor to America named Sattler.
Reminder: after the indiscriminate carnage, they couldn't
find near anyone for weeks who would take money offered to any
citizen freely who survived for their satanic benefactor. So
insanely disturbing as ungodly evil doing, war criminal
Sattler called a halt to giving out charitable considerations
from Americans to the unseen surviving victims - all in an
'escape' attempt to make it look better for US, the paying
audience. So, where did our stolen values go to then eh?

The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that
there is insufficient evidence to show that Lance Cpl.
Stephen B. Tatum did anything other than follow Marine Corps
rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR

Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt

for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon is right in claiming sovereignty [..] \ \

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The IDF states it will "reexamine their policy" of conducting such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

broadcast to my America the need for neoconned soldiers to die

for the lawless demon antichrist, knowing full well, you work 'happy' to escape the 911 perpetrators of American Wrath, like General Ahmad, with your truly evil demonism about Life, and betrayal to freedom for US humans.. George Norry is 'the evil spirits' he says you can never find. Evidence.

Elected Governments All Over The World

British MP Galloway and Richard Perle on TV together!!
http://youtube.com/watch?v=nu4GBnxi3wc

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense

for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

President and CEO of Shareware Earth Co.
King Johnny Wizard

Christ is Person ! ! !

Intelcenter.com = alqaida videos you can get nowhere else!

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make

believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TV networks. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

MY DEMANDS

/ / eight million Iraqis require immediate emergency aid \ \

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See the bushite, you bill it for Christ, You bill it for America, You bill it for them, you bill it for US.

Murdering bushite gang rapists try escaping true accountability

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

All criminally gotten assets of lawless mercenaries will be hunted by every police service; those that complain as traitors to Freedom as Justice, WE, the real Patriot warriors, committed to defensive measures, will be rewarded to bill for. Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. (Any soldier who doesn't proudly talk of how it hunts those British soldiers who kidnapped barefoot children and victimized them on video, is a soldier worth destroying NOW to defend GOD and Life from needless death.) Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

We can really be something greater, while a murderous bushite
thief, a LIAR, can hardly read or write Liberty without
flinching from self contempt.

Jesus man, do I truly hate these zionist nazi thieving LIARS
on our magic TV shows who con our kids to die as bad guys.

How about You?

These naked LIAR enemies who bank to thieve more from Iraq, Afghanistan and America, must be brought down by Humanity's ultimate triumph over tyranny through Law. A just law, where those accused without any evidence are Innocent, and WORTHY yOur defenses.

OBSTRUCTING JUSTICE FOR AMERICA

Tony Snow "The executive branch is under no compulsion to testify to Congress because Congress, in fact, doesn't have oversight abilities."

Jesus man, do I truly hate these zionist nazi thieving LIARS on our magic TV shows who con our kids to die as bad guys. How about You?

/ / If Bush and his PNAC buds are innocent, then Investigate 911! What have innocent people to fear from a fair, complete and real investigation? \ \

They are guilty, so, of course, the demon Bush enemy, OBSTRUCTED JUSTICE FOR AMERICA.

I hear the national radio program Coast to Coast is still feeding us neocon lies. Why don't you make the call for Johnny.. believe in yourself for a change why don't you?, buddies??... I am Your god king. King Johnny I am. Champion of Universal Life! Not enough? Who cares?, to allow US speak on our broad casts as legitimate? Worried I'm going to love Life as truly honorable, and Greater than those who openly lie to our soldiers to have them unjustly die for no better good or reason understood? Let us make life better than the neocon envision, and support our rise to popular acclaim by allowing US to speak openly for public challenge in defense of America.

Death to the neocon soldier, death to the enemies of Man.

True US Bush Iraq-Afghan Wars Deaths At 21,000
http://www.rense.com/general77/true.htm

"In the last four years of war in Afghanistan and Iraq, the unreported death toll of American military personnel is in excess of 20,000 (20,871)"

It's in cowardice that 'Americans' don't speak out for the lost 'loves' of their dumber than dumb sons.

-

Demon enemy bushite in Afghanistan murder children without real understanding 'by accident', [no evidence is shown to ANYONE, just treasonous demon evil bushite necon spewing, "red handed"] lies after lies, while, the Taliban, we are told, are so much worse, because they would murder "ANYONE." Make sense? No. Remember: (The bush regime has been found funding Al-Qaida in Iran to commit terrorist acts against COWARDLY soldiers without free minds to speak in their own defenses.)

/ / The group is demanding his impeachment not only for his crimes against humanity but for lying to the American people about his worship of Satan. \ \

It almost makes me laugh, and then, I push to remind, we are so very far from where civilized is dreamed to reside. Look, think of US as actors, (because that is who we are,) and support my rise to proclaim by the will of a suffering for real human kind. Believe in US, as if your life depends on it, because it does my friends, because it does. Live free or die unwillingly.

Son of Man to GOD forever answers correctly.

Kill a bushite as the Love of Justice for Humanity

The Son of Man BEGS all honorable men to defend Life

from bushite enemies of GOD who murder, rape and steal from
innocence through lawlessness as thieves of everyone. Please
kill the bushite for the love of women and children. kill
the bushite for the love of GOD. Please, defend ourselves
further hardships by supporting immediate war crime trials
to begin against all neocon traitors who LIE OPENLY to
kill America's America as enemies to truth, as enemies to
Christ.

'Kill Anyone Still Alive': American Special Ops
http://www.atlanticfreepress.com/content/view/1784/81/

Can you not as a American Man, destroy bushite brayers to defend
innocent life? Americans could not care less presently for
the value of Human life. Americans do nothing to defend
their lives, but officially plan to murder more for the Satanic
demon antichrist in silence. Out of millions, how many even
bother to make a phone call to talk radio against the neocon.
how many? Five or six? Seriously.. How many? I know bushites
are demon liars for the neocon, but is it really impossible for
"Americans" to try speaking?, in the face of murdering millions
more forsaken by enemy mortal, pro child killer George Norry?
George Norry too nice of a guy to even bother question the value
of American children? The THIEF Art Bell's voice too soothing
to care that neocons own pirated America, and on everything she
stands whoring as WAR CRIMINALS to the FOR REAL antichrist?

Death to the lawless bushite, death to the enemies of Mankind

/ / The U.S. State Department recently issued a report
calling Sudan a "strong partner in the war on terror." \ \

The high jacking Bush regime is supporting financially a
TYRANNICAL 'government' that openly practices Genocide, as just
the sort of "American" partner to assist in determining which
further murder victims are terrorists. While the same demon
administration confesses to FUNDING middle eastern al-Qeada to
commit TERRORIST acts in Iran, as demon evil tyranny against
the sleeping Sheeple. Again, it is fully confessed that the
Satanic bushmob is pro terror now. Death to the enemies of
Freedom, death to the bushite betrayers of Life instead of YOU
my innocent friends. Instead of US.

To Kill a Bushite, is to be Heroic

To further murder as these ungodly bushite liars do today as
our suffering Mankind, is to blindly swear public allegiance
to the for real DEMONIC antichrist THIEVES. Bushite enemies
are evil nazi dumfuk scum, liars who cowardly watch America in
her weakness be high jacked, and squeak nothing for Just words
in our REAL defense for dying. Play pretending their actually
real men, because to really be so, requires real strength.
Not bush bitch Marines "WHORES YEAH!" strength, where they
cowardly can't figure to defend America from ungodly war
criminals. War criminals who deliberately set them up with
Satanic 'black magic' to be killed in criminal actions. P2OG.
But see?, the bushite fodder, can't care enough for Life to
read, because it already knows like the zionist, it's an
ungodly coward and a thief, as siding to lying and censorship,
this will out work for evil doers in the long run without

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but
will smile while watching your son or daughter sent out to die
CONNED by their demonic hatred for US freely communicated.
How do I know this? I made the effort of making the phone
calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio
hosts allow free communications, absent their personal
contempt for preserving freedom to be our America. George
Norry WILL kill Your American child for the contempt he truly
holds for our lives here. He says he only supports murdering
Arab children for the neocon, but when your not looking in his
'shadows', he'll kill your child too, don't doubt it for a
second.

-

Allah is all, and negotiating for freedom from naked bushite
tyranny is won EASILY through communicating understanding.
Omar the Just knew this to say so, as do I. And this is why
corporate news professionals forbid me to speak openly without
nazi censorship, ON OUR AIR-WAVES, because I am honorable,
right, and true as believable. While America's fun guy,
zionist George Norry, states to support PUBLICLY, the ungodly
murder of innocent Arabic children for nothing but his
personal contempt of YOUR DYING LIFE, while further wanting to
invite thoughtlessly nuking places on Earth all for his secret
hatred of US freely commutating. Typical bushite. Ending
with to tell US again 'convincingly', that bin Laden did do
911 as a terror-ist bad guy in G's World!!?! How so? EH?
How so? he don't care man, he don't care. He and his family
have millions of dollars to sell you out, so why care for your
struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if
they tried. Ahmad funded Atta. bin Laden claimed he played
no part in 911. And video of iron running like water moments
before the first tower fell is freely available for download
all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has
been completely overhauled. Where are the many who served there NOW
eh?]

Look: America has kidnapped countless thousands without evidence to
be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide
OPENLY in America's uniform. [let US hunt them down for GOD, despite
what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

'A military judge ruled last week that Watada cannot base his
defense on the war's legality.'

Telling US what?, that it is a crime to not commit a crime?
It isn't only high treason against America the ungodly bushite
are guilty of, but of a madness held by those truly Satanic..

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by

those who believe our Mankind, can not ever find themselves accountable, without zionist controlled, corporate news permission. See? The military counts mankind as zionist, but I am a man of real men, committed to defend our world from all enemies, foreign, or domestic. Unlike a bushite traitor to God and America, who's word, as Oath, means as much to them, as we do. Ungodly as they are loveless, the bushite, is Life's enemy.

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

Let's do this.

Death to our Enemies

My friends, People are dying because the, Israel=Jew, magic radio and TV crews, wont broadcast THE TRUTHS of our publicly available findings. Police findings. People are dying needlessly, illegally, irrationally like meaning really stupidly on Bush's behalf, for they claim, we don't want to be 'embarrassing ourselves' with MY wisdom, You people seem to not be there for God when the chips are way down, and truth is plain to see.. 911 was an inside job, and CBC with CNN don't want to tell us about it, but will watch our LOVED children lied to, to go out and die further for a causeless war of criminality unparalleled in it's wickedness.

Don't let these neocon zionist bastards doe this to US.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who

attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

Color of Law?

Look, families are threatened with arrest for not agreeing
to cause neurological damage to their children. The cause
for why their children are not in school, is not the parents
fault, but the unlawful decision by the health authority to
not allow the children in school. So, arresting the parents
is irrational, for, it is the school authority that has
disallowed the children an education. So, arrest those that
refused children Justice, or, go blinded with Alex Jones.

This ain't right

Look, the guy who murdered the two thieves, is guilty for
such. He acted to intentionally murder. MURDER. Do cops kill
kids who steal bubble gums?, or if they did, would an American
then think justice lacking? Cops were near the scene, and the
murderer held no pause to kill thieves with their hands full.
How about, 'drop to the ground' before pulling the trigger? No,
the murderer told US he wanted to murder. Would spitting on
the ground in America blindly call for executions because who knows
what the spitter would have then done later? The thieves were of
no alleged personal threat to life by the murderer, and would
have likely been caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, Alex Jones
and CBC doesn't believe YOU deserve to know the science of?

The Whole Truth - Christ Claims Torture Illegal

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. ect..

Look, torture is criminal. Do you physically slap your
neighbors, to find out if they did the criminal's crime?
Should we slap Rivkin to ask him if he plans to commit crimes
against the innocent, and if he then says no, again repeat
till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in
America by LAW - firmly established already by the "War Crimes
Act" of 1986. Demand Justice to save the lives of our

innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

http://www.globalpolicy.org/security/issues/iraq/occupation/report/atrocities.htm

/ / commanders may give orders to "shoot first and ask questions later." \ \ KING RULES: Aim to and kill innocent people, your guilty of murder. Order such conduct, like amerika's George Norry would boastfully crow, your guilty of nazi war crimes.

Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

AMERICA RISE FOR AMERICA

Support the arrest of Bush, Cheney, Rumsfeld, and Condi with
Myers for the TREASONS of 911 to save Your freedoms to be so,

Again, evil bushite THIEVES claim they are justified when
indiscriminately bombing populated cities to MURDER US People.
All to help 'escape' the neocon ENEMIES of America - they also
support "officially" destroying Our public infrastructure,
thieving humanitarian aid, while incarcerating innocent people
to collectively be punished by the TRULY Satanic enemies of

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as
we speak, to further terrorize a dying America lost to the
indifference broadcasted daily on almost every radio and TV
network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American." Johnny America
begs to disagree with criminals actually, and has taken a
stand against these 911 war mongers escaping our authority for
proper Public acknowledgment. If you, my reader, would only
support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of steel flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

http://www.crooksandliars.com/Media/Download/22786/1/rice_iran_sanctions_102507.wmv

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on

Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish

community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. Live for freedom dying America! Johnny America wants to be invited on Coast to Coast. Make it happen Man. Justice for god, is Justice for all.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

http://groups.google.com/group/talk.politics.guns/msg/92b29b55b50f7779

/ / REAL Soldiers: try calling the pro-bush radio station, CJOB, and ask them to stop thieving from our community, and demand they allow open, honest, intelligent discussions on their contempt for the Canadian flag. Thanks. P.S. You may have to wade through 45 minutes of their for profit commercials. Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America
from war criminals, and instead, as cowardly neocon bush
bitches, commit war crimes of theft and mass murder against
the great Iraqi People. A soldier in the air force, is a
dishonorable nazi savage, worthy the death sentence for
assisting in bombing Humanity indiscriminately as zionist
enemies of Christ, attempting to destroy Johnny's America with
their provable DEMONIC LIES. Death to the bushite enemies of
Life, who lawlessly war Creation with torture and slavery to
'escape' the neocons for 911. Your magic TV exec excuses
don't mean squat when the facts are so readily available. But
a bushite don't read, or write, or think freedom. Zionist
enemies of ALL Our humanity, murder to believe US won't ever
hunt them down by Law to defend ourselves over. Hammurabi
LAWS to bill the false capital accusers first, and everything
else will fall into place. [note: Hammurabi founded
Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave
US zero evidence to form our free thoughts on the 911 Justice
issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those
who rape torture, or murder. And.. get the neocons for
treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear
weapons, is not pursuing a nuclear weapons program and poses
"no threat" to any nation, least of all the United States.
[...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He
uses hypnosis over the too weak as blindly supporting the
murder of innocent others. Hitler wasn't even so openly
naively evil as Our Mr. bush Jr is truly. Our. What are YOU
going to do about it... PnK.! Answered silent the God of
Hosts echoed: Support our rise to find ANY soldier who honors
the American flag, who doesn't agree Bush, Cheney, and
Rumsfeld must be publicly arrested immediately for the
continuing war crime trials of 911. (And Condi with Myers too
as just getting started then.) Otherwise, we WILL find

ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! 'BIG LOVE' China!! Moscow! Hey buddies... I'm coming over for drinks no matter which way you look at it. Business first.

"...advanced forms of biological warfare that can target specific genotypes may transform biological warfare from the realm of terror to a politically useful tool."

USEFUL! Tell me, wouldn't YOU have publicly tried, then executed neocon traitors for mass murder if you were dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip", zionist neocons who war as enemies of humankind? What evidence does a bushite need, when it thoughtlessly murders America for demon bush as it's "G-D"?, the thing that does all it's opinioning for it?, on who is guilty of evil doing in complete blind faith puppeting LIES? If anything, bush would be Puppeteer, before "he's only a puppet, he's only a puppet, look away! look away!" of the Old World Order of illiterate nazi savages who murder innocent people to thieve from as our enemies. To kill a bushite, is to be truly heroic. Ask anyone. What WE want is public accountability.

I'm telling you America, George Norry is a blatant naked traitor talking the love of your innocent dying sons and daughters as too stupid and cowardly to defend our dying America from the actual 'escaping' neocon 911 perpetrators.

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street

Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

then the demon enemies of America, closed outstanding criminal investigations..

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the

innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a
person or a group does not mean that they perpetrated
the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better'
CBC, CNN, or FOXNEWS censors. Look at me!! They refuse

to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies
of America at the Coast to Coast radio network, who would
kill Americans for the rich neocons without question. It's
JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC
zionists, actual treasonous LIARS, actually smile to dying
Canadian soldiers with only true contempt. CBC kills Canadian
kids, with their intentional demon lies, trying to subvert
Justice for God and Johnny. In fact, yesterday, they did a
special, all on how "God is NOT Great", giving that bush bitch
demon LIAR, all the space to pontificate it's hatred for
Wisdom, Science, and GOD, with only nods and smiles from the
'illiterate' hord. Remember: A zionist KNOWS it's an enemy of
Humanity when it supports dropping seven million land minds to
murder indiscriminately OUR CHILDREN for decades, or stealing
a Christians Home because they say God says Jews would do such
ungodly acts. Blame innocent Jews the holocaust denying
zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let
anyone out of the city, because [enemy Sattler LIED]
pro-bushite Zarqawi was there present, so the innocent
families who believed they had nothing to fear from the liar
disciples of the ungodly enemy of ALL HUMAN LIVES, remained in
the tiny city to be indiscriminately 'protected' with more
than nine two thousand pound bombs, or made dead instead by
heinous pro-bush escaping war criminals who used white
phosphorous on civilization. All to die our Humanity for the
thieved loss of evidence to demand ourselves of some official
freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the

This is more true than a bushite would admit before murdering
a honorable father to rape his young child, like Lcpl
Boudreaux freely confesses. Boudreaux will tell you, openly,
you have to murder the Arab father of the Arab child your
planning to rape, because if you don't, that Father will spend

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if

they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of

any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the

bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they

confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Signed,

Johnny America

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? There really IS a GOD, committed to dealing death to torturers and murderers, and a place reserved as "Hell", where such Satanic behaviors are nothing to get up and roar over. Please support my rise for acknowledgement, and in turn, speaking for freedom where it counts, with You and Yours. Love God as ourselves dying for nothing but a hatred for Liberty's bounty of freedom for every soul as worth defending. HELP ME

DEFEND THE PEOPLES OF IRAQ FROM BUSHITE NAZI DUMFUK GRUNTS

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all

done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well

he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and

you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the defense of our innocent forsaken dying lives. CBC producers know the bushmob did 911 but lie with propaganda to kill our families for the ungodly as thieving neocon enemies. They refuse to inform ourselves that Al-Qaida is General Mahmoud Ahmad, as according to the FBI. Or that video of iron flowing like water from the WTC towers exists indicating without doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to? What can you lose when you have granted to be blindly stolen from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the nation that openly thieves, tortures, and murders daily thoses THEY ADMIT are commpletely innocent, are enemies of every religious person denied access to honestly speak the facts as firmly established since the dawn of Man.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all

headed up by a blatant traitor to America named Sattler.
Reminder: after the indiscriminate carnage, they couldn't
find near anyone for weeks who would take money offered to any
citizen freely who survived for their satanic benefactor. So
insanely disturbing as ungodly evil doing, war criminal
Sattler called a halt to giving out charitable considerations
from Americans to the unseen surviving victims - all in an
'escape' attempt to make it look better for US, the paying
audience. So, where did our stolen values go to then eh?

Tatum, who freely confesses he's a proud child killer without
apology, is being made a free man in evil bushite amerika.
The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that
there is insufficient evidence to show that Lance Cpl.
Stephen B. Tatum did anything other than follow Marine Corps
rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR

Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

/ / Ware has recommended to [demonic nazi enemy of Life 'judge'] Lt. Gen. James N. Mattis, that charges be dismissed, \ \

"Mad Dog Mattis,"

MATTIS!! The guy who murdered countless women and children at a wedding party, while after getting caught PROPAGANDIZING to forsaken America the innocent victims as al-Qaida!! CAUGHT! Mattis called innocent six year old girls "al-Qaida"! CAUGHT!

BUSHITE ENEMY OF AMERICAN FREEDOM Lt. Gen. James N. Mattis has been made into a "JUDGE"!! THE WOMEN HATING NAZI FUK! A JUDGE of Men by 'law' in bushville!!!

the [anyone's] CHILD KILLER Lt. Gen. James N. Mattis QUOTE: "It's fun to shoot some people" - defenseless innocent WOMEN HE SHOT!! INNOCENT CHILDREN HE SHOT!!!! YOUR CHILD!! FIGHT BACK FOR CHRIST! FIGHT BACK

Prosecutor Lt. Col. Paul Atterbury "Lance Corporal Tatum entered a home and participated in the killing of Iraqis who were not legitimate targets, then entered a second home and participated in the murder of [more innocent] women and children,"

/ / One of the Marines charged with murdering civilians in Haditha, Iraq, in 2005 knew that only women and children were huddled in a back bedroom in a house there, but he [TATUM] opened the door and shot them anyway, a squadmate testified Tuesday. \ \

TRAITOR Mattis "The Marines have landed, and we now [as ENRON] own a piece of Afghanistan." [thieving from all for 911's neocon, especially undefended American pensioners... hail satan - 666.]

TWO OF THE PROTECTED 911 HIGHJACKERS WERE WORKING WITH SAUDI INTEL!

Murder for stolen money in America's America!, and CBC, CNN, FOXNEWS report no cause to care! Treasonous George Norry CONS Americans to murder for the evil neocons with threat of his going "ballistic" against any or all Americans who try to stand up as a Just peoples for what is righT, for Life and/or God by SPEAKING FREELY. Will You try?, or go silent to die as unworthy? Your call bud...

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt

for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

Johnny America Speaks Out

"what's this freedom war against Life for again"?

Hannity is a perfect example of what a neocon is. It's a one way communications system. He tells us what we think, and he'll never takes our calls, they won't read our emails, and they'll continue to pretend WE don't exist. AND... when WE die, they'll be richer for it. AND you'll be dead, your innocent brother will be dead, your innocent child will be dead. No evidence against an accused is US being truly abused. George Walker Bush is Guilty for 911, while every irrational bushite is a traitor to the American Family.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Or don't, and needlessly continue to pay twice as much, while dying broke as self made losers without a cause worth preserving. A free market open to waste for profit

UN's Admission: Lebanon Was Right All Along
http://www.globalresearch.ca/index.php?context=viewArticle&code=COO20070816&articleId=6568

/ / Last month its cartographers quietly admitted that Lebanon is right in claiming sovereignty [..] \ \

Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. The IDF states it will "reexamine their policy" of conducting such raids on uninformed, panic-stricken Palestinian villages. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my

authority free willed to anyone. Let's face it, we're great

will get it if we reflect together with impeccable credentials
as standing with measured reason for proper assessment on
rights making might. Who is who here, a freeing peoples I
tell you, arriving to bring a true patriotism to Life for US.
Are you with yourself as respected an equal under the law
devised fairly for all concerned parties?.. well then...

Elected Governments All Over The World

British MP Galloway and Richard Perle on TV together!!
http://youtube.com/watch?v=nu4GBnxi3wc

Galloway "These are the people who have overthrown elected governments all over the world. and he [Richard Perle] comes on your program to prattle about democracy. These people don't want democracy, they want slave governments. If it's a slave dictatorship - that's fine. If it's a slave elected government - that's also fine. The only thing that matters is that the government is a slave government. That is why they will never invade Egypt. They will never invade Saudi Arabia. They only invade countries, or threaten to invade countries, who stand against them and who refuse to be slaves to them. That is why they hated Iraq, that's why they hate Iran. That is why they hate Syria. Of all the faults of all the three regimes in these three countries - they were never slaves to the United States, and that's why they were attacked. [...^] In Iran, 17 million people voted for the president, Ahmadinejad, and 10 million voted for his opponent Rafsanjani. Those 27 million are determined to exercise their right to nuclear power. The response of Bush and Perle is to threaten them with invasion. These are the people who murdered Salvador Allende, the elected president of Chile. These are the people who have overthrown elected governments all over the world."

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

Jason Bermas "I just want to let people know, that if this is a hit piece that involves, you know, saying that we're all blaming the Jews, or the Zionists, or something ridiculous, where we go after an ethnic group, [Jason Bermas suggests "Jews" = "Zionists"?] 'we' can not be associated with ANTI-SEMITISM, space beams, utter kookery.

Alex Jones "Or Jesus! they have 911 leaders saying they are Jesus now. They have people saying it's space beams from Pluto. And folks, I've tracked these people, they all were formally in intelligence, or connected to the Bushes, the space beam thing came from a almost cabinet member level Bush member, and folks this is a setup to poison our movement."

Now??

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense

for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of

global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

www.newamericancentury.org

Jason Bermas "I just want to point out that we're going to encourage the people to look at the evidence for themselves."

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Don't they know of what You speak? Now???

Make it so,

President and CEO of Shareware Earth Co.
King Johnny Wizard

Christ is Person ! ! !

Intelcenter.com = alqaida videos you can get nowhere else!

It is important to also realize, this intecenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make

believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TV networks. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

MY DEMANDS

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

Ten "CIA" bushite enemies have been found to have kidnapped near one thousand innocent Americans to be tortured to death, in tyrannical nations friendly under American funding by Bush unquestioningly. Fight back for your neighbor, fight back for America, fight back for YOURSELF. Or, don't.

See the bushite, you bill it for Christ, You bill it for America, You bill it for them, you bill it for US.

Murdering bushite gang rapists try escaping true accountability

/ / Why did the Army, within three hours, return to tell neighbors that this was the work of insurgents apparently without any investigation? \ \

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to

enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

When, or if that day should come, it will be the day where Iraqis victims are seen, as just you or me. Today, there is nothing more i wish, than to hear bushite nazi savage thieves for the neocon die rightly, before the innocent they target for murder. All in an attempt to 'escape' those truly responsible for the crimes of 911 a bushite whore practices, as an enemy to Christ and

America.

Bushite amerka does not own Freedom, nor do they own our rights to be Just. Join me in demanding the Public execution of the satanic demon liar Tatum, on his Public insistence that murdering innocent families to thieve from for the neocon, is a crime not warranting the death sentence enforced by any family man. Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. / / The US has also been backing some pro-western politicians like Iyad Allawi \ \

Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

MSNBC Poll: Over 400,000 (88%) Say Bush Should Be Impeached

Bush Successful at Permanent Legalization of Torture
http://www.prisonplanet.com/articles/march2006/070306Torture.htm

/ / The truth is that the Bush Administration has used the McCain
anti-torture bill to codify a policy of torture that is now
embedded in our legal system for perpetuity. \ \

WE'D be hunting down those bushite liars who
torture innocent people to death for their satanic pleasures.
For, you know it does warrant the Death Sentence in America,
right? (You can thank Reagan for that...)

/ / In a move that hardly indicates that he was a terrorist
plotting to attack a US government installation Tatar then

went to the Philadelphia police department to complain that he was being pressured by someone into getting a map of Fort Dix and that he thought this had something to do with a terrorist plot. \ \

Didn't see this on our TV news either did You?

-

/ / On CBS' "Face the Nation," she claimed that intelligence errors before the war were "worldwide" even though the International Atomic Energy Agency's Mohamed ElBaradei publicly stated there was "no evidence" of an Iraqi nuclear program \ \

That from the 911 witch, who forbade a stop to hostilities IN AMERICA'S NAME against the innocent in Lebanon. Nazi Israel ADMITS to the targeting MURDER of any innocent persons who drive in a truck. Perhaps Americans. Who cares? Not CBC or CNN they'll tell you consistently absent from the crimes scene.

-
Death to the zionist bushite enemy forces

/ / After it was revealed by the Plaid Cymru MP Adam Price that British trained policemen had tortured prisoners to death with drills, we discovered, through the New York Times (!!), that American intelligence officers had been working alongside them at the Jamiyat police station \ \

BASELESS?

/ / Prime Minister Stephen Harper "We will conclude a formal agreement so that we never again face these baseless allegations," he said. Thirty Afghan detainees have claimed they were beaten, whipped, given electric shocks and denied food once they were transferred to Afghan security forces by the Canadian military \ \

These demons who war for ZIONIST censorship are a bunch a dope pushing cop killers, who murder innocent people they call 'Taliban' better known as in Arabic - students.

-

Proudly kill the bushite who would drop from the sky, SEVEN MILLION landmines on our cities to kill our children for decades indiscriminately, while offering our Humanity to God no apologies. Proudly kill the bushite savages all to desperately survive ourselves creating a better world through fair, free market communications. To warring for Liberty as true Freedom wills, is for Justice understood as measured, not just made up out of nowhere for the pleasures of those truly

Satanic. So spoke the King of being the wisdom we here revealed by statement of timeless fact. Good will triumph over evil. That's that.

-

Tenent "Lets everybody tell the truth."

It seems Tenent wants to inform us he actually meant when saying "slam dunk" - that, selling the war to the American Joe, without establishing any real facts would be easier than anything against the powerless as media unrepresented!

Bushite War LIFE Itself - and - They Couldn't Care Less

'Alpha company patrols the poppy fields.'
20070420_taliban28.mp3 (pbs broadcast)

"About the poppy harvest, currently gathering pace all around them, they couldn't care less." Instead they kill unarmed innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide distribution and production of heroin, tells of murdering innocent farmers, that would never raise a gun in anger, are those they openly confess to target for first degree murder as labeled the, second tier Taliban. That's when not defending American Pension thiever ENRON'S pipeline managed under their extremist Muslim fundamentalist regime of intolerance for public communications, as the continuing thieving of 80 percent the Humanitarian Aid given by Canada to feed the STARVING, and school our children of the impoverished Afghanistan, as so reported. Eighty percent. 80. 80 percent stolen. I'm telling YOU: CBC couldn't care less about what Canadian soldiers are actually dying as COWARDS for: "Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly partners in crime" CBC national radio management needs to be arrested in Canada for high TREASON. Please, be a Patriot, and demand these zionists allow open communication with the facts to save the lives of Canadians soldiers they hold in contempt to die as the bad guys committed to no better good.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to
raise some concern. THEY don't. They refuse to hunt bushite
down in their streets for death to defend the innocent held
indefinitely against GOD'S will. Death to the bushite, death
to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but
will smile while watching your son or daughter sent out to die
CONNED by their demonic hatred for US freely communicated.
How do I know this? I made the effort of making the phone
calls.

"Al-Qaida" = "General Mahmoud Ahmad"

Defend freedom, and the FBI, by demanding Coast to Coast radio
hosts allow free communications, absent their personal
contempt for preserving freedom to be our America. George
Norry WILL kill Your American child for the contempt he truly
holds for our lives here. He says he only supports murdering
Arab children for the neocon, but when your not looking in his
'shadows', he'll kill your child too, don't doubt it for a
second.

-

Allah is all, and negotiating for freedom from naked bushite
tyranny is won EASILY through communicating understanding.
Omar the Just knew this to say so, as do I. And this is why
corporate news professionals forbid me to speak openly without
nazi censorship, ON OUR AIR-WAVES, because I am honorable,
right, and true as believable. While America's fun guy,

zionist George Norry, states to support PUBLICLY, the ungodly
murder of innocent Arabic children for nothing but his
personal contempt of YOUR DYING LIFE, while further wanting to
invite thoughtlessly nuking places on Earth all for his secret
hatred of US freely commutating. Typical bushite. Ending

with to tell US again 'convincingly', that bin Laden did do 911 as a terror-ist bad guy in G's World!!?! How so? EH? How so? he don't care man, he don't care. He and his family have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate

american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless

life? For, who can trust a lying bushite nazi savage?
certainly not a lying bushite nazi savage. In other words:
speak against committing war criminal acts of lawless
aggression in Iraq for Bush, as CLEARLY un-American, and I'll
try to forgive you as human. Or, I guess you'll kill
yourselves in mutually muted total contempt for this universal
life as actually worth something.

When you see and hear on video, sexually dysfunctional, as
sadistically satanic grunt puke pro-bush soldiers moaning,
while deliberately killing innocent defenseless Family People
running for our dying lives from a holy church, or as just
simply anyone standing near the side of the road, then, my
friend, you'll begin to understand what evil actually is.
And, what needs to be done to seriously save ourselves.
Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American
Soldiers to recognize such demonic behaviors in combat as
worthy of immediate frag to defend the lives of truly fellow
honorable soldiers. Soldiers ACTually, committed to freedom
from godless satanic dumfuk tyranny of the antichrist demon,
Mr. evil personified, the UN-ELECTED 911 TERRORIST, George
Walker Bush and CO..

in defending Liberty, campaign JUST that? Why not??? Is it
because they're LIARS?

Like Coast to Coast's fun guy, he ain't taking our screams,
George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated
authority through defending the further 'escape' of the

that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush:
"If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis,

along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like

killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

No bushite was found gloriously killed for country, yet, they,
the godless bushite enemy, continued to shoot innocent People
indiscriminately for a distance of six miles, while likely,
secretly masturbating each other as bushite liars do always.

The pro-bush irrational military said only eight innocent
un-armed Afghans were counted as murdered deliberately, by
those who believe our Mankind, can not ever find themselves
accountable, without zionist controlled, corporate news
permission. See? The military counts mankind as zionist, but
I am a man of real men, committed to defend our world from all
enemies, foreign, or domestic. Unlike a bushite traitor to God

promoted through the tyranny of censorship

Corporate News America's Terror Expert, Gaffney, who publicly advocates the rape and murder of the innocent in Iraq to thieve from for the 'escaping' neocons, (as the truly UNGODLY,) stated these words about why American Soldiers continue to lawlessly DIE sacrificed for no better good or reason understood, as total willing dumfuks under deep hypnosis:

"It is not George Bush, it is not the Neocons,"

"," = swinging pocket watch

Don't let these neocon zionist bastards doe this to US.

Any Commander that doesn't support the arrest of those responsible for 911 and the subseqent neocon war crimes of Iraq, is a traitor to God and Country.

How much much God take as taken, before you people get on over this criminally empowered war monger Congress of an unelected lawless dictator demon, and call them out on the turning talk commercial radios, all to finally truly defend ourselves with a good media plan for results.

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the

Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

This is why the Son of Man through God begs the Peoples of
Humanity to kill on sight, the enemy bushite betrayers to
Life. Ourselves, the innocent. These soulless grunts don't
destroy such deserving commanders, Like Blount, Sattler,
Russell, Wuterich, Pantano or even Kimmitt, and instead, as in
Fallujah, murder every woman and child present, while stealing
all our given monies for desperate life saving help. Anyone
in the Air Force deserves to be justly put down, for, I've
NEVER seen any legitimate bombing campaign, but for to kill
People indiscriminately like NATO regularly does with
radio-active toxic waste, while then sending in the dumfuk
Marines, or the 'from the coast' Canadians, who of course,
rightly get killed on the ground in retaliation for such blind
evil stupidity. Please, I beg, help Iraqis, and kill the
bushite thieves to defend our forsaken God. American
children, help me my loves. Please don't allow the bushmob to
escape for the treasons against America on 911, for, bushites
are OPENLY traitors, as the TRUE enemies of evidenced Justice,
as the Freedom to do our own things loving God on our own.
Besides, most bushites aren't even registered American
citizens. Bushites need to be hunted down for destruction -
by the Loyal Christian American Patriot Soldier, the ones who
war to win against those who torture US innocent to death as
the ungodly Satanic LIAR enemies. Save the Humans, kill a
bushite false accusing traitor of American Freedom To-day, and
become a real Man in the presence of Johnny America, an actual
Man of Men, Lord of Lords, and King of Kings.

A Public Letter to the "American" Coast to Coast Radio Network:

1. We, as the People, demand you allow US, the human species
to openly discuss the public evidence on who funded the
terrorist acts of 911 according to the FBI. And full
disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a
justification.

3. Also, that mercury tainted vaccines are deadly stupid.
Mercury is scientifically understood, without question, (no
doubt) to be a neural-toxin

You must wake up to life's demand for you to defend our dying
lives my friend. Please? Make the call, be a man to defend
our women. Be a man to protect our children.

Support our call to be heard my brother.

That's all.

Exit strategy to save the lives of dying Americans:

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt those who stole billions with ear-marks, Social Security,

no-bid contracts, Iraqi oil, ect.

War those who stole the Iraq Development Fund, and the
emergency monies left to save the lives of our dying children

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People
like in Fallujah or Somalia with land mines and mini nukes

The godless as lawless bushite is the enemy to America, kill
it proudly for freedom, as an undying love for a real God and
Humanity.

Color of Law?

Look, families are threatened with arrest for not agreeing
to cause neurological damage to their children. The cause
for why their children are not in school, is not the parents
fault, but the unlawful decision by the health authority to
not allow the children in school. So, arresting the parents
is irrational, for, it is the school authority that has
disallowed the children an education. So, arrest those that
refused children Justice, or, go blinded with Alex Jones.

This ain't right

Look, the guy who murdered the two thieves, is guilty for
such. He acted to intentionally murder. MURDER. Do cops kill
kids who steal bubble gums?, or if they did, would an American
then think justice lacking? Cops were near the scene, and the
murderer held no pause to kill thieves with their hands full.
How about, 'drop to the ground' before pulling the trigger? No,
the murderer told US he wanted to murder. Would spitting on
the ground in America blindly call for executions because who knows
what the spitter would have then done later? The thieves were of
no alleged personal threat to life by the murderer, and would
have likely been caught by smarter cops who were in waiting.

What unspeakable evil is this, that CNN, FOXNEWS, Alex Jones

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as
we speak, to further terrorize a dying America lost to the
indifference broadcasted daily on almost every radio and TV
network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen

CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on

Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

Twisted demon nazi LIAR, America's TV "preacher", Jack Van Impe

"He wants to wipe every Jew off the face of the earth, and he's said it many times!" referring to Iran's elected President, a nation with a large living 'hidden' Jewish

community Impe would MURDER to not let YOU truly know of.

"We love you so very much.."

What love lies to murder the innocent to feed the greed of the selfish EVIL Jack Van Impe family? Every show the demon does, is filled with LIES that are made to murder more as Satanic, and it ain't no accident to continually lie like that, each and every time to support lawless tyranny to enslave the human race for more ungodly neocon plunders as their personal richly growing treasures.

ZIONIST NAZIS LIKE IMPE LIE TO QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly great

FREEDOM

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place. CBC, CNN, FOXnews et al. know the Bushmob did 911 in other words. Live for freedom dying America! Johnny America wants to be invited on Coast to Coast. Make it happen Man. Justice for god, is Justice for all.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

http://groups.google.com/group/talk.politics.guns/msg/92b29b55b50f7779

/ / REAL Soldiers: try calling the pro-bush radio station, CJOB, and ask them to stop thieving from our community, and demand they allow open, honest, intelligent discussions on their contempt for the Canadian flag. Thanks. P.S. You may have to wade through 45 minutes of their for profit commercials. Fuk, on weekends, when People are home from work, they run continuous commi crap to take even further more silenced. \ \

CJOB STEALS millions from poor Winnipeggers through their fraud of lotteries, and as a consequence, they'll cheer our sons and daughters to die cowardly instead, for lawless Bush rule, where evidenced findings of Our police agencies are forbidden topic material, like mathematics, and instead, bin Laden did "it", now die for the demon antichrist LIAR ENEMY OF GOD. Al-Qaida = General Mahmoud Ahmad

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite enemy and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Oath to God

The bushite took an Oath to God and country to defend America
from war criminals, and instead, as cowardly neocon bush
bitches, commit war crimes of theft and mass murder against
the great Iraqi People. A soldier in the air force, is a
dishonorable nazi savage, worthy the death sentence for
assisting in bombing Humanity indiscriminately as zionist
enemies of Christ, attempting to destroy Johnny's America with
their provable DEMONIC LIES. Death to the bushite enemies of
Life, who lawlessly war Creation with torture and slavery to
'escape' the neocons for 911. Your magic TV exec excuses
don't mean squat when the facts are so readily available. But
a bushite don't read, or write, or think freedom. Zionist
enemies of ALL Our humanity, murder to believe US won't ever
hunt them down by Law to defend ourselves over. Hammurabi
LAWS to bill the false capital accusers first, and everything
else will fall into place. [note: Hammurabi founded
Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave
US zero evidence to form our free thoughts on the 911 Justice
issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those
who rape torture, or murder. And.. get the neocons for
treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear
weapons, is not pursuing a nuclear weapons program and poses
"no threat" to any nation, least of all the United States.
[...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Bush is the most evil anyone through space-time can 'be'. He
uses hypnosis over the too weak as blindly supporting the
murder of innocent others. Hitler wasn't even so openly
naively evil as Our Mr. bush Jr is truly. Our. What are YOU
going to do about it... PnK.! Answered silent the God of
Hosts echoed: Support our rise to find ANY soldier who honors
the American flag, who doesn't agree Bush, Cheney, and
Rumsfeld must be publicly arrested immediately for the
continuing war crime trials of 911. (And Condi with Myers too
as just getting started then.) Otherwise, we WILL find

ourselves in secret agreement, even without Coast to Coast Inc., network 'group think' programming. Justice for America is Our Cause. And you America.. love LIFE by fighting to win against the traitor neocon thieving terrorists, who will the death of innocent families to escape themselves our accountability. False accusers who deny respect for yourself as a New Yorker included in forming our conclusions with facts as understood actual. Military heads generally do not have the skills to communicate such clarity, for they are not swinging guitarists, as too cowardly to speak a care for Freedom through Justice in Johnny's America. Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. I would ask Syria to consider hiring me on as defensive minister, or yous in Iraq, Iran, Canada, or Europe. WOW! 'BIG LOVE' China!! Moscow! Hey buddies... I'm coming over for drinks no matter which way you look at it. Business first.

"...advanced forms of biological warfare that can target specific genotypes may transform biological warfare from the realm of terror to a politically useful tool."

USEFUL! Tell me, wouldn't YOU have publicly tried, then executed neocon traitors for mass murder if you were dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip", zionist neocons who war as enemies of humankind? What evidence does a bushite need, when it thoughtlessly murders America for demon bush as it's "G-D"?, the thing that does all it's opinioning for it?, on who is guilty of evil doing in complete blind faith puppeting LIES? If anything, bush would be Puppeteer, before "he's only a puppet, he's only a puppet, look away! look away!" of the Old World Order of illiterate nazi savages who murder innocent people to thieve from as our enemies. To kill a bushite, is to be truly heroic. Ask anyone. What WE want is public accountability.

I'm telling you America, George Norry is a blatant naked traitor talking the love of your innocent dying sons and daughters as too stupid and cowardly to defend our dying America from the actual 'escaping' neocon 911 perpetrators.

MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. CNN must, and WILL be tried for high treason for their demon lies broadcasting the northern alliance don't push dope, while the Taliban did, and do. CNN execs will be put to death for such demonic claims that stand no ground in the light of all evidence. Plus, the Taliban were honorable in defending America by demanding facts to form our conclusions on how bin Laden is in anyway connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

I, Johnny Wizard, in the city of Winnipeg, Province of Manitoba MAKE OATH AND SAY:

1.

Pakistani ISI Director General Ahmad orders an aide to wire transfer about $100,000 to hijacker Atta. Ahmad later resigns after the transfer is disclosed in India and confirmed by the FBI. [Dawn, 10/8/01, Times of India, 10/9/01, Wall Street

Journal, 10/10/01, AFP, 10/10/01]

2.

On March 3, 2002, MSNBC's Jim Miklaszewski reported that he had received anonymously, top secret presidential war strategy documents dated September 9th, 2001, originating from Condolezza's office, outlining a strategy to invade Afghanistan premised on blaming bin Laden a terrorist, but providing no evidence to back up the allegation, thereby, securing criminal invasion.

then the demon enemies of America, closed outstanding criminal investigations..

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the

innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

-

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / It is strange that the 'Secret Organization of Al Qaeda in Europe,' the group that is allegedly responsible, would have escaped notice (to say nothing of their odd, 'double secret probation' type of name). \ \

Bushite are EVIL to all, as enemies to Human kind. During Katrina, the bushites responsible for protecting America, slaughtered everyone's confiscated pets for joy and happiness. Three schools filled with hundreds of dogs, cats, snakes and bats. There was no need to kill everyone's beloved pet, but as the bushite will FREELY tell YOU, it was fun to serve demonically as the antichrist enemies of God and love. demand Justice for God, demand Justice for Johnny.

/ / The mere fact that one can deduce a motive for a
person or a group does not mean that they perpetrated
the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better'
CBC, CNN, or FOXNEWS censors. Look at me!! They refuse
to acknowledge my documented info as REALLY important
to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies
of America at the Coast to Coast radio network, who would
kill Americans for the rich neocons without question. It's
JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC
zionists, actual treasonous LIARS, actually smile to dying
Canadian soldiers with only true contempt. CBC kills Canadian
kids, with their intentional demon lies, trying to subvert
Justice for God and Johnny. In fact, yesterday, they did a
special, all on how "God is NOT Great", giving that bush bitch
demon LIAR, all the space to pontificate it's hatred for
Wisdom, Science, and GOD, with only nods and smiles from the
'illiterate' hord. Remember: A zionist KNOWS it's an enemy of
Humanity when it supports dropping seven million land minds to
murder indiscriminately OUR CHILDREN for decades, or stealing
a Christians Home because they say God says Jews would do such
ungodly acts. Blame innocent Jews the holocaust denying
zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let

pro-bushite Zarqawi was there present, so the innocent
families who believed they had nothing to fear from the liar
disciples of the ungodly enemy of ALL HUMAN LIVES, remained in
the tiny city to be indiscriminately 'protected' with more
than nine two thousand pound bombs, or made dead instead by
heinous pro-bush escaping war criminals who used white
phosphorous on civilization. All to die our Humanity for the
thieved loss of evidence to demand ourselves of some official
freedom time to deal with our terrorized as suffering reality.

Senior Military analyst, Rob Riggle "In the field John, the

This is more true than a bushite would admit before murdering
a honorable father to rape his young child, like Lcpl
Boudreaux freely confesses. Boudreaux will tell you, openly,
you have to murder the Arab father of the Arab child your
planning to rape, because if you don't, that Father will spend

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

.I guess a soldier's word doesn't count for much in bushville.

The bushmob did 911 as traitors to God and Country, don't you know anything worth living for? my dying unjustly brothers and sisters? My friends, please fear not wisdom communicated by a REAL Man, for, we explain ourselves to the best of YOUR ability to listen simply. G. W. Bush used no evidence to form America's "conclusion" on who did US wrong on 911. So, Please, stop forsaking yourself, for, we're going nowhere. Support Johnny's call to demand open debate without censorship from the magic radio and TV execs, who hide in darkness, pretending to be our friends, while refusing intelligent dialog to answer any of our big troubles easily. Why? because largely, they're powerless without beating us down as giving 'Christ like' VICTIM so much - with their irrational ignorance for our survivals by the fittest. The fittest Ideas that rule this Universe, are the simplest, most easy to understand, but I digress about GOD'S greatness, for we know,. the corporate media elites as our voice, "Couldn't Care Less".

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if

they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of

any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the

bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation
http://www.alternet.org/story.html?StoryID=17816

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they

confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Signed,

Johnny America

P.S. Get on the radio to speak our lives as worth something! Or, what? you're worthless to the neocon's commanding pronouncements on what you conceive? There really IS a GOD, committed to dealing death to torturers and murderers, and a place reserved as "Hell", where such Satanic behaviors are nothing to get up and roar over. Please support my rise for acknowledgement, and in turn, speaking for freedom where it counts, with You and Yours. Love God as ourselves dying for nothing but a hatred for Liberty's bounty of freedom for every soul as worth defending. HELP ME

The Son of Man Begs America

/ / Seventy percent of the people are without adequate water supplies and 80 percent lack adequate sanitation. \ \

DEFEND THE PEOPLES OF IRAQ FROM BUSHITE NAZI DUMFUK GRUNTS

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

-

/ / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all

done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

Dan Marvin, an actual CIA assassin, talks about how those in the secret CRIMINAL command structure of defense for America, side to order the murder of Patriotic American Soldiers who threaten real Justice succeeding against the neocon God betrayers, neocons, who just simply lie
'zionist equals Jews' no we don't take your pleading calls, international Bush rules news broadcasters.

See? bushites are cowardly, or ignorantly evil - as thieving dumfuk grunts for the enemy liar neocons. Look, they refuse to kill on sight, soldiers who kidnapped Iraqi children to be beaten to death on video tape, or any Aegis employees for actually murdering INNOCENT Iraqi men, women, or children for stolen cash profit, over the loss of LIFE the bushite TRULY pays in collateral. DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. Death to the bushite, death to the enemies of Man.
